## Awareness Programme on Patent Procedures and Documentation with Action for Sustainable Efficacious Development and Awareness, Rishikesh

### Report

Shri Ram College, Muzaffarnagar organized a programme on Awareness on Patent Procedures and Documentation with ASEA, Rishikesh on 09/09/2019 at SRC Auditorium. The Coordinator of the event was Dr Sourabh Jain, Deptt of Bio Science, SRC. Dr. Ashutosh Gautam, resource person of ASEA, Rishikesh and Dr Alok Gupta from Shri Ram Engineering college were the key speakers.

#### **Objective of the event:**

The programme broadly covered different procedures and documents relevant to Patent filing in Indian Patent Office. It was highlighted that patents are a techno-legal document which provide the details of new, non-obvious, and industrially applicable inventions made. A patent application is a request made at a patent office for the grant of patent for an invention made described in the patent specification. It is the combination of document and its processing in the legal and administrative framework of the patent office. The event enabled the learner to file a provisional patent application without the help of a Patent Agent.

#### **Main themes covered:**

1. Documents required for Patent registration
2. Application form for the grant of patent in India (Form 1)
3. Provisional or complete specification of Patent (Form 2)
4. Drawings
5. Abstract and relevant information
6. Information and undertaking (Form 3).
7. The Priority document
8. Declaration of inventor-ship(Form 5).
9. Power of attorney, if filled a patent through Patent Agent
10. Fees of the Patent registration
