### Report on Webinar on Emerging Technology Trends in Digital India

Date: 11.05.2020

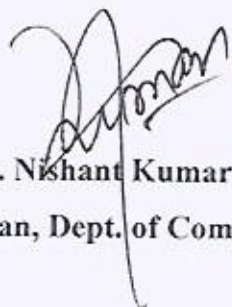

Department of Computer Application organized a webinar on Emerging Technology Trends in Digital India on May 08, 2020. Around 200 Faculty members and students from various colleges had attended the programme. Due to pandemic this programme was organized using online platform Zoom App at 11:00 am. During the inaugural session Dr. Nishant Kumar Rathi, Dean, Computer Application welcomed the participants and he has highlighted the importance of the Webinar and latest Technologies in India. Mr. Shubham Kumar, Code Development Centre, Noida and Mr. Nitin Pandit, TutorialsLink was the keynote speaker of the session.

This webinar was conducted into two sessions of 40 minutes each. Mr. Shubham Kumar conducted the first session and emphasized on the latest technologies which are beneficial in the process of Digital India.

The second session was conducted by Mr. Nitin Pandit where he emphasized on the practical aspects of emerging technologies.

The question answer round was conducted after each session where participants queried their doubts with the speakers.

This webinar was appreciated by the participants and turned out to be a great success. Certificates were given to the participants through email. The webinar came to an end with the vote of thanks by the Mrs. Neetu Singh, Asst. Professor, Deptt. of Computer Application.
