Training & Placement Cell

Report on

“Preparation for Civil Services (IAS/PCS), SSC, and other Competitive Exams (GK/GS Section)”

Training & Placement cell organized an activity on “Preparation for Civil Services (IAS/PCS), SSC, and other Competitive Exams (GK/GS Section)” 28/01/2019 to 13/02/2019 at 03:00 PM to 05:00 PM for the final year students to prepare GK/GS portion for civil services SSC and different competitive examinations conducted by Central Government, State Government.

Objective of the Training:

General Knowledge/General Studies is one of the most common part used in the hiring process to enter either private sector or government sector. They are not a test of only current GK but also test the past and static GK; instead they assess your level of competency when working with social responsibilities and welfare of society. Although they may seem daunting, especially if you are not someone with an affinity for GK, there is plenty you can do to make sure that you perform well on these tests. Thus the objective of the training was to provide the basic knowledge required and demonstrating the understanding how one need to solve problems based on general knowledge while managing the time and without being stressed.

Number of students who participated:

Total 92 final year students of Dept. of Computer Application, Basic Science, Commerce, Business Administration, Teacher Education, and Journalism & Mass Communication participated in the event.

About the program:

The preparation of GK/GS portion has become almost mandatory and important part for the student's selection as almost all the government, semi-government, private sector companies consider it as an important step to test the problem solving skill during the hiring process. Keeping it in mind, the T&P Cell of SRC organized a training session for the students. The resource person for training was Mr. Shrikant Singh, Assistant Professor in SRC, Mr. Sandeep Kumar, GS educator in Paramount Coaching Centre, Ghaziabad, and Ms. Lavi Khurana, GK educator in Success Weaver Academy, Meerut. These all expert provided platform packed full of tests, tips, articles and videos which he shared with the students. All the content presented by them was drawn from decades of experience in the field of GK. The content which covered during the session as follows:

- Current events of national and international importance
- History of India and Indian National Movement
- Indian and World Geography
- Indian Polity and Governance
- Economic and Social Development
- General issues on Environmental ecology, Bio-diversity and Climate Change (Covers only general awareness of the issues, no subject specialization required)
- General Science

However, with the right practice and preparation there's no reason one can't ace any test. Below are ten top tips given by the speaker to help one prepare for numerical arithmetic test in the most effective way:

- Practice as much as possible
- Make a study schedule
- Use your preparation time effectively
- Practice like it's the real thing
- Get used to the time restriction
- Familiarize yourself with common questions
- Research the test
- Know the position you're applying for
- Incorporate numerical reasoning into your daily life

- Practice past tests
- Find new way to learn
- Don't forget the basics

This was a good interaction session. So many queries were raised by the students related to different shortcut tricks; time management, stress management etc. and the entire expert gave satisfactory answers and cleared all doubts of the students. On the spot practice problems were given to the students to solve, just to make them familiar with the different mind bobbling situations.
