Workshop on AGRI-ENTREPRENEURSHIP

A Report

A workshop on AGRI-ENTREPRENEURSHIP was organised by the Department of Agriculture on October 13, 2018 in the college auditorium.

The workshop was coordinated by Dr. Bushra Aquil & 79 participants from various departments of Shri Ram College attended the workshop.

Workshop was inaugurated by lighting up of the lamp by Principal Dr. R.S. Chauhan, Dr. R.S. Saxena, Former HOD, Botany, Meerut college Meerut and HOD, Agriculture Department, SRC Dr. Nayeem Ali.

Dr. R.S. Saxena, was the resource person of the workshop and started his speech by giving a brief introduction on importance & need of Agri-Entrepreneurship for help farmers in optimizing the production and improving their livelihood.

The speaker elucidated that, Agri-entrepreneurship in common language can be defined as sustainable, community-oriented, directly-marketed agriculture. Sustainable agriculture refers a system-oriented approach to farming that put emphasis on the interrelationships of social, economic, and environmental processes.

He further added that the association of agriculture and business promotes Agri-entrepreneurs who innovate, identify markets, and satisfy needs by developing different ways.

He justifies himself by putting some result of researches that shows that the agricultural sector is comparably more effective in reducing poverty as any other sector. Food prices reduce for poor people by increased crop productivity resultant decreased poverty.

Before ending his speech speaker said that Agri-entrepreneurship has the prospect of social and economic development, for example, employment generation, poverty reduction, improvements in nutrition, health and overall food security in the national economy especially in rural areas. In the face of growing unemployment and poverty in rural areas, there is urgency of entrepreneurship in agriculture for more productivity and profitability.

The Vote of Thanks was proposed by Dr. Nayeem Ali, Head of Department, Agriculture Department, SRC.
