Workshop on "Introduction to IPR and its Importance" A Report

A one day interactive workshop on "Introduction to IPR and its Importance" was organized by Department of Computer Application, SRC on 31st October, 2015 in the institute Auditorium. Dr.Aditya Gautam, Professor Department of Business Administration was invited as a resource person for conducting the workshop. Dr. Aditya Gautam is an academician of repute having more than 20 years of experience in academics and research. Fifty-fives tudents and staff members participated in the event.

Workshop was inaugurated by lighting up of the lamp by Principal Dr. D.S Rawat, Dr. Aditya Gautam and Dean, Computer Application.

Dr. Aditya Gautam, focused on 'Intellectual Property and its significance, various aspects of Intellectual Property Rights, its role in the present era. He also briefed about Patents, Patent Rights, trademarks, industrial designs, copyrights. He focused on the procedure for applying patents and the time bound it takes.

He concluded the talk by giving the importance of patent in industry. A patent is important because it can help safeguard your invention. It can protect any product, design or process that meets certain specifications according to its originality, practicality, suitability, and utility.

The sessions were very interactive. Student and faculty had asked many questions to resource person to gain knowledge about untouched field of IPRs.

The Vote of Thanks was proposed by Dr. Nishant Kumar Rathi.
