

Date: 01/09/2017

To,

The Principal,
Shri Ram College,
Muzaffarnagar

Subject: Permission for offering a certificate course on "**PC Hardware & Networking**"

Respected Sir,

Department of Computer Application is offering a certificate course titled "**PC Hardware & Networking**". The purpose of this course is to familiarize the students with the nuances of the Computer Hardware Installation process and about Troubleshooting process.

If a student does not have the basic knowledge of computers, he will not be able to work with it. Keeping the above in mind the Department of Computer Application, Shri Ram College has planned to offer a short-term Course on Computer hardware & networking titled "**PC Hardware & Networking**" for the students belongs to first year of BCA & most of them are not well aware by the component of computer system.

The courses will be fifty hours of coverage and coordinated by Mr. Nitin Tyagi, for further information and registration process.

You are kindly permit us to start about said short term course in the benefit of students.

(Dr. Nishant Kumar Rathi)

Dean, CA

Shri Ram College, Muzaffarnagar.

for Principal
Shri Ram College
Muzaffarnagar

Notice

Department Computer Application (BCA) is offering a short-term course titled "PC Hardware & Networking SRC CA-101". This course is designed for first year students of BCA.

This is a college level certificate course in PC Hardware & Networking, which has a duration of 50 hours, commencing from 11/09/2017. Concerned class teachers are requested to inform the students. The course starts with teaching introduction to the PC Hardware and basics of Networking. It introduces Hardware Installation & Configuration, Software Installation & Configuration, PC Debugging & Network Configuration.

Salient features of the program are –

- ✓ Classes for these courses shall be conducted in the college premises according to pre decided schedule.
- ✓ Course are held after the regular classes; the students get a double advantage of completing their degree and gaining a number of add-on skills for improving their profile.
- ✓ Certificate shall be awarded to all the students who successfully complete the course.
- ✓ college faculty members and experts from institutes shall be engaged in the program.
- ✓ 'Not-for-Profit' model.

Interested students are required to contact to the course coordinator Mr. Nitin Tyagi (Contact No: 8171437318) for further information and registration process.

CC for information:

- The Director, SRC for Information
- HOD, Shri Ram College
- Mr. Nitin Tyagi (Course Coordinator)

Certificate Course in PC Hardware & Networking (SRC-CA 101)

Session: 2017-18

Objective: The Objective of the Course is to acquire basic knowledge in computer hardware and peripherals for installation, PC assembly, trouble shooting and maintenance including system management and its backup, a basic knowledge of TCP/IP networks work group internet.

Introduction to the Course: This is a college level certificate course in PC Hardware & Networking, which has duration of 50 hours. The course starts with teaching introduction to the PC Hardware and basics of Networking. It introduces Hardware Installation & Configuration, Software Installation & Configuration, PC Debugging & Network Configuration. The course teaches the implementation of local area network, troubleshooting of network, the basic of computer system assembling and Troubleshooting.

It is career orienting in nature that opens many job opportunities in various fields.

Learning Outcomes:

The student will able to know the Basic of Computer assembling and trouble shooting. This course will provide the brief knowledge of Computer networking and trouble shooting.

Duration of the Course (in Hours): 50 hrs
Eligibility: Students undergoing BCA or any other undergraduate course with basic knowledge of computer

Outline of Course:

S.NO.	Topic	Minimum # of Hours
1	Introduction to PC Hardware	04+06
2	Hardware installation and configuration	04+06
3	PC debugging, troubleshooting and Maintenance	04+06
4	Software installation and Configuration	04+06

Co-ordinator

Muzaffarnagar

Principal
Shri Ram College
Muzaffarnagar

5	Networking Basic and Configuration	04+06
6	Total Hours (Theory + Practical)	20+30=50

Fees: Free of Cost.

ATTENDANCE POLICY:

Attendance is taken every class session. To appear in the certification exam, each student must ensure a minimum 75% attendance.

GRADING:

At the end of the course, a certificate exam will be conducted by the computer application department. Grades will be provided on the basis of their performance in the exam. You need to make at least a "C" or better in order to pass this course.

Report Summary

on

PC Hardware & Networking (2017-18)

On the second week on September 2017, Department of Computer Application (BCA) started a certificate course titled "PC Hardware & Networking" for Departmental students.

