INVITATION TO RESOURCE PERSON

Dated: July 17, 2020

Resource Person: Dr. A. C. Bhardwaj (Retd. Professor)
Department of Zoology,
S.D. College, Muzaffarnagar

Dear Sir,

Warm greetings,

Department of Basic Science, Shri Ram College are going to organize a Seminar on the topic "**Astonishing world of Insects**" on July 22, 2020. As one of the efficient expert in the field of Entomology we invite you to be our Resource Person on July 22, 2020 at 10:00 AM. We appreciate it if you come in our institute as an Eminent Speaker.

The participant and organizer will be benefitted a lot from your expertise on the topic. If you have any query related to this faculty development program, kindly contact us at 9411275100.

Thanking you.

Report

THEME: Astonishing World of Insects

REPORT: Guest Lecture

ORGANISED BY: Department of Basic Science, Shri Ram College, Muzaffarnagar

DATE: 22/ 07/ 2020

Basic Science Department organizes a guest lecture on the topic “**Astonishing World of Insects**” on July 22, 2020 at SRC Auditorium. Program was started by welcome of guest by presenting bouquet to Dr. A. C. Bhardwaj, Retd. Head & Professor, Department of Zoology, Sanatan Dharam Degree College, Muzaffarnagar. He was delivered his lecture on the amazing world of insects and gave most efficient knowledge about insects. He gave simple but rigorous introduction to the universe of insects, their classification, types, life cycles etc. Finally the program was concluded by the vote of thanks by Dr. Pooja Tomar for the guest and audience. Dr. Aditya Gautam, Principal Shri Ram College admire him with a token of love.

Approx. 100 students of Basic Science Department gain knowledge about insect's world through this lecture. All the teachers of department attend the lecture and gave thanks to Dr. A. C. Bhardwaj for giving such valuable and knowledgeable information. Dr. Reetu Pundir coordinates the program successfully.

आख्या

श्री राम कॉलेज के कृषि विभाग द्वारा एक ऑनलाइन अथिति व्याख्यान का आयोजन किया गया। जिसका संचालन संस्थान के निदेशक डॉ आदित्य गौतम एवं कृषि विभागाध्यक्ष डॉ. नईम के द्वारा किया गया। इस व्याख्यान में डॉ. सचिन जैन, अमर सिंह कॉलेज, लिखाऊटी, बुलन्दशहर को आमंत्रित किया गया। डॉ सचिन जैन ने फसलों में लगने वाली बीमारिया एवं उनके प्रभाव के बारे में बताते हुए कहा की आज के समय में अनेक तरह की नयी बीमारिया फेल रही जो फसल को बहुत कम समय में नष्ट कर देती है। इसलिए किशान भाइयो को अपने खेत पर दौरा करते रहना चाहिए। यदि कोई फसल के अंदर किसी तरह का कोई बदलाव या बीमारी दिखाई दे तो जल्दी अपने नजदीकी कृषि विज्ञान केंद्र या ब्लॉक में जाकर उसके उपचार की सलाह ले आवर उपचार करे। आज के समय में बढ़ती मांग को देखते हुए फसल उत्पादन को बढ़ाने के बारे में नयी तकनीकि का प्रयोग करना चाहिए, बीज को उपचारित करके बोये, मिट्टी की जाँच कराये, आवर एक फसल से दूसरी फसल के बीच दुरी रखे, बोने से पहले धुप में खेत को मिट्टी पलट हल से जोतना चाहिए, ओर समय- समय पर निराई गुड़ाई करनी अवश्यक है। डॉ सचिन जैन ने बताया की फसलों में बीमारिया फफूँदी, बेक्टेरिआ, वाइरस, नेमाटोड के कारण होती है। ये बीमारिया मौसम में बदलाव, तापक्रम, नमी की मात्रा तथा प्रदूषण के कारण हो सकती है। गन्ने में लगने वाले लाल सड़न रोग, आलू का झुलसा, धान का नाड तोड़, गेहू का करनाल बंट रोग आदि के बारे में बताया। उन्होंने बताया की फसलों में प्रतिवर्ष 5000 करोड़ रुपये ओर 15 से 25 प्रतिशत का नुकशान कीट एवं रोग के कारण होता है। हमें किशानो के साथ मिलकर इस नुकशान को कम करना है तथा समय पर रोग की पहचान ओर उपचार के बारे में बताना है। डॉ. नईम ने बताया की हमारे यहाँ का मौसम में प्रदूषण के कारण बदलाव हो रहा है जिससे हमें नयी बीमारियों का सामना करना पड़ रहा है। आने वाले समय में अगर प्रदूषण

को रोकने पर ध्यान नहीं दिया गया तो बहुत मुस्किलो का सामना करना पड़ सकता है। डॉ. आदित्य गौतम ने छात्रों को बताया की आप देश का भविष्य है। ओर मुझे उम्मीद है की आप इन बीमारियों से छुटकारा दिलाने के लिए एक नयी खोज करेंगे। इस व्याख्यान में उपस्थित डॉ. सौरव जैन, डॉ. विनीत शर्मा, डॉ. कटार सिंह, श्री मुकुल मोतला, श्री आबिद, कुमारी श्रेया, कुमारी हिमांशु गौतम, अनमोल, रोहित आदि मौजूद रहे।

SEMINAR REPORT

ON

WASTE MANAGEMENT IN MUZAFFARNAGAR CITY

A Seminar on ' Waste Management in Muzaffarnagar City ' was held at Shri Ram College on Friday , 18/09/2020. In the program, Chief guests were, Mr. Pankaj Agrawal, Chairman, Municipality, and MLA Kapil Dev Agarwal. The program was inaugurated by the guests along with Dr. SC Kulshrestha, Chairman of Shri Ram Group of Colleges, Dr. Aaditya Gautam, Principal, Shri Ram College, Dr. Sourabh Jain, HoD, Bioscience. In the program, presentations were done on Various aspects of waste management System and Strategies for waste management. At first, Dr. Sourabh Jain presented the Layout of the Seminar. In his address, he focused on the team spirit and progress as a decision-support tool to help Indian cities optimize the way they collect, transport, and treat household waste. Next to them , Dr. Ashwani Kumar (Associate Prof. Bioscience) gave a presentation on the waste management system and said that the collection of waste was done door-to-door from 30 households in each socio-economical diversified neighborhoods over a span of eight weeks and sorted the waste into different categories, which allowed us to quantify exactly what the composition was and how it varied by income. Perhaps their most exciting discovery was that roughly 60-70 percent of the total waste was organic primarily food waste. Dr. Arjun (HOD CE) spoke about the generation of waste & how its management can be done. Dr. Kapil Dev Aggarwal and Mr Pankaj Agarwal had discussed about the various strategies of waste management and said that we need to understand the waste composition and how that composition varies by socioeconomic class. We anticipate higher waste generation in India not only because of population growth, but because of growing affluence. Mr. Pankaj Aggarwal congratulated the efforts made by the team and said that It's important to remember that people make their livelihood from this system. There's an instinct for people from Western countries to say, 'We should have a Western-style system here,' but we think that would be a mistake. You have to consider the impact on everyone involved, formally and informally.

