Shri Ram College, Muzaffarnagar

Super Resource Center

Established at

Shri Ram Group of Colleges by Indian Institute of Technology, Bombay

Indian Institute of Technology Bombay, the second IIT to be set up in 1958, is recognized worldwide as a leader in the field of engineering education and research. The Institute has 15 academic departments, 31 centres, two schools and four Interdisciplinary programmes. Over the last six decades, more than 57,500 engineers and scientists have graduated from the Institute. It is served by more than 680 faculty members considered not only amongst the best within the country, but are also highly recognized in the world for achievements in the field of education and research. The Institute is recognized as one of the top centres of academic excellence in the country. Over the years, there has been dynamic and rapid progress at IIT Bombay in both academic and research activities, with a parallel improvement in facilities and infrastructure to match with the best institutions in the world.

IIT Bombay has decided to make Shri Ram Group of Colleges, Muzaffarnagar as a Super Resource Center. The main objective of this super resource center to offer the training program to all the students in the college. **This training program is a part of the National Mission of Education trough ICT, MHRD, Govt. of India, to spread IT Literacy all over India.** This offering an award winning MOOCs, the Audio-Video teaching tools, Spoken Tutorial, which is used to teach a variety of software.

This program supports the students to enhance the knowledge in the Basic Computer Skills, programming and Scripting Software and specialized IT tools. The course and the training will be offered free of cost to all institutions both Government and Private. 206 students of BCA and M.Sc. (CS) of Shri Ram College participated in this program. Students were enrolled for Computer Basic Course, programming languages like C, C++, Java, and Python through college. After completion the course students awarded by certificates.