The program was inaugurated by Respected Director Sir of SRC **Dr. R.S. Chauhan**. In his inaugural speech sir talked about the benefits of short-term courses and also said that in current scenario, computers are used in more environments and for more functions than ever before, and their use is only expected to increase.

he inaugurated the course and conveyed her best wishes to all the beneficiaries.

The aim of the Program is to familiarize the students with the component of computer system, how to install hardware's, Software and how to configure them, introduce about the concept of network etc.

It was a certification course of duration 50 hours & divided into two session: theory session and the practical session.

In the end of the course, a certification exam was conducted in the last week of october as per the schedule, to check the effectiveness of the program. Certificates are distributed to the eligible students according to the policy stated before.

All one hundred forty-eight students appeared for the test; all the students passed in the test out of which thirty-five students secured A-Grade showing considerable improvement in skills.

Notice

Department Computer Application (BCA) is offering a short-term course titled "PC Hardware & Networking SRC CA-101". This course is designed for first year students of BCA.

This is a college level certificate course in PC Hardware & Networking, which has a duration of 50 hours, commencing from 10/09/2018. Concerned class teachers are requested to inform the students. The course starts with teaching introduction to the PC Hardware and basics of Networking. It introduces Hardware Installation & Configuration, Software Installation & Configuration, PC Debugging & Network Configuration.

Salient features of the program are –

- ✓ Classes for these courses shall be conducted in the college premises according to pre decided schedule.
- ✓ Course are held after the regular classes; the students get a double advantage of completing their degree and gaining a number of add-on skills for improving their profile.
- ✓ Certificate shall be awarded to all the students who successfully complete the course.
- ✓ college faculty members and experts from institutes shall be engaged in the program.
- ✓ 'Not-for-Profit' model.

Interested students are required to contact to the course coordinator Mr. Nitin Tyagi (Contact No: 8171437318) for further information and registration process.

Certificate Course in PC Hardware & Networking (SRC-CA 101)

Session: 2018-19

Objective: The Objective of the Course is to acquire basic knowledge in computer hardware and peripherals for installation, PC assembly, trouble shooting and maintenance including system management and its backup, a basic knowledge of TCP/IP networks work group & internet.

Introduction to the Course: This is a college level certificate course in PC Hardware & Networking, which has a duration of 50 hours. The course starts with teaching Introduction to the PC Hardware and basics of Networking. It introduces Hardware Installation & Configuration, Software Installation & Configuration, PC Debugging & Network Configuration. The course teaches the implementation of local area network, troubleshooting of network, the basic of computer system assembling and Troubleshooting.

It is career orienting in nature that opens many job opportunities in various fields.

Learning Outcomes:

The student will be able to know the Basic of Computer assembling and trouble shooting. This course will provide the brief knowledge of Computer networking and trouble shooting.

Duration of the Course (in Hours): 50 hrs
Eligibility: Students undergoing BCA or any other undergraduate course with basic knowledge of computer.

Outline of Course:

S.NO.	Topic	Minimum # of Hours
1	Introduction to PC Hardware	04+06
2	Hardware installation and configuration	04+06
3	PC debugging, troubleshooting and Maintenance	04+06
4	Software installation and Configuration	04+06

Department of Computer Application

Report Summary

on

PC Hardware & Networking (2019-20)

On the second week on September 2019, Department of Computer Application (BCA) started a certificate course titled "PC Hardware & Networking" for Departmental students.

The program was inaugurated by Respected Director Sir of SRC **Dr. Aditya Gautam**. Sir communicates about the benefits of getting hardware and network skills. In order to be competitive for career opportunities, a lack of understanding about how a computer works is not an option.

He inaugurated the course and conveyed her best wishes to all the Participants.

The aim of the Program is to familiarize the students with the component of computer system, how to install hardware's, Software and how to configure them, introduce about the concept of network etc.

It was a certification course of duration 50 hours & divided into two sessions: theory session and the practical session.

In the end of the course, a certification exam was conducted in the mid of October as per the schedule, to check the effectiveness of the program. Certificates are distributed to the eligible students according to the policy stated before.

One hundred six students enrolled for the course; ninety nine students passed in the test out of which only eight students secured A-Grade showing considerable improvement in skills.
