## Report on the Documentary Film Production

### “Bihar Ki Badh”

Floods that occur every year in Bihar is a serious problem. Various media organizations and social organizations have been raising their voice on this problem from time to time. Therefore, under the direction of Head of the Department, of Journalism and Mass Communication, students produced a documentary film and broadcast on the topic of "Floods of Bihar" on the Namaskar Bhaarat YouTube channel. The channel is running by the Department of Journalism and Mass Communication of Shri Ram College, Muzaffarnagar for enhancing the media skills of JMC students.

The production process of the documentary film was divided into three stages, the first being pre-production, the second being production and the third being post-production. The film production process started on 2 August 2021 and ended on 6 September 2021.

In the direction of Dr. Ravi Gautam, BJMC IInd year and MJMC IInd year students of Journalism and Mass Communication Department Sharda Singh from Samastipur, Tanuja Gupta from Saran, Vivekanand Jha from Saharsan, Vivek Kumar and Kundan Kumar from Katihar did ground reporting as well as data collection and content writing on the subject was done by Arjuman Fatma from Muzaffarnagar. year student Vibhor Kumar gave the final touch to the documentary with video editing. On the basis of all the collected facts and information, the script writing and voice over work of the documentary film was done by Dr. Ravi Gautam.

### **Objective of Documentary Film Production:-**

- To draw the attention of the system and government towards the serious problem of Bihar.
- To provide training to students on how to express their views on issues of public concern through various mediums of journalism and mass communication.
- To develop skills of research, writing, reporting, cinematography, video editing etc. in students.
- To develop the professional attitude among students

### **Outcomes of Documentary film production practice:-**

- Through the documentary film we did effort to draw the attention of the system and government towards the serious problem of Bihar.
- During the documentary film production process students understood the diversity of writing styles on different mediums of journalism and mass communication and received training in expressing issues related to public concerns in an effective manner.
- Students learned the nuances of research, screenwriting, ground reporting, camera and video editing during the documentary film production process.
- Documentary film production skills were developed among the students.
- During this period, students got to know practically the working culture of media institutions and production.

## **Schedule of Documentary Film Production**

**Work start on 2-August 2021 of Phase I**

### **Pre-Production:-**

"Bihar's Flood" is one of the major problems of Bihar, hence a team was formed for documentary film production in which BJMC students of Shri Ram College studying in the second year who are residents of Bihar were given priority to work on this project.

Altogether, in this team, 5 students were from Bihar and two students were taken from Muzaffarnagar. In which one student was first year student of MJMC. In this first phase in film production process. We together did deep research on the subject and collected facts and data, on the basis of which further action plan of documentary film production, shooting plan was prepared and script writing work was completed.

**Production Work start according the work plan on 22-August 2021 of Phase II**

**Production:-** In this phase of documentary film production, work started according the action plan and shooting plan prepared on the basis of facts and figures obtained in the first phase. During this, based on the videos, facts and figures sent by BAJMC second year student Sharda Singh Saran from Samastipur, Tanuja Gupta from Bihar, Vivek and Kundan Chaurasia from Katihar, Arjuman Fatma from Muzaffarnagar completed the work of content writing and prepared by Ravi Gautam. Presented the written script in his own voice. After this, Vibhor Kumar from MJMC first year completed the process of producing an informative and public awareness documentary film by editing the scenes through his video editing skills. As a result of hard work, mutual cooperation and team spirit, the production team of students working on