The Seminar was concluded with the vote of thanks from Dr. Sourabh Jain. Overall 64 participants from students attended the seminar. In the end, the participants were distributed certificates and guests were given memento.

REPORT OF SEMINAR

“CULTURAL EFFECT OF SERVICE SECTOR”

DATE-22-10-2020

A Seminar on “Cultural effect of service sector” was organized on 19.10.2020 at 10:30 AM at the lecture theater of Management Block. Dr. M.S. Khan was the coordinator of the seminar. The seminar was started at the arrival of the Keynote speaker “CA Neelam Jain” at 10:45 AM. Dr.Saurabh Mittal, Head of Department, welcome her with a bouquet. Total 114 students participated in the seminar. Keynote speaker “CA Neelam Jain” delivered her speech on the topic and highlights the Cultural effects of service sector. She also highlights the forces that effect the service sector. She emphasis that language, norms, values etc are the major elements that effects the service sector. 37 students also present their papers in the seminar. The seminar ended with the speech of Dr.Saurabh Mittal, Head of Department. He also delivered vote of thanks to all the guests , teachers and students to participate in the seminar.

INTERNATIONAL SEMINAR REPORT

ON

PROBLEMS OF WASTE WATER MANAGEMENT

An international seminar on “Problems of Waste Water Management” was held at Shri Ram College on 16/1/2021. In the program, a presentation was made on the Taisei Soil System of Japan based on water contamination and its reuse. The first water purification plant was set up in Shri Ram College in India. Chief guest of the program was Mr. Koichi Ogyu, Senior Representative JICA INDIA. Guest of honors were Mr. Hiroyuki Mihara, Managing Director Taisie Kyugyo Co. Ltd. and Mr. Stuart Conerly, Manager E- Square INC. The program was inaugurated by the guests along with Dr. SC Kulshrestha, Chairman of Shri Ram Group of Colleges, Dr. Aaditya Gautam, Principal, SRC.

Mr. Hiroshi Yamsnouchi, (Executive Officer, OEC, Japan) came from Japan, told about the TSS project that the Taisei Soil System was installed in Japan in 1873. Along with Japan, the projects related to this system were set up in other countries as well. Taisei Soil System is a zero discharge waste water treatment technology, whereby the water released from the sewage and safety tank is treated with the Soil Treatment System and this purified water can be used in irrigation work. Dr. SC Kulshrestha (Chairman of Shri Ram Group of Colleges), said that in the project process in Shri Ram Group of Colleges, the treatment of waste water generated from the hostel of the college campus is done continuously and the dirty water is not allowed to flow into the river and is used in the irrigation project. Due to which the ambitious scheme of Namami Gange is getting Success. He said that the project is running smoothly without any electricity, fuel, and special expenses at low cost. The purification capacity of the plant is 8000 liters per day, which has been talked about increasing. For this, the first plant was set up in Shri ram Group of Colleges.

In the seminar, Mr. Hiroyuki Mihara gave information about the Waste Water Purification Project. He told us that TSS is a new method that achieves complete on-site particle classification & remediation of Contaminated soil without carrying the soil off site by using additives in the cleaning water. It also reduces remediation cost by 30-40 % compared to the Conventional methods. Dr. Arjun Singh (HOD CE) discussed about the project design and the work estimation. Dr. Pankaj Aggarwal, said that the smooth operation of this plant is an achievement for the college and the district. Purifying the water coming out of toilet sewage and making it for irrigation of fields is a good start. The function was presided over by Dr. Pankaj Aggarwal, Municipality Chairman Muzaffarnagar. The distinguished guests during this period were Mr. Nishank Jain, Revathi Nandan Asaghal, Ashok Aggarwal, Vipul Bhatnagar, Lover Chhabra and Padam Tomar etc. The seminar was attended by the Japanese delegation as Yasuhiro Matsumoto-Director Taisei Co. Ltd, and Himanshu Mishra Senior Manager, Technology and Action for Rural Advancement-New Delhi etc.

The Seminar was concluded with the vote of thanks from Dr. Sourabh Jain. Overall 282 participants from faculties and students attended the seminar. In the end, the participants were distributed certificates and guests were given memento.

Report on seminar on "COVID Effects on IT Industry"

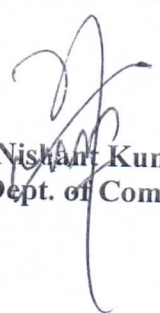

Date: 21-12-2020

Department of Computer Application organized a seminar on "COVID Effects on IT Industry" at Shri Ram College, Muzaffarnagar on December 19, 2020. The objective of this seminar was to impart knowledge about COVID Effects on IT Industry. Students of BCA were positively participated in this seminar. The seminar inaugurated by Dr Aditya Gautam, Director, Shri Ram College.

Twenty One students presented their topics on COVID Effects on IT Industry. They covered Corona virus impact on IT sector, how the pandemic has change the world economic and positive and negative effects of covid-19 on small business. It was a competitive event and judged by faculty members of Dept. of Computer Application.

Throughout the seminar, students gained a better understanding of Covid Effects on small businesses, IT field and economy. Result was announced after the all presentation. Mr. Apar Kaushik, Ms Muskan and Mr. Suyesh were appreciated by the Dr. Nishant Kumar Rathi, Dean, Dept. of Computer Application.

The seminar came to an end with the vote of thanks by the Dr. Nishant Kumar Rathi, Dean, Dept. of Computer Application.

