

INTRODUCTION

Remedial Classes

Remedial classes are supposed to improve students specifically in subjects that they haven't done well in. The term is most often used to describe courses given to students who are not prepared for regular work. College students often have to take remedial classes before they can begin actual university level examination specially those who are from different streams to understand basics of subjects which they are not aware of and create study habits.

Characteristics of Learning among Pupils with Learning Difficulties

Pupils under IRTP usually have one or more than one of the following learning difficulties:

- Poor memory
- Short attention span and are easily distracted by other things
- Relatively poor comprehensive power
- Lack of learning motivation
- Lack of self-confidence and relatively low self-expectation
- Weak ~~in~~ poor solving power
- Fail to grasp information effectively and mix things up easily
- Have difficulty in understanding new concepts
- Need more time to complete assignments or tasks

Objectives of Remedial Teaching

- Each pupil is different in terms of learning ability, academic standards, classroom learning and academic performance and each has his own in learning. The aim of remedial is adapting college curriculum and teaching strategies, teachers can provide learning activities and practical experiences to students according to their abilities and needs.

- Throughout the teaching process, teachers should provide systematic training to develop pupils generic skills, including interpersonal relationship, communication problem solving, self-learning, independent thinking, creativity and the use of Information technology.

Principles of helping pupils with learning difficulties

- Teaching preparation
- Devise various learning activities
- Design meaningful learning situation
- Teaching approaches
- Provide clear instructions
- Summarize the main points
- Enhance learning interest and motivation
- Encourage pupils active participation
- Focus on learning process
- Show concern for the performances of individual pupils

Conclusion and Implications

The effects of college remediation on credit accumulation, persistence and graduation are of great interest to college administration, policy-makers and students. Students who took the remedial writing courses also received higher grades in their college level writing courses and helpful in preparing students for examinations.
