Report on Workshop on "Entrepreneurship and Professionalism"

Date: 12-12-2017

One day workshop was organized by the Department of Computer Application for BCA II Yr, BCA III Yr and M.Sc (CS) students in auditorium of Shri Ram College on December 02, 2017. The objective of this workshop was to impart knowledge about entrepreneurship skills and tips for professionalism to the students. Around Fifty eight students participated in this workshop.

This workshop was conducted by Mr. Dinesh Beniwal and Mr. Naveen Sharma, Senior Enterprise Architect, HCL Technologies. The workshop started with introduction and covered the following aspects in two sessions:

- Entrepreneurship
- Professionalism

In the first session, Mr. Dinesh Beniwal discussed about the Entrepreneurship skills which are essential to become an entrepreneur. He emphasized on the goals of Entrepreneurship and provided tips to achieve those goals. He discussed some examples of great entrepreneurs worldwide and their background stories which inspired the participants. He motivated the students with encouraging words - Lots of opportunities available to become an entrepreneur in INDIA.

In the second session, Mr. Naveen Sharma discussed about the Professionalism. Mr. Sharma has also given definition "Professionalism is the conduct, behaviour and attitude of someone in a work or business environment". He also said that a person doesn't have to work in a specific profession to demonstrate the important qualities and characteristics of a professional. Professionalism leads to workplace success, a strong professional reputation and a high level of work ethic and excellence."

The workshop came to an end with the vote of thanks by the Dr. Nishant Kumar Rathi, Dean, Dept. of Computer Application.
