MIT (USA) - SRGC Joint Research Project on Municipal Waste Management in Muzaffarnagar City

Memorandum of Understanding

Memorandum of Understanding

Between

Massachusetts Institute of Technology, Cambridge, USA (The First Party)

And

Shri Ram Group of Colleges, Muzaffarnagar, (UP), INDIA (The Second Party)

This Memorandum of Understanding (MOU) sets for the terms and understanding between Massachusetts Institute of Technology (MIT), Cambridge, USA and Shri Ram Group of Colleges (SRGC), Muzaffarnagar, (UP), INDIA for Tata Waste Systems Project (2015 – 2017).

Management of waste in an environmentally sustainable manner is a challenging task. Rapid economic growth is leading to urbanization and industrialization generating waste which is adversely affecting the environment. Converting the wastes into some useful product seems to be of utmost importance for the economically, socially and environmentally sustenance.

Therefore, this MOU will be serving the following Goals:

- Enable Muzaffarnagar's transition into a model for the productive management of municipal & industrial waste.
- Create the tools to guide effective design of waste value chains for any Indian context. Demonstrate methods (technologies and operational strategies) to value addition to waste in India.
- Create a living laboratory for waste systems improvement in Muzaffarnagar city.

The above goals will be accomplished by undertaking the following Specific activities:

SRGC Side:

SRGC will establish a team comprising of faculty members and students from Bio Sciences, Engineering and Management. First of all, SRGC team will identify the study wards in Muzaffarnagar city and bulk generators with the discussion with MIT team. SRGC team will collect the baseline data for study wards as well as for large generators. Baseline data will be comprising of households demographic and waste audit data. School awareness program will be initiated in some of the selected schools by SRGC team with the discussion with MIT team. SRGC team will start source segregation and composting at SRGC campus. Initial bulk generator and ward level experiments will be done by SRGC team. The viability of biogas or other food waste to energy will be checked by SRGC team with the consultation of MIT team.

MIT Side:

MIT team will help in identifying the test wards in Muzaffarnagar city and bulk generators. The complete segregation guide along with waste audit data sheet and demographic questionnaire will be

provided by MIT team. MIT team with the SRGC team will analyze the baseline data collected by SRGC team. MIT team then will develop an analytical model of system costs and performance. The flow of waste in the city will be analyzed. Small scale installation plan of waste to energy technology like bio gas or other food waste to energy will be provided by MIT team. Specific implementation strategies will also be explored and selected.

Communication:

- i. MIT and SRGC team; through Skype call in every two weeks.
- ii. MIT(USA) team shall be visiting SRGC (India) in the fall and summer every year.

Reporting:

MIT Principal Investigators: Prof. Randolph Kirchain and Prof. Jeremy Gregory

SRGC Principal Investigators: Dr. Ashwani Kumar and Dr. M. Asif

Funding:

Required Fund will be made available by TATA Centre for Technology & Design, through Massachusetts Institute of Technology, Cambridge, USA (The First Party) for purchasing the instruments, consumables/non-consumables items and manpower on demand by Shri Ram Group of Colleges, Muzaffarnagar (The Second Party). The initial budgetary allocation for the Project is \$(US) 24000 for project operation in India by SRGC.

Duration:

This MOU shall become effective upon signature by the authorized officials from the Massachusetts Institute of Technology, Cambridge, USA and Shri Ram Group of Colleges, Muzaffarnagar. It will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from SRGC and MIT, this MOU shall end with the completion of project i.e. upto March 2017. The period may be extended further with mutual consent.

MEMORANDUM OF UNDERSTANDING AMONG
TAISEI KOUGYOU CO., LTD.
THE MUNICIPALITY OF MUZAFFARNAGAR,
AND
SRI RAM COLLEGE
ON

THE VERIFICATION SURVEY WITH THE PRIVATE SECTOR FOR
DISSEMINATING JAPANESE TECHNOLOGIES IN INDIA

PREAMBLE

Taisei Kougyou Co., Ltd. (hereinafter referred to as "TAISEI"), the Municipal Board of Muzaffarnagar (hereinafter referred to as the "MUNICIPALITY") and Sri Ram College, Muzaffarnagar (hereinafter referred to as "SRC") and to enter into an agreement for the purpose of implementation of the Verification Survey with the Private Sector for Disseminating Japanese Technologies for "Taigart Technology for Environmentally Friendly Toilets" in India (hereinafter referred to as the "Survey"). The parties share a common view and have confirmed their intended collaboration to implement the Survey.