श्रीराम कॉलेज में अतिथि व्याख्यान का आयोजन

शाह टाइम्स संवाददाता

मुजफ्फरनगर। श्रीराम कॉलेज के कृषि विज्ञान विभाग में अतिथि व्याख्यान का आयोजन किया गया जिसका संचालन महाविद्यालय के निदेशक डा. आदित्य गौतम एवं कृषि विज्ञान विभाग के विभागाध्यक्ष डा. नईम द्वारा किया गया। यह व्याख्यान प्रो. डा. देवेश गुप्ता, जनता वैदिक कॉलेज, बड़ौत के द्वारा दिया गया।

इस व्याख्यान में कृषि विज्ञान विभाग के समस्त छात्र एवं अध्यापक मौजूद रहे। प्रो. डा. देवेश गुप्ता द्वारा दिये गये व्याख्यान में कृषि में डेरी पशुओं की भूमिका के बारे में बताते हुए कहा कि जैसे आज के समय में तकनीक का इस्तेमाल बढ़ रहा है, जिससे खेती में उपयोग किये जाने वाले पशुओं की संख्या कम हो रही है, जिसके हानिकारक प्रभाव सामने आये हैं। पशुओं के भेड़-मूत्र से

निर्मित खाद तथा कृषि में पशु शक्ति का प्रयोग प्रदूषण रहित होता है तथा पशु आधारित खेती करने से निचले स्तर के किसानों को आग बढ़ने का अवसर मिलता है। हमारे देश की कुल जीडीपी में लगभग चार प्रतिशत तथा कृषि जीडीपी में पच्चीस प्रतिशत भागेदारी पशुपालन की है। भारत का विश्व में दुग्ध उत्पादन में प्रथम स्थान

है। किसान खेती के साथ-साथ पशु पालन जैसे गाय, भैंस, बकरी, भेड़, मुर्गी, सूअर आदि का पालन करके अपनी आय को बढ़ा सकते हैं। पशुओं में रोग का उपचार समय पर करना, खाने तथा पानी की व्यवस्था आदि के बारे में भी बताया गया। उन्होंने आगे बताया कि पशुओं के लिए सम्पूर्ण आहार जैसे खल,

चोकर, दाल चुरी, पिसा हुआ अनाज, खनिज तत्व, नमक, शीरा, हरा चारा तथा सूखा चारा प्रतिदिन देना चाहिए ताकि पशुओं की दूध देने की मात्रा बढ़ी रहें और किसान को उचित आय प्राप्त हो सकें।

विभागाध्यक्ष डा. नईम द्वारा दूध एवं दूध से बनने वाले उत्पादों को बाजारों में अच्छे मूल्य पर बेचने की तकनीकी के बारे में तथा दूध उत्पादों की गुणवत्ता को बढ़ाने के बारे में बताया गया। श्रीराम कॉलेज के निदेशक डॉ. आदित्य गौतम द्वारा छात्रों को पशुपालन में भागेदारी तथा इसमें बढ़ावा देने के लिए समझाया गया। अतिथि व्याख्यान के दौरान प्रवक्तागण डा. कटार सिंह, डॉ. विनीत शर्मा, देवेन्द्र चौधरी, मुकुल मोतला, आबिद अहमद, श्रेया, हिमांशु गौतम, अनमोल, रोहित आदि मौजूद रहें।

Report on Workshop on “Computer Hardware”

Dated: 18.01.2021

Workshop on “Computer Hardware” was conducted by Department of Computer Application from January 11, 2021 to January 16, 2021 in Computer Lab to impart knowledge about Computer Hardware & Networking and its functionality among students. The resource persons of this workshop were Mr. Ankur Rohilla, Assistant Professor, Dept. of Computer Application, SRC and Mr. Manoj Kumar, Network Administrator, SRC.

The workshop was divided into the theory and practical sessions. Mr. Ankur Rohilla presented introduction to the computer hardware. Mr. Manoj Kumar and Mr. Hans Kumar provided the knowledge to assemble the computer components. They also focused on the importance and impact of right assembly of the computer system and explained the difference of speed between Core2Duo and Dual Core processors.

292 students have actively participated with a lot of zeal and enthusiasm. The practical work during the workshop was conducted in batches having twenty students in each batch. The students gained hands on experience by assembling the components themselves during the practical session.

Following topics were covered in the both sessions which were conducted by Mr. Ankur Rohilla & Mr. Manoj Kumar:

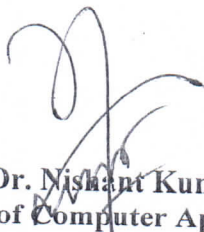

1. Understanding the basics concepts and structure of computer hardware.
2. Identifying the existing configuration of computer and peripherals.
3. Troubleshooting and maintenance of PC.
4. CMOS settings.
5. Integrating the PC into LAN.
6. Installing / updating Antivirus software.

Workshop was concluded with thanks speech by Dr. Nishant Kumar Rathi, Dean, Dept. of Computer Application. The student appreciated the workshop as it helped them to know their computer system, its functioning and troubleshooting.

Report on Guest Lecture on “Environmental Science”

Dated: 15-02-2021

A guest lecture was organized by the Department of Computer Application for students of BCA 2nd year, BCA 3rd years and M.Sc. (CS) of Computer Application in SRC auditorium of Shri Ram College on 13-02-2021. The purpose of this lecture was to educate the students about Environmental Studies. Around Eighty Six students participated in this lecture.

The guest lecture started at 10:00 am. Dr. Aditya Gautam, Director, Shri Ram College, Muzaffarnagar formally inaugurated the lecture by presenting the bouquet of flowers to the guest and encouraged the students by her opening remarks. Dr. Nishant Kumar Rathi, Dean, Dept of Computer Application has insisted the students to grab more knowledge on Policy Target and Achievements of Environmental efforts .

Dr. Vikas Tyagi, Asst Prof, Department of Bioscience, SRC, MZN was the resource person of this lecture. He started with an overview of Environmental efforts, and their achievements state of activity for reduction of Environmental burden. He also discussed the state of performance of organization in social area and state of Environmental management

Dr. Vikas Tyagi also discussed about major Environmental problems which are as follows:

- Ozone Depletion, Green house effect and Global warming.
- Desertification.
- Deforestation.
- Loss of Biodiversity.
- Disposal of waste.

At the end of the session Dr. Nishant Kumar Rathi thanked Dr. Vikas Tyagi for giving wonderful session in short period of time.

बैंकिंग जागरूकता प्रेम विज्ञापन

26 फरवरी 2021

कारोबार संचालित कराने का माग

मुजफ्फरनगर, 26 फरवरी (बु.)। पदवी धारियों ने शुक्रवार को डीएम कार्यालय पहुंचकर प्रशासन से अपने कारोबार को संचालित कराने की मांग की है। डीएम कार्यालय पहुंचे ठेका व घंटी फंड विजेताओं ने डीएम के नाम लीपे पत्र में झांसी रानी धाके के समीप लम्बे समय से कारोबार कर रहे लोगों के कारोबार पर प्रशासन द्वारा लगे रोक को हटाने की मांग की है। कारोबार का माहमद शाहबाज, राय भी सोहन...

रखे। उन्होंने कहा कि एक व्यक्ति गंगा स्नान जा रहा था रास्ते में उन्हें रोककर लीपे पत्र बोले महाशय मंगा रवाना करने थे। उन्होंने कहा कि भाई पहले अपना कर्ज करूंगा, अगर मन चाहा है तो कछोती में ही रंगा है। मोशबाद ने भी रात रोक...

