SRC is a part of Shri Ram Group of Colleges, which is the culmination of the dream of one man who had the vision to reform destiny, an eminent educationalist Dr. S.C. Kulshreshtha. He formed 'Shri Ram Charitable Trust, with an aim of promoting quality education at an affordable fees. SRGC is one of the leading educational institute of West UP of India. SRGC has more than 13000 students with great brilliance, academic vigor and competitive spirit. SRGC caters to the knowledge and skill set as per the industry needs and in tune with time. In this regard, college has collaborated with the leading International Institute MIT (US) and ITB, Ireland.

SRGC has built up the world class learning resources which consists of the focused learning space in the form of lecture halls, series of computer centers, digital centralized library, laboratories, residential accommodation in campus for boys and girls, sports facilities, cafeteria, canteen and Wi-Fi campus with 24x7 internet facilities. SRGC is running 9 distinct campuses in Muzaffarnagar, Saharanpur and Bulandshahr districts. SRGC institutions have brilliance and believe in igniting minds, making Independent and learned intellectuals. SRGC has been acclaimed and honoured at various events and occasions with numerous awards which speak volumes about the brilliance that is taught at SRGC.

About the Department

Faculty of Bioscience was established in year 2005 with B.Sc. Biotechnology. In the year 2006, B.Sc. Microbiology was started. In year 2009 M.Sc. Biotechnology and in 2011 M.Sc. Microbiology courses were introduced. Presently Department has 14 well qualified and devoted Faculty Members. The Department has produced university gold medalist and toppers from time to time. For up-gradation of students and faculties, every year we organize educational tours, seminars, guest lectures, workshops and faculty development programs (FDPs). Our research oriented faculty members have published more than 50 research papers in Journals of National and International repute.

What you will Learn:

- ✦ Produce food with high nutritional quality.
- ✦ Work with natural system.
- ✦ Maintain and increase soil fertility.
- ✦ Use renewable resources as far as possible.
- ✦ Avoid Pollution.
- ✦ Wider social and ecological impact of farming system.
- ✦ Allow satisfaction to agriculture producer.

Course Content:

- ✦ Organic Farming: Concepts & Principles of organic farming.
- ✦ Key Indicators of sustainable agriculture, organic farming and climate change.
- ✦ Input Management, Compost Production, Vermicomposting, Compost Quality, Compost Utilization and Marketing.
- ✦ Organic Crop Management: Field Crops, Horticulture and Plantation Crops.
- ✦ Plant Protection Measures, Biopesticides, Natural Predators, Cultural Practice

Eligibility -

The students appearing in BSc (Biotech/ Microbio/ CBZ/ Agriculture) and MSc (Biotech/ Microbio).

Course Duration -

15 Days (Total Credit Hours : 45)
Starting every year in January.

Number of Seats -

2 Batches of 30 Students each.

How to Enroll -

The students have to collect and fill the registration form and submit it to the course co-ordinator. Filing of seats will be on first come first serve basis. The application are invited upto the end of December and course will commence in month of January every year.

SHRI RAM COLLEGE, MUZAFFARNAGAR

Certificate Course on Methods in Organic Farming

Session : 2019-20

*This is to certify that Mr/Ms _____
of _____ has
successfully completed the Forty Five Hours certificate Course on Methods in
Organic Farming conducted by the Faculty of Bio-Science from _____ to
_____.*

Notice

Date- 01-01-2020

This is to inform to all the students that a Certificate Course is offered by the department for limited number of students free of cost. The details of this Certificate Course are as follows:-

- 1- Name of the Course – ORGANIC FARMING
- 2- Duration-10-02-20 to 29-02-20

Interested students can registered their name till 17-01-2020 and submit duly filled application form to **Dr. Ashwini Kumar**

A Certificate will be given after successful completion of the course.