Article 1: BACKGROUND

TAISEI has been contracted by the Japan International Cooperation Agency (hereinafter referred to as "JICA") to implement the abovementioned Survey. To carry this out as smoothly as possible, it has solicited the cooperation of the MUNICIPALITY (Counterpart). Construction of a pilot installation for the Survey will take place on the SRC campus in Muzaffarnagar, with operation, maintenance, and monitoring activities to be carried out afterwards. Accordingly, the MUNICIPALITY seeks to sign an MOU with SRC to facilitate the local coordination of, and activities related to, the Survey's implementation.

Article 2: IMPLEMENTATION PERIOD

The Survey will be implemented over the following period: June 2018 – February 2021.

Article 3: PURPOSE

The purpose of this MOU is to have a common understanding regarding the roles of each party in the effective implementation of the Survey.

Article 4: THE PRODUCT

JICA will own the materials, equipment, and their incidental facilities prepared by the Survey Team for the purpose of implementing the Survey (hereinafter referred to as the "Product") and reserve its ownership throughout the implementation period. After the completion of the Survey, based on the result, ownership of the Product will be donated over and transferred to the MUNICIPALITY, which will consider how the Product will be handled going forward in light of its installation location at SRC.

Article 5: ROLES OF PARTIES AND CONDITIONS

A) TAISEI

1. Collaborate with the MUNICIPALITY and SRC in assuring the successful implementation of the Survey throughout the implementation period.
2. Develop a detailed design and execution plan for the Product installation works.
3. Install the Product with close cooperation or collaboration from the MUNICIPALITY and SRC.

- 8. Collaborate with the MUNICIPALITY and SRC to examine the feasibility of a school toilet model.
- 9. Collaborate with the MUNICIPALITY and SRC to confirm business development risks and regulations.

B) The MUNICIPALITY

- 1. Cooperate with TAISEI and SRC in assuring the successful implementation of the Survey throughout the implementation period without any financial implications.

C) SRC

- 1. Cooperate with TAISEI and the MUNICIPALITY in assuring the successful implementation of the Survey throughout the implementation period.
- 2. Ensure proper and effective operation and maintenance of the Product.
- 3. Provide TAISEI and its Survey Team with reasonable support, including the following, as requested throughout the implementation period in cooperation with other organizations concerned in India at its own expense:
 - (1) Select and assign project members from SRC staff to the Survey.
 - (2) Provide statistical information, maps, photographs, and other data related to the Survey.
 - (3) Carry out public relations and utilize the project site as a showcase for dissemination of the Product.
 - (4) Participate in local seminars and workshops and provide venues for these.
 - (5) SRC shall bear the costs incurred for the activities below:
 - a) Water and electricity expenses for existing toilets
 - b) Costs for data acquisition activities
 - c) Personnel expenses and other costs relating to maintenance activities
 - d) Construction activities and costs for the replacement of existing pipes arising from the installation of the Product

pendency of the contract. No claims shall be entertained for any increase in material rates to 10% from prevailing rates at the time of awarding the contract.

- 2.2 Any variation in quantities of material consumed within (+/-)10% shall not be paid / deducted and the contractor shall be paid as per quantities given in the agreement.
- 2.3 All applicable taxes including work contracts tax and income tax at prevailing rates applicable shall be deducted at source while making payments.
- 2.4 The agreed lump sum price as above is based on the priced BOQ arrived in the abstract on the basis of the quantities accepted by the Contractor.

4. Payment Schedule:

- 50% of the Contract Amount (JPY 545,577) shall be paid to the Contractor prior to commencement of Phase 1 construction work.
- 50% of the Contract Amount (JPY 545,577) shall be paid to the Contractor, on completion to Employer's satisfaction, and acceptance by the Employer, of all Phase 1 construction work.

5. Payment Terms:

- All payments made to the Contractor shall be subject to the applicable tax deduction at source.
- Invoices submitted by the Contractor shall be checked and verified by the Employer for approval and payment.