शुक्रवार के दिन एक गोष्ठी एवं मध्य अभियान समारोह का आयोजन किया गया।

श्रीराम कॉलेज के वाणिज्य संकाय में बैंकिंग जागरूकता पर कार्यशाला का आयोजन

मुजफ्फरनगर, 26 फरवरी (बु.)। श्रीराम कॉलेज में वाणिज्य संकाय के विद्यार्थियों के लिए पंजाब नेशनल बैंक के सहयोग से एक दिवसीय कार्यशाला का आयोजन किया गया। कार्यशाला में पंजाब नेशनल बैंक के मुख्य प्रबन्धक प्रदीप अरोरा व विमल अम्बिकारी शैलेश चौहान के द्वारा संयुक्त रूप से वाणिज्य संकाय के छात्रों को बैंकिंग कार्यशाला की माहमद शाहबाज रानी धाके का आयोजन द्वारा आयोजित हुए एक दिवसीय कार्यशाला का उद्देश्य छात्रों के व्यावहारिक व तकनीकी ज्ञान में वृद्धि के साथ-साथ बैंकिंग के क्षेत्र में स्विच बनाने के लिए विषय से रू-ब-रू कराना रहा। कार्यक्रम का मंच संचालन वाणिज्य विभाग की शिक्षिका गरिमा सिंह द्वारा किया गया। कार्यशाला का उद्घाटन मुख्य अतिथियों के द्वारा दीप प्रज्वलित करके किया गया। इसके बाद श्रीराम कॉलेज के निदेशक डॉ. आदित्य रायतम और एकेडमिक डॉ. विनोद कुमार शर्मा, विस्तार...

नियंत्रक प्रविन्द्र कुमार, वाणिज्य विभाग के विभागाध्यक्ष डॉ. सौरभ मित्तल द्वारा सामूहिक रूप से कार्यशाला के वक्ताओं का स्वागत किया। इस अवसर पर मुख्य प्रबन्धक प्रदीप द्वारा बैंकिंग कार्यक्रम की विस्तृत रूप से जानकारी दी गई। अपनी मिलजुब प्रतिभा के धनी पंजाब नेशनल बैंक के मुख्य प्रबन्धक के द्वारा बैंक लोन व बैंक की सुविधा का लाभ कैसे उठाना ज्ञाने आदि के विषय में जानकारी देते हुए बताया कि किस प्रकार हम अपने कार्यों को सरलतम रूप दे सकते हैं। शैलेश चौहान ने बताया कि भारतीय बैंकिंग व्यवस्था किस प्रकार से कार्य करती है। उन्होंने भारतीय बैंकिंग व्यवस्था के सबसे बड़े बैंक आरबीआई के विषय पर प्रवेश किया तथा बैंकों की श्रेणियों के विषय में बताया गया। इसके अलावा शिवा लोन, जिसकी आवश्यकता किसी भी छात्र को पड़ सकती है, के विषय में पी.पी.टी. के माध्यम से पीएनबी के अंतर्गत पीएनबी प्रतिभा, पीएनबी सरस्वती व पीएनबी चंडान आदि स्कीम के विषय में बताया। उन्होंने बताया कि कैसे लोन के लिये आवेदन किया जाता है, लोन लेने के लिये विद्यार्थियों के लिये क्या-क्या सुविधाएं...

हैं, पीएनबी की विभिन्न योजनाओं को पानेता तथा है। इसके बाद बैंकिंग जागरूकता के बारे में अभिभावकों को बताया गया कि गृह ऋण किस प्रकार लिया जाता है, इसके क्या उद्देश्य हैं। कार लोन किस प्रकार लिया जाता है आदि को भी समझाया। वर्ल्डराम के आयोजन द्वारा छात्रों ने कैरियर के प्रति रुझान जाग्रत हुआ, जिससे बैंक के क्षेत्र में अपना लक्ष्य रखने वाले छात्रों को दिशा-निर्देश प्रदान किये गये। कार्यक्रम...

के अंत में अतिथियों का स्मृति चिन्ह किया गया। वाणिज्य विभाग के विभागाध्यक्ष डॉ. सौरभ मित्तल ने बताया समय-समय पर विभाग द्वारा इस प्रकार के कार्यक्रम छात्रों के ज्ञान वृद्धि के लिए आयोजित कराये जाते हैं, जिससे उन मनोबल बढ़ता है। कार्यक्रम को सफल बनाने में वाणिज्य संकाय के प्रबन्धक एम.एच. खान, नूतन चौहान, पंजाब नेशनल बैंक के मुख्य प्रबन्धक प्रदीप अरोरा, शैलेश चौहान, राय भी सोहन...

चोरी की बाइक और अवैध चाकू के साथ गिरफ्तार

काठजा, 26 फरवरी (बु.) पुलिस ने बाइन सैकिंग के दौरान चोर की चाकू की बाइक और एक अवैध चाकू के साथ गिरफ्तार किया है। पुलिस ने चोर को सिविल मुकदमा दर्ज कर जेल भेज दिया है। चोर को गिरफ्तार करने में पुलिस की टीम ने बाइन सैकिंग के दौरान चोर की चाकू की बाइक और एक अवैध चाकू के साथ गिरफ्तार किया है। पुलिस ने चोर को सिविल मुकदमा दर्ज कर जेल भेज दिया है।

हमारे धर्मशास्त्र हमारा जीवन दर्शन हैं : स्वामी ज्ञानानंद जी

मुजफ्फरनगर, 26 फरवरी (बु.)। अखिल भारतीय अर्थवाले सम्मेलन के प्रवेश अर्थवाले सुदेश अग्रवाल के स्थानीय श्रीराम कॉलेज में आयोजित कार्यक्रम में 26 फरवरी को आयोजित कार्यक्रम में मुख्य अतिथि सुदेश अग्रवाल के साथ स्वामी ज्ञानानंद जी के साथ कार्यक्रम का आयोजन किया गया। कार्यक्रम में स्वामी ज्ञानानंद जी के साथ कार्यक्रम का आयोजन किया गया।

रामदास एवं प्रभाव तथा भारतीय धर्मशास्त्रों में प्राणी मात्र के कल्याण का स्वरूप आदि पर चर्चा करते हुए उन्होंने बताया कि हमारे पूर्वजों, अतिथियों तथा सभी धर्मार्थियों ने किस प्रकार हमें ज्ञान दिया है, वहीं आज इस लाभार्थन व्याख्यान में मुख्य अतिथि स्वामी ज्ञानानंद जी महाशय ने मानव जीवन के पूर्ण विकास में श्रीराम कॉलेज की गीता का विशेष महत्व बताते हुए परमात्मा की प्रीति को वाणी से सम्पर्क कर...

