Summary report of awareness on Water Conservation with HIMADRI

Shri Ram College, Muzaffarnagar and Himalayan Management and Development Resource Institute (HIMADRI), Rishikesh (Uttarakhand) jointly organized a campaign on water conservation at Reshu Vihar, Muzaffarnagar. The main objective of this campaign was to make people aware about saving water and importance of the water in our life. During the campaign approximately 200 pamphlets were distributed among the citizens of Muzaffarnagar. Teachers and students of Shri Ram College, as volunteers, also administered a pledge to all the people participated in this event to save water. Everyone heartily appreciated this work done by Shri Ram College.