6. Defects Liability Period:

All the works carried out by the Contractor shall be guaranteed for a defect-free state of function for minimum period of 12 months from the date of handing over to the Employer. In the event of any defect in the workmanship, materials, etc. noticed during the above period, the Contractor shall be notified. The Contractor shall attend to such defects within 7 days from the date of notification and rectify all defects at its own cost. If the defects are not attended to in the stipulated time, the Employer shall rectify the same from any other agency appointed by the Employer, at the Contractor's risk and responsibility. The cost thereof shall be borne by the Contractor.

7. Risk and Responsibility

7.1 Contractor's Care of the Works,

The Contractor shall take full responsibility for the care of the works from the contract commencement date until the date of the Employer's notification of the completion of the works. The Contractor shall also be solely responsible for the physical security of materials during the storage at the site. Any loss or damage to materials lying at site caused by theft, riots, weather, accident, fire, rain, flood, etc. shall be entirely to the Contractor's account and the Contractor shall make good the value of such loss to the Employer. The Contractor at its own cost will take all necessary steps to ensure protection of material lying at site and appropriate storage spaces, etc. Responsibility for the works shall pass to the Employer at the time of taking over when he notifies the Contractor that the works have been completed.

7.2 Force Majeure

If the performance of the agreement by either party is delayed, hindered or prevented or is otherwise frustrated by reason of force majeure, which shall mean war, civil commotion, fire, flood, action by a government or any event beyond the reasonable control of the party affected, then the party so affected shall promptly notify the other party in writing specifying the nature of the force majeure and of the anticipated delay in the performance of the agreement. From the date of that notification the Employer may, at its discretion, either terminate the agreement or suspend the performance of it.

If the Employer fails to pay in accordance with the Contract or is, despite a written complaint, in breach of the Contract, the Contractor may suspend the execution of all or parts of the works if the default is not remedied within 15 days after the Employer's receipt of this notice.

14. Insurance

14.1 The Contractor shall, prior to commencing the works, effect and thereafter maintain insurances in the joint names of the Employer and Contractor:

- a) for loss and damage to the works, materials, plant, and the Contractor's equipment,
- b) for liability of both parties for loss, damage, death or injury to third parties or their property arising out of the Contractor's performance of the contract, including the Contractor's liability for damage to the Employer's property other than the works, and
- c) for liability of both parties and of any Employer's representative for death or injury to the Contractor personnel except to the extent that liability arises from the negligence of the Employer, or Employer's representative or the employees.

14.2 Arrangements

The Contractor shall provide the Employer with evidence that any required policy is in force and that the premiums have been paid.

All payments received from insurers relating to loss or damage to the works shall be held jointly by the two parties and used for the repair of the loss or damage or as compensation for loss or damage that is not to be repaired.

14.3 Failure to Insure

If the Contractor fails to effect or keep in force any of the insurances referred to above, or fails to provide satisfactory evidence, the Employer may effect insurance for cover relevant to such default and pay the premiums due and recover the same as a deduction from any other monies due to the Contractor.

Terms of Reference

The scope of works covered under this contract shall be for the construction of a Wastewater Treatment Plant based on TAFGARD technology as per the drawings provided by the Employer. It shall be the Contractor's responsibility to ensure the completion of the project to the entire satisfaction of the Employer.

The scope under this contract shall include the following:

- Mobilization and site preparation.
- Timely execution of construction activities on the ground for the second of two phases as per the detailed construction schedule (see Appendix 1), maintaining the quality and safety standards as agreed upon.
- Oversight of manpower details, construction activity, and storage of raw materials at site.
- Preparation and sharing of structural drawings, piping and instrumentation diagrams, and other drawings as required.
- Internal plumbing installations as per drawings and agreed Bill of Quantities (BOQ) (see the Contractor's quotation attached as Appendix 2).
- Demobilization, and clearing of all temporary works and facilities after completion of the works.
- Coordination with Development Alternatives (DA) / the Society for Technology and Action for Rural Advancement (TARA) (hereinafter the "Employer's Local Representative") for all day-to-day requirements.
- Coordination with the Employer's team for better understanding and execution of drawings sent by the Employer.
- Photographic updates of construction activities not exceeding 2 days.
- Notification to the Employer as soon as possible of any deviation from the construction schedule.
- Maintenance and provision of records to the Employer for construction activities and raw material consumption.