घात होगा तो निश्चय ही संसार में सागर रहेगा। गीता प्राणी जगत् करने वाली अमृत राग है। यह कथा तथा परतों के दोनों का उद्धार महाशय जी ने कहा कि हमें परमेश्वर सही है तो सरसे स्नान से जुड़ना च अवधारण पर लावा मूलनंद अग्रवाल, श्रीराम कॉलेज, अशाक लुण्डाल, पण्डे...

National Science Day -28-02-2021

DATE: 28-02-2021

ACTIVITY REPORT

A one day seminar on “Women Contribution in Science” was organized on the occasion of “NATIONAL SCIENCE DAY” (28-02-2021). The program was started with lamp lighting by Mrs. Soniya Luthera, Social Worker, Dr. Perna Mittal, Principal of SRC, Dr. Pooja Tomar, Head, Basic Science. After that all guests were welcomed by bouquet as token of love.

The program was inaugurated by Dr. SC. Kulshreshtha, Founder Chairman of Shri Ram College Muzaffarnagar & Mrs. Soniya Luthera, Social Worker. The purpose of this seminar was to make the students aware about the contribution of women in science. About 95 students participated enthusiastically in this seminar.

Mrs. Soniya Luthera was addressed the students that many women have made their significant contribution in the world of science. Marie Curie (1867-1934) was the Ist female scientist. She discovered two new chemical elements; Radium & Polonium. If we talk about India, EK Janaki Ammal (1897-1984) was Ist India’s no 1 female scientist who was the winner of “PADAMSHRI AWARD.”

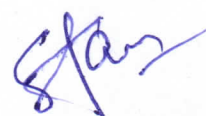

After this, concluding the program, Ms. Lavi Sharma said that India culture gives women the most respect. Women play an important role in society and the whole

Report on Guest Lecture on “Machine Learning”

Dated: 03-04-2021

A guest lecture was organized by the Department of Computer Application for students of BCA 2nd year, BCA 3rd years and M.Sc. (CS) of Computer Application in SRC auditorium of Shri Ram College on 30-03-2021. The purpose of this lecture was to educate the students for technical advancement in Machine Learning. Around Seventy eight students participated in this lecture.

The guest lecture started at 10:00 am. Dr. Aditya Gautam, Director, Shri Ram College, Muzaffarnagar formally inaugurated the lecture by presenting the bouquet of flowers to the guest and encouraged the students by her opening remarks. Dr. Nishant Kumar Rathi, Dean, Dept of Computer Application has insisted the students to grab more knowledge on machine learning and to make effective utilization of this lecture.

Mr. Devesh Malik, Asst Prof, Department of Computer Science, SRGC, MZN was the resource person of this lecture. He started with an overview of advance technology in the machine learning. He also discussed that machine learning is closely related to computational statistics and focuses on the development of computer programs that can access data and use it to learn themselves. Mr. Devesh Malik also discussed about six steps of machine learning cycle and its 3 types which are:

- Supervised Learning.
- Unsupervised Learning.
- Reinforcement Learning.

At the end of the session Dr. Nishant Kumar Rathi thanked Mr. Devesh Malik for giving wonderful session in short period of time.

To

Dr. Satyendra Kumar
Associate Professor
Department of Zoology
DAV College Muzaffarnagar

Respected Sir,

We feel glad to inform you that we are going to organize a one day guest lecture on “**Immunology**” in Department of Bioscience on **04 March 2021 at 10:00 am**. As per our telephonic discussion you are cordially invited as a guest speaker for the lecture.

With regards

Yours Faithfully

Dr. Sourabh Jain

HOD

NOTICE

A Guest Lecture will be delivered by Dr. Satyendra Kumar (Associate Professor, Department of Zoology , DAV College Muzaffarnagar) on the topic "Immunology" in Department of Bioscience on 04.March.2021 at 10:00 am. So to make this programme successful, these following duties have been assigned to the following faculty members:-

- Mr. Sachin Kumar - Flax Making & Collection of Momento
- Ms. Shyma Saifi - Report writing of lecture
- Mr. Ankit Kumar - News writing
- Mr. Rajnikant - Photography
- Mr. Vikas Kumar - Anchoring

'A' Grade Accredited by NAAC

Date: 04.03.2021

To whom it may concern

This is to certify that Dr. Satyendra Kumar Associate Professor, Department of Zoology DAV College Muzaffarnagar, has delivered a Guest lecture on the Topic- "**Immunology**" in Department of Bioscience, for B.Sc. & M.Sc. Students at 10:00 AM on 4-03-2021. His lecture was very effective and I hope it has enlightened our student and faculty members.

Antibody Structure

How Do B Cells Produce Antibodies?

- B cells develop from stem cells in the bone marrow of adults (liver of fetuses).
- After maturation B cells migrate to lymphoid organs (lymph node or spleen).
- **Clonal Selection:** When a B cell encounters an antigen it recognizes, it is stimulated and divides into many clones called plasma cells, which actively secrete antibodies.
- Each B cell produces antibodies that will recognize only one antigenic determinant.

Clonal Selection of B Cells is Caused by Antigenic Stimulation

Humoral Immunity

Apoptosis

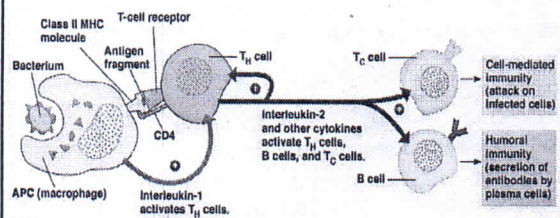

- Programmed cell death ("Falling away").
- Human body makes 100 million lymphocytes every day. If an equivalent number doesn't die, will develop leukemia.
- B cells that do not encounter stimulating antigen will self-destruct and send signals to phagocytes to dispose of their remains.
- Many virus infected cells will undergo apoptosis, to help prevent spread of the infection.

Humoral Immunity (Continued)

Clonal Selection

- Why don't we produce antibodies against our own antigens?
 - Clonal Selection: B cells (and T cells) that encounter stimulating antigen will proliferate into a large group of cells.
 - Clonal Deletion: B and T cells that react against *self* antigens appear to be destroyed during fetal development. Process is poorly understood.

Central Role of Helper T Cells

Muzaffarnagar

Chairman
IQAC, Shri Ram College,
Muzaffarnagar

Types of T cells (Continued)

- Cytotoxic T (T_c) Cells: Destroy target cells.**
Recognize antigens on the surface of all cells:
- Kill host cells that are infected with viruses or bacteria.
 - Recognize and kill cancer cells.
 - Recognize and destroy transplanted tissue.
- Release protein called *perforin* which forms a pore in target cell, causing lysis of infected cells.
- Undergo apoptosis when stimulating antigen is gone.