Faculty of Bioscience was established in year 2005 with B.Sc. Biotechnology. In the year 2006, B.Sc. Microbiology was started. In year 2009 M.Sc. Biotechnology and in 2011 M.Sc. Microbiology courses were introduced. Presently Department has 14 well qualified and devoted Faculty Members. The Department has produced university gold medalist and toppers from time to time. For up-gradation of students and faculties, every year we organize educational tours, seminars, guest lectures, workshops and faculty development programs (FDPs). Our research oriented faculty members have published more than 50 research papers in Journals of National and International repute.

What you will Learn:

- ✓ Produce food with high nutritional quality.
- ✓ Work with natural system.
- ✓ Maintain and increase soil fertility.
- ✓ Use renewable resources as far as possible.
- ✓ Avoid Pollution.
- ✓ Wider social and ecological impact of farming system.
- ✓ Allow satisfaction to agriculture producer.

Course Content:

- ◆ Organic Farming: Concepts & Principles of organic farming.
- ◆ Key indicators of sustainable agriculture, organic farming and climate change.
- ◆ Input Management, Compost Production, Vermicomposting, Compost Quality, Compost Utilization and Marketing.
- ◆ Organic Crop Management: Field Crops, Horticulture and Plantation Crops.
- ◆ Plant Protection Measures, Biopesticides, Natural Predators, Cultural Practices

Eligibility -

The students appearing in B.Sc (Biotech/ Microbio/ CBZ/ Agriculture) and MSc (Biotech/ Microbio).

Course Duration -

15 Days (Total Credit Hours: 45)
Starting every year in January.

Number of Seats -

2 Batches of 30 Students each.

How to Enroll -

The students have to collect and fill the registration form and submit it to the course co-ordinator. Filling of seats will be on first come first serve basis. The application are invited upto the end of December and course will commence in month of January every year.

SHRI RAM COLLEGE, MUZAFFARNAGAR

Certificate Course on Methods in Organic Farming

Session : 2017-18

This is to certify that Mr/Ms _____
of _____ has
successfully completed the Fifteen Days certificate Course on Methods in Organic
Farming conducted by the Faculty of Bio-Science from _____ to
_____.

Notice

Date- 14-12-2017

This is to inform to all the students that a Certificate Course is offered by the department for limited number of students free of cost. The details of this Certificate Course are as follows:-

- 1- Name of the Course – **ORGANIC FARMING**
- 2- Duration-10-01-18 to 26-01-18

Interested students can registered their name till 30-12-2017 and submit duly filled application form to **Dr. Ashwini Kumar**

A Certificate will be given after successful completion of the course.

SRGC is a part of Shri Ram Group of Colleges, which is the culmination of the dream of one man who had the vision to reform destiny, an eminent educationalist Dr. S.C. Kulshrestha. He formed 'Shri Ram Charitable Trust', with an aim of promoting quality education at an affordable fees. SRGC is one of the leading educational institute of West UP of India. SRGC has more than 13000 students with great brilliance, academic vigor and competitive spirit. SRGC caters to the knowledge and skill set as per the industry needs and in tune with time. In this regard, college has collaborated with the leading International Institute MIT (US) and ITB, Ireland.

SRGC has built up the world class learning resources which consists of the focused learning space in the form of lecture halls, series of computer centers, digi- centralized library, laboratories, residential accommodation in campus for boys and girls, sports facilities, cafeteria, canteen and Wi-Fi campus with 24x7 Internet facilities. SRGC is running 9 distinct campuses in Muzaffarnagar, Saharanpur and Bulandshahar districts. SRGC institutions have brilliance and believe in igniting minds, making Independent and learned intellectuals. SRGC has been acclaimed and honoured at various events and occasions with numerous awards which speak volumes about the brilliance that is taught at SRGC.

About the Department:

Faculty of Bioscience was established in year 2005 with B.Sc. Biotechnology. In the year 2006, B.Sc. Microbiology was started. In year 2009 M.Sc. Biotechnology and in 2011 M.Sc.