The Contractor must be fully equipped with all medical kit in case of emergency during the time of construction activities.

2. Performance Supervision and Inspection

The Employer's Local Representative is tasked with supervising the construction works under the direction of the Employer and facilitating all communications between the Employer and the Contractor to ensure the timely completion of the contracted works. Inspections of the works, materials, etc. to ensure this completion will be promptly arranged by the Contractor on request by the Employer's Local Representative.

Contract Value

The total estimated value of this contract has been finalized based on the material as per the BOQ, drawings and labor requirements shared by the Employer with the Contractor and the subsequent quotation shared by the Contractor. The total cost of construction inclusive of all taxes and contractor fees (hereinafter the "Contract Amount") is: JPY 1,152,867

- 2.1 The rates quoted by the Contractor and agreed as per this work order cum contract are deemed to be inclusive of all taxes, duties, levies, octroi, royalties, work contract tax, sales tax, etc., and variations in the price shall not be allowed on revision of taxes/ duties / levies or any statutory revision. No claims shall be entertained for any increase in taxes and duties during the pendency of the contract. No claims shall be entertained for any increase in material rates up to 10% from prevailing rates at the time of awarding the contract.
- 2.2 Any variation in quantities of material consumed within (+/-) 10% shall not be paid / deducted, and the contractor shall be paid as per quantities given in the agreement.
- 2.3 All applicable taxes including work contracts tax and income tax at prevailing rates applicable shall be deducted at source while making payments.
- 2.4 The agreed lump sum price as above is based on the priced BOQ arrived in the abstract on the basis of the quantities accepted by the Contractor.

4. Payment Schedule:

- 50% of the Contract Amount (JPY 576,434) shall be paid to the Contractor prior to the commencement of Phase 2 construction work.
- 50% of the Contract Amount (JPY 576,433) shall be paid to the Contractor, on completion to the Employer's satisfaction, and acceptance by the Employer, of all Phase 2 construction work.

5. Payment Terms:

- All payments made to the Contractor shall be subject to the applicable tax deduction at source.
- Invoices submitted by the Contractor shall be checked and verified by the Employer for approval and payment.

6. Defects Liability Period:

All the works carried out by the Contractor shall be guaranteed for a defect-free state of function for a minimum period of 12 months from the date of handing over to the Employer. In the event of any defects in the workmanship, materials, etc. noticed during the above period, the Contractor shall be notified. The Contractor shall attend to such defects within 7 days from the date of notification and rectify all the defects at its own cost. If the defects are not attended to in the stipulated time, the Employer shall rectify the same from any other agency appointed by the Employer, at the Contractor's risk and responsibility. The cost thereof shall be borne by the Contractor.

7. Risk and Responsibility

7.1 Contractor's Care of the Works

The Contractor shall take full responsibility for the care of the works from the contract commencement date until the date of the Employer's notification of the completion of the works. The Contractor shall also be solely responsible for the physical security of materials during the storage at the site. Any loss or damage to materials lying at site caused by theft, riots, weather, accident, fire, rain, flood, etc. will be entirely to the Contractor's account and the Contractor shall make good the value of such loss to the Employer. The Contractor at its own cost will take all necessary steps to ensure protections of material lying at site and appropriate storage spaces, etc. Responsibility for the works shall pass to the Employer at the time of taking over when he notifies the Contractor that the works have been completed.

7.2 Force Majeure

If the performance of the agreement by either party is delayed, hindered or prevented or is otherwise frustrated by reason of force majeure, which shall mean war, civil commotion, fire, flood, action by any government or any event beyond the reasonable control of the party affected, then the party so affected shall promptly notify the other party in writing specifying the nature of the force majeure and of the anticipated delay in the performance of the agreement. From the date of that notification the Employer may, at its discretion, either terminate the agreement forthwith or suspend the performance of the agreement. The Contractor shall submit all accounts which should state the amount claimed, taking into account all payments received and incurred or committed by the Contractor.