Cytotoxic T Cells Lyse Infected Cells

Immunoglobulin

- Heavy Chain – 110 amino acids long
 - 100 distinct V segments
 - 30 D segments
 - 6 J segments
 - Enzymes choose one V segment, one D segment and one J segment and fuse them together
 - 18,000 combinations in encoding antibody molecule
 - Splice this variable region to the constant region
- Light Chain – 211 amino acids long
 - 10,000 combinations
 - Total of 180,000,000 distinct B cells
- Fusion is sloppy, can create other variants

Relationship Between Cell-Mediated and Humoral Immunity

1. Antibody Production

T-Dependent Antigens:

- Antibody production requires assistance from T helper cells.
- A macrophage cells ingest antigen and presents it to T_H cell.
- T_H cell stimulates B cells specific for antigen to become plasma cells.
- Antigens are mainly proteins on viruses, bacteria, foreign red blood cells, and hapten-carrier molecules.

A Report

Online Webinar On

"Role of Family structure in Social Change"

Today, a webinar organized by Journalism and Mass Communication department Shri Ram College, Muzaffarnagar on the topic of "Role of Family structure in Social Change" On the occasion Mr. Sunil Kumar Arya Regional Coordinator, Sahara Group was the Keynote Speaker of the program. All the faculty of JMC department and students joined the webinar through Zoom app ID 72203029758 Password-123456.

Speaking on this occasion, Sunil Kumar Arya said that the family socializes the members, as well as performs the function of social control. Because all relatives are bound by the limits of relations. A good family has both discipline and independence. Family is the basic aspect of human life. The formation and development of a person takes place in the family itself. He said that the members of the family are connected with each other through natural activities and some become members of the family after marriage. There are two forms of family found in the society. Nuclear family and joint family. Nuclear family is the civilization of western countries. In which the couple lives with their children, but this form of family can be seen in the world. But the concept of joint family reflects the image of the culture of the countries. In which more than two generations people live together.

He said that according to Hindu religion, joint family is such an institution, which solves many problems of individuals. In a joint family, when any member is in trouble or trouble, then all the members try to overcome it together. He said that we have seen a direct example of this in the Corona period.

Co-ordinator
IQAC, Shri Ram College,
Muzaffarnagar

Chairman
IQAC, Shri Ram College,
Muzaffarnagar

At the end of the program, Dr. Ravi Gautam, Head of Department of Journalism and Mass Communication, while thanking the keynote speaker said that children are born and brought up in the family in the society. The task of imparting rites to the children and teaching the picky behavior of the society is mainly of the family. Through this the cultural heritage of the society is transferred from one generation to another. Family is the first school of a person. He said that the norms and ideals of the Indian family are traditional. Family is the smallest unit of society. But its strength is effective in saving people from every biggest trouble.

On this occasion Principle of Shri Ram College, Dr. Aditya Gautam, faculty of JMC department Shivani Gupta , Shivani Burman, Yogiraj, Shiv Kumar, Sheetal Indoria, Priya, Pooja Kalra, Vijay Singh Pundir were present and Program coordinator Vaishali Garg successfully conducted the program.

Objectives of the Webinar :-

The event was organizing for giving knowledge about role of family in social system and changes to the students. The main objectives of this webinar was to make understand the importance of Family

Outcome of the Webinar :-

- The role of family in building a strong society was explained to the students in detail.
- Defining nuclear family and joint family, the students were explained in detail about the possibilities and challenges.
- The important role of joint families to develop values in children was highlighted in detail, due to which better values will be developed in the students.
- The role of good families in socialization and social control and the limits of discipline and independence explained in detail

Online Webinar on Role of Family Structure in Social Change

Time: Jun 12, 2021 03:30 PM India

Shri Ram College

Muzaffarnagar

Notice

Date:28.08.2020

All the faculty members and scholars of faculty of Teacher Education are hereby inform that a workshop on “Role of English Language” is scheduled on date-01.09.2020 to 03.09.2020 at 10.00 AM to 5.00 Pm online. The platform for workshop will zoom. So every participate should join the workshop before 15 minutes.

Workshop Report
English Language Workshop
(01st to 03rd September 2020)

Session Plan for Workshop-

Day	Morning Session (warm up activity) 10:00 to 10:30am	Pre Lunch Session 10:30 to 1:30pm	Post Lunch Session 2:30 to 5:00pm
1 (1 September)	Breaking the ice	Nature of Language	Language teaching v/s subject teaching
2 (2 September)	Song based activity	Communicative Language Teaching	Reading for Meaning
3 (3 September)	Song based activity	Making Sense of the Unfamiliar Text	Second Language Acquisition

Tea breaks: 12:00 – 12:15 during the pre-lunch session & 4:00 – 4:15 in the evening.

Lunch break: 1:30 – 2:30 p.m.

Day one (01/09/2020)

Inaugural session:

The arrangements were wonderful, the Faculty of Teacher Education is an old establishment, the Principal was waiting for us, on meeting she informed that the Faculty of Teacher Education had already sent a letter to call the participants, as it was the first day it was expected that the participants would reach late. By 11:10 there were four participants in the hall. Some of the faculties also showed willingness to join us.

Aysha Praveen at 12:00 pm with fifteen participants began the warm up activity in which participants had to introduce themselves by associating them with two adjectives, two geographical features and two animals/birds. It was heartwarming to see that all the participants including the Principal and a faculty not only participated enthusiastically but enjoyed it also.

Co-ordinator
IQAC, Shri Ram College,
Muzaffarnagar

Chairman
IQAC, Shri Ram College,
Muzaffarnagar

Post lunch session began with an assumption that **language is learnt not when we learn about it but when we learn through it**. Rashmi started seeking the opinion of people on the assumption.

Participants came forward with the following ideas about the language:-

- When rules are taught we feel bounded it is not learning the function of a language but learning about it.
- Language is a medium of instruction and expression.
- A language needs its own atmosphere.
- Medium of communication.
- Language gives words to our gestures, signs and expression, feelings through tones.
- Listening and speaking are the most important usage of language.

Participants then were asked to read a reading from the manual 'BHASHA KI PRAKRUTI'. The article talks about the whole range of functions a language does in one's life, certainly it provided the participants a new perspective to think about what language exactly is. Rashmi asked them to discuss certain things that one disagrees with, the things that one has never experienced while using a language, but no one disagreed or pointed out anything which falls out of his experience of using a language. Then she started discussing the insights of the reading. The crux of the discussion is as follows –

- The cognitive development and the development of language depend on each other.
- Originally language is oral writing is done to preserve it.
- The smallest unit of a language is sound, no sound individually has a meaning they give us meaning only when kept in an order.
- Language is a manmade system which has its smallest meaningful unit as word and the meaning of that word in a lingual group is limited.
- In the form of a words these entities are concepts and their names, in a society these names are arbitrary, stable and collectively accepted.
- Language is a well arranged system, on the basis of which we get the meaning of the world out. The capability of creating meaning of this system is infinite.

So as the participants had gone through the reading and discussed the above points they were asked to revise their definition which they had given earlier and create a new definition. The groups came up with the following definitions:-

- Language is the basic system of sounds associated with the concepts, to communicate our ideas in proper way.
- Language is like a pipeline with which we can circulate so many kinds of ideas, feelings, emotions etc.
- A language is a medium of exchanging our thoughts and ideas through human made concepts, skills and visioning.
- Manmade systematic speech system its smallest unit is word. Medium of instruction.... **So ultimately the participants did not move from their earlier definition.** Participants were instructed to read once again this reading at home so that they could think beyond language being medium of expression. To make them realize the other functions of the language they were given the situations (a road accident, a birthday party is being discussed in a family, a principal is holding a meeting at school with staff, a surgeon is discussing the condition of a cardiac patient with medical students) to simulate as a group.

Co-ordinator
IQAC, Shri Ram College,
Muzaffarnagar

Chairman
IQAC, Shri Ram College,
Muzaffarnagar

While simulating the situations the following functions of language were noticed:-

The groups very well simulated the situations and drew above functions of language intelligently. At the end of the day Rashmi could establish successfully that language does much more than merely being the medium of expression.

Day 2 (02/09/2020)

The session started with **the song I have a dream**. Soniya and Bharti conducted the warm up session and asked the candidates to share their dreams, most of the gents said that they wanted to join Army but due to being physically unfit, they could not do so whereas ladies wanted to become a Professor. Then they were asked to share their children's dreams. They shared – their children want to become Doctor, Engineer, Management person etc.

The pre-lunch session was taken by Aysha Praveen. Participants were made to sit in 5 groups, each group was given one envelope containing some pictures and sentences describing those pictures. They had to match the pictures with the sentences, later they had to create a story based on the picture/s.

The objective of the activity was to make the participants realize the following things-

- While reading it is important to make meaning otherwise only decoding takes place in the name of reading.
- While working with the language one forgets the self-consciousness hence the language learning happens excellently.
- Learning aids and peer group learning ascertain stress-free learning environment.
- Learning a language is working with the language, using it for various functions and not learning about a language.
- Creating real life situations helps children to get away from mechanical drill and to learn language in a natural environment.

Later a Reading based on Communicative Language Teaching was given to read, an intense discussion took place on the reading covering 10 points on the paradigm shift in the language classrooms they are -

Paradigm shift in class room practices:

1. A great attention is now focused on the role of learner not on an external stimuli, this shift is known as the move from teacher centered instruction to learner centered instruction.
2. Focus on the learning process rather than the products learners produce.
3. Focus on the social nature of learning rather than on students as separate, decontextualized individuals.
4. Seeing the diversity among the students as a resource to be recognized, catered and appreciated, not an impediment to learning.
5. The views and experiences of students are more important now rather than the views those come from outside.
6. School and study are now connected with the world beyond the class room.
7. Helping students to understand the purpose of learning and develop their own purpose.
8. A whole to part orientation instead of part to whole orientation approach.
9. Emphasis on meaning than drill.
10. Learning is a lifelong process rather than something done to prepare student to pass the exam.

In the post lunch session each group was given the task to design one communicative activity based on any lesson of the text book.

Group presentations-

- 1) Group 1 presented a class room scene- Discussion on map, map of India were drawn, children were asked to find out the no and names of states from the book.
- 2) Group 2 presented class room scene in which question answers session and discussion were included- **what is a fort, have you seen any fort, where is Red fort etc.**

They presented it as information transfer activity on which Aysha Praveen commented that it could be done

Co-ordinator
IQAC, Shri Ram College,
Muzaffarnagar

Chairman
IQAC, Shri Ram College,
Muzaffarnagar

with the help of a bar graph or bio sketch.

- 3) Group 3 presented story completion activity in which a story was broken into many sentences and children would sit in groups, read and arrange the sentences to recreate the story, it was a good example of a jig saw activity.
- 4) Group 4 presented a question answer session based on water. They presented it as information gathering activity.
Aysha Praveen explained how an information gathering activity can be planned.
- 5) Group 5 presented a Quiz which was again a one way question answer activity with no possibility for a lively communication to take place.

The second half of the post lunch session was conducted by Rashmi on Subject teaching v/s Language teaching. She took a quick recap on yesterday's discussion on Nature of Language. Then she told the participants to compare a language class and a social studies class. She compared the classroom practices of both the classes and came to the conclusion that both the classes look same when we see the classroom practices but the teaching objectives of both are totally different.

Rashmi asked if the same practices continue in the schools, will the children master the language and achieve their goals of life?

Two case studies based on the teaching practices were given for reading. They were divided into two groups and told to analyze the case studies and put the analysis on the board and explain the difference in both the practices.

Case 1- Reading of the words and sentences by the teacher, Students were not able to pronounce the words, didn't understand the text, children were not attentive, No activity, enough context setting was not done

Case 2- Group study, task was given to develop confidence, teacher as facilitator, children were enjoying the learning. In case 2 children are actually learning by doing on their own, they are discovering, analyzing, thinking and learning.

Day 3 (03/09/2020)

Warm up activity was conducted by Bharti and Soniya.

They played a song "You are my Sunshine". In the first round participants just listened the song. In the second round they were provided with the script of the song to fill in the blanks they had to concentrate on the words and fill the words to complete the song. Participants took two rounds to fill the words but still some were not sure about the words. At the end the script of the song was given to the participants and all enjoyed it singing together.

In the pre-lunch session the Facilitator- Rashmi asked the participants whether they read the reading of Hridaykant Diwan discussed yesterday. In between she also tried to remember participant's names.

Following points came from participants as the insight on the reading-

- Limited time allotted for language teaching in schools.
- Limited exposure and opportunity of learning language.
- There is no fun in language learning.
- There is no place of home language in school.
- Emphasis on wrote learning- because child has to show this in examination.
- In place of correcting errors we need to look at our assumptions about errors.

IQAC, Shri Ram College,
Muzaffarnagar

Chairman
IQAC, Shri Ram College,
Muzaffarnagar

- There shouldn't be so much emphasis on grammar teaching.
- Very little opportunity for speaking and listening as far as English is concerned.

Rashmi summarized the session as follows-

- We need to provide atmosphere to children.
- Use language with clues and gesture while speaking- For example- Akash shut the door (and you can indicate towards the door)
- Problem is lack of exposure and opportunity
- When you tell the meaning in Hindi- Then brain don't need to struggle for finding the meaning, you ease the work by giving meaning.
- We discourage home language in school- Their language should be used as a medium to teach in English.
- "We don't learn language when we learn about them we learn language when we learn through them."
- Acquisition Vs learning- First language is acquired however second language acquired through learning.

