

**SHRI RAM COLLEGE, MUZAFFARNAGAR, (UP)**

AN ISO 9001:2008 COLLEGE

## **Principal's Annual Report**

Session-2021-22

We are pleased in presenting the annual report of Shri Ram College, Muzaffarnagar, documenting its development and the achievement for the year 2021-22. Shri Ram College is the first and the largest college of Shri Ram Group of Colleges. The global pandemic affected every aspect of life including education in the year 2020-21 and some splashes in this year too. In spite of this, college has conducted many events and successful stories. This can be attributed to the dedication, motivation and team spirit of the faculties, staff, students and members of the management.

Shri Ram College, Muzaffarnagar was established in the year 2004 as a self-financed, multi-faculty affiliated college. Apart from the some challenges due to being situated in a comparatively backward border area of the NCR and thus without a level playing-field with regard to national competitiveness, the college jump from earlier NAAC accreditation grade "A" to grade 'A++' on 07-06-2022. All the members (Authority, faculty, staff and students) responsible for its operations. Students and the community deserve all the credit of this achievement under the overall leadership and patronage of Dr S.C. Kulshrestha, the Chairman of Shri Ram Group of Colleges. This year pave the way of establishment of Maa Shakumbhari University, Saharanpur, under the Uttar Pradesh State Universities Act, 2019 & the U.P. State Universities Amendment Bill 2021. It is formed to provide affiliation and monitoring to all the colleges belonging to the three districts Muzaffarnagar, Sharanpur and Shamli. Shri Ram College was permanently affiliated to Ch. Charan Singh University, Meerut but with the establishment of the Maa Shakumbhari University, Saharanpur, first year of

*(Signature)*

every programme migrated under the affiliation of the MSU Saharanpur. Our College was one of the large affiliated colleges of CCS University in reference of number of programmes and number of students now become the largest affiliated college of Maa Shakumbhari University, Saharanpur. Shri Ram College offered total twenty-three programmes in the session 2021-22, out of which, fifteen are UG and eight are PG programmes. There was no student enrollment in one offered PG programme M.Sc (CS) in 2021-22. One new programme B.Sc (Home Science) is also introduced in this session. This year also became the witness of implementation of NEP 2020, which introduces a flexible entry and exit system for undergraduate programs. Students now have the option to enter and exit a degree program at different stages, receiving due recognition for the completed years of study. The National Education Policy 2020 emphasis on flexibility in course choices is a significant step towards creating a more inclusive, adaptable, and student-centric education system. The integration of vocational education, technological advancements and assessment reforms, further contribute to a more holistic and relevant learning experience. With the implementation of NEP-2020 in traditional programmes in this year, students of traditional programmes now stood at par with the professional programmes or even better.

The College has been progressing at a remarkable pace with sustainable growth and spiraling enhancement in quality of education and other operations till the session 2021-22.

The following is the brief report on the major activities performed in Shri Ram College in the session 2021-22

### **1. Strength of Students**

Total number of students studied in the session 2021-22 was 4,607, out of which 4,210 were related to the UG programmes and 417 were in the PG programmes.