8. Quality Assurance

8.1 The Contractor is expected to perform work of high standard and quality. It shall perform quality checks as per standard engineering practice and as per documents issued to it from time to time. The necessary copies of quality testing certificates for the materials used by the Contractor shall be made available to the Employer during visits, or to the Employer's Local Representative on request.

8.2 In case the works carried out by the Contractor are found to be of unacceptable quality to the Employer, the Contractor shall dismantle such defective works and carry out quality work to the entire satisfaction of the Employer without affecting the contract price or contract time.

9. Site Facilities

9.1 The Contractor shall make its own arrangements, at its own cost, for electricity and telephone connections.

9.2 Drinking water shall be made available by the Contractor at its own cost. The Contractor must make its own arrangements for water and fuel requirements during the construction and post-construction stages.

10. Programme and Reports:

The Contractor shall submit the following reports on a weekly basis unless otherwise instructed by the Employer:

- a. Programme for completion of entire works in the stipulated time period (completion schedule) together with time and progress chart duly signed.
- b. Programme for forthcoming weeks, along with anticipated bottlenecks in executions, insufficient information to proceed with works.
- c. Reports for regular testing of materials used in the construction works
- d. Any other reports that may be necessary to monitor the project progress, to be decided by the Employer.

11. Resolution of Disputes

If any doubts should arise on items not established in this contract or on the interpretation of any of this contract's clauses, both parties shall in good faith attempt to satisfactorily resolve these through amical discussions.

12. Law and Jurisdiction

12.1 This contract shall be governed by and construed in accordance with Indian Law.

12.2 Subject to the provisions of this contract, this agreement shall be subject to the jurisdiction of courts at Delhi or New Delhi only.

13. Default and Suspension of Works

13.1 Default by Contractor

If the Contractor abandons the works, fails to comply with a valid instruction of the Employer, or is otherwise in breach of the Contract within 15 days after receipt of a written complaint by the Employer, the Employer may appoint a new contractor or make alternative arrangements to carry out and complete the leftover work at the cost and risk of the original Contractor.

13.2 Default by Employer

If the Employer fails to pay in accordance with the Contract or is, despite a written complaint, in breach of the Contract, the Contractor may suspend the execution of all or parts of the works if the default is not remedied within 15 days after the Employer's receipt of this notice.

14. Insurance

14.1 The Contractor shall, prior to commencing the works, effect and thereafter maintain insurances in the joint names of the Employer and Contractor:

- a) for loss and damage to the works, materials, plant, and the Contractor's equipment,
- b) for liability of both parties for loss, damage, death or injury to third parties or their property arising out of the Contractor's performance of the contract, including the Contractor's liability for damage to the Employer's property other than the works, and
- c) For liability of both parties and of any Employer's representative for death or injury to the Contractor's personnel except to the extent that liability arises from the negligence of the Employer, any Employer's representative or the employees.

14.2 Arrangements

The Contractor shall provide the Employer with evidence that any required policy is in force and that the premiums have been paid.

All payments received from insurers relating to loss or damage to the works shall be held jointly by the two parties and used for the repair of the loss or damage or as compensation for loss or damage that is not to be repaired.

14.3 Failure to Insure

If the Contractor fails to effect or keep in force any of the insurances referred to above, or fails to provide satisfactory evidence, the Employer may effect insurance for cover relevant to such default and pay the premiums due and recover the same as a deduction from any other monies due to the Contractor.

16. Variations and Suspension of Works

- 16.1 Variations
The Employer may instruct variations to the works. These shall be valued at rates in the contract, or at appropriate new rates, as may be agreed between the two parties.
- 16.2 Suspension of Works
The Employer reserves the right to suspend the works and the Contractor shall comply with all instructions given by the Employer regarding the suspension of all or part of the works.

17. Termination of Agreement:

This agreement can be terminated by either party by giving the other party one-month notice in writing. The Employer reserves the right to terminate the agreement if it finds that the Contractor is not performing as per the agreement. In the event of the agreement being terminated prior to its due expiry date in this way, the Contractor shall be compensated on a prorata basis for no more than the actual amount of work performed to the satisfaction of the Employer. Any excess payment resulting in the hands of the resource organization would be returned to the Employer.

18. Confidentiality:
