

To,  
The principal,  
Shri Ram College,  
Muzaffarnagar.

Date: 07/09/2016

Subject: Permission for offering workshop (one day) on IPR (Intellectual Property Rights).

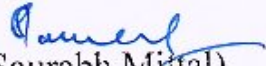

Dear Sir,

Intellectual property (IP) is a right which refers to an exclusive ownership on varieties of intangible assets, such as designs, discoveries, inventions, etc. recognized under the Intellectual Property Rights (IPR) law.

Students must have the basic knowledge of Intellectual Property Rights and its protection through patents, Trademarks, Copyrights etc. Keeping the above in mind the Department of Business Administration, Shri Ram College has planned to offer a workshop on IPR titled "Intellectual Property Rights & Industry". The purpose of this workshop is to familiarize the students with the nuances of the IPR.

The workshop is scheduled on 17th September 2016 & will be coordinated by Dr. Pankaj Kaushik, Assistant Professor, Business Administration.

Kindly permit us to organize the said workshop in the interest of students.

  
(Dr Saurabh Mittal)

## Workshop on Intellectual Property Rights & Industry

### A Report

A workshop on Intellectual Property Rights & Industry was organized by the Department of Business Administration, Shri Ram College, Muzaffarnagar on 17th September 2016.

Dr.R.S. Chauhan, Director SRC, inaugurated the session and also explained the importance and need of conducting such types of events.

The workshop was conducted by resource person Dr Alok Gupta & Dr. Himanshu Verma was event coordinator.

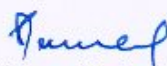

The workshop began with examples of small things like patents for plastic bottle design, sharpener design, the technology behind lighter and numerous more examples. The speaker further explained types of patents i.e., design patents and utility patents.

The speaker elucidated on important concerns like how to discover if your idea is new or not. The only way is to search the literature, products of rival and prior companies and one can also use Google patent search, according to the speaker.

He answered questions like what exactly is a patent and what happens after you have filled it. He informed the audience that there are various help platforms available to file a patent. For instance, if you want to file a patent in India, there are number of websites providing complete information of necessary steps should be taken by the applier.

He stated that the whole beauty is that you have shared your idea and that the need is not to hide but to share. Only this will lead to innovation. The speaker cleared several myths and misconceptions related to patents and told that to file a patent in India one can visit [www.ipindia.nic.in](http://www.ipindia.nic.in) to get information on patents. Total 67 students and staff members participated in the event.

The Vote of Thanks was proposed by Dr. Saurabh Mittal, Head of Department, Business Administration.