After the discussion Rashmi asked participants to read the last paragraph from the article-"Prathmik Kaksha mein bhasha shikshan"

Some thoughts from discussion on this reading-

Myth- we have think in the same language which language we are trying to learn.

Because we even need language to think and thinking cannot be possible without language. We mostly generalized the things in our mind. For example- Experience of bird in a child's life. For this child definition of bird is- which can fly, perch and have feathers. In her world even kite and aero plane are some category of birds.

Simulation- when we plan our action/task by using language to organize your thoughts and action. For example a child mutters while doing her task. Speaking is important to build own understanding.

After the discussion Rashmi asked them to write six points about nature of language and a teacher needs to do in the class as per nature of language (a prescription for teachers according to nature of language)

Following points come up-

- More emphasis should be given to listening and speaking at primary level.
- More opportunities should be given to the learners for independent learning.
- Language games/activities.

Summarization-

- Problem in our approach is – that we don't start with meaning, we start with alphabets. If we start with words we start with meaning. And take away the process to find out the meaning.
- As teacher's come from the same background so there is question of their competency also. They can start speaking small sentences in English.
- Activities to make visual connections- association of words with images.
- When we recognize somebody's face we don't recognize it in parts as eyes, hairs, etc we perceive it as whole face. And remember it as familiar face of a friends. Same is with the words.
- We should start with familiar words of their environment. Children remember the image of word.
- Some word/language activities were suggested by facilitator.
- If child knows the meaning then we don't need to write the meaning for every chapter they can read and write at their own

Muzaffarnagar

Session on First and Second language acquisition

Rashmi asked participants to share objective of using first language acquisition-

Participants shared the following points-

- To express
- To fulfill their needs
- To understand what is being talked about and what is happening
- To be able to do something, etc.

Discussion- Every child learn language even if deaf and dumb then sign language. We are biologically programmed to learn language. There is mechanism in brain helps us to follow the structure of language whether SVO or SOV.

Process of acquiring first language?

- Through experiences and building understanding by connecting experiences with words. Because this language is in the environment.
- If I have to acquire Tamil while living in a Tamilnadu, my objectives of learning Tamil will be same as first language.
- We have to understand whether we are taking English as a subject or English as a language. Objective is to use language.
- Objective of learning second language will not be same as objective of acquiring first language.
- So by learning grammar you cannot learn to use language.
- When you acquire a language you can use it but when you learn a language you can know about the language but you cannot use it.

- If we acquire a language there will be no difficulty in using that language. So our process needs to be changed towards acquiring rather than learning.
- Example- Using technology without knowing language. Technology is acquired effortlessly because it is in the environment.
- In acquiring English language problem is in the process of teaching methodology. English is not tough of different language as generally perceived.

After the discussion reading "Second language acquisition" was given to participants. And discussion was held on consolidation points.

- Affective filter
- Non-threatening environment.
- Silent period to absorb/understand the language
- We don't focus on content when we gave writing to children we only focus on mistakes.
- Teacher's raised questions about using sms language in the examination. It was discussed with the following example-

You my sunshine
U r my sun sign

In which sentences we can that student knows the syntactical order. Which is better content wise?

- Language is not slave of script. Script has limitations. We can write any language in any script.
- We only give emphasis on spellings and their corrections, we forget about expression and use of language and richness of content/text.

Post Lunch - Video of a school part one was shown. Discussion on

~~Co-ordinator~~
Co-ordinator
IQAC, Shri Ram College,
Muzaffarnagar

Chairman
IQAC, Shri Ram College,
Muzaffarnagar

the video- Pallavi drew participant's attention towards the

- Background of school
- Teacher's pronunciation and their raw English
- Context of school- Govt School, rural children.
- Children were following what was being said. Able to make meaning.
- Teachers were using small simple sentences with gestures and expressions.
- They were speaking only in English. We found it easy to translate but in the video no instruction was given in any other language- whether junior or senior class.
- It requires a lot of mental work and effort by teacher.
- Attitude of the teacher is also important

After a fairly long discussion on the video an activity was done involving the participants by Aysha Praveen

A big beautiful drawing of tree was displayed on the board, all the parts were then introduced to the participants orally later the name of the parts written on flash cards were shown and spoken out loudly **with an assumption that we form a picture of a word in our mind and we read a word as a whole instead of reading it letter by letter**, participants then were called one by one to label the parts using those flash cards.

Further to add another layer of meaning making the parts were used in the sentences like -

- Flower turn into fruits.
- Roots remain under the soil.

Then he gave another exercise to use parts of a tree into different sense like -

- ❖ There are thirty leaves in my notebook.
- ❖ How many branches of this institute are there in our country?
- ❖ Cat mews while dogs barks.
- ❖ Your success is the fruit of hard work.
- ❖ What is the root cause of this problem?
- ❖ Lily flower in the month of June.

Thus the activity which seemed initially a primary class activity ended as a **multi grade, multi layered, fun filled** activity.

After this exercise part 2 of school video was shown and Rashmi summarized the discussion by asking- what good pedagogical practices are shown in this video-

- No stress, boredom and punishment- all children were involved in all activities.
- Students were left to learn independently.
- Use of learning aids for purposeful engagement.
- Group work
- Teacher's constant support to students.
- Use of gestures, clues and expressions by teacher.
- Learning was fun, suspense, eagerness.
- Active participation and self-correction of mistakes.
- Children were taken out and outside world was taken into the classroom.
- Affectionate teacher
- Direct approach.

Report on Guest Lecture by Dr. Alok Gupta

Time slot for the guest lecture: 10 am to 1 pm.

Venue: Shri Ram College Auditorium

Date: 16th January 2021

Guest lecture committee, Faculty of Teacher Education organised a Guest Lecture as a part of the Professional Skills course for B.Ed & M.Ed students on Saturday, 16th January 2021. The session was on the topic „How to work effectively in a Team- Improving listening and communication skills“. The guest speaker for the session was Dr. Alok Gupta.

Dr. Alok Gupta is an accomplished Learning Professional and Transformational personality, with nearly 15 years experience in creating and delivering high-impact corporate training programs. The lecture highlighted the importance of listening and communication skills and techniques to improve them, how to work effectively with a team of people, importance of understanding the perceptions and opinions of people we interact with. The session was enriched by many practical and realistic examples. In addition to this, Dr. Alok Gupta shared his personal counselling and corporate training experiences as well to make students understand the importance of developing strong communication skills and soft skills necessary for successful career building. The guest lecture was very interactive. Students found the lecture very interesting and informative.
