Action taken report on Stakeholders' Feedback

The Feedback Analysis Report 2016-17 was sent to the Management Committee. It was observed by the Management that the feedback process of the college is exhaustive and has also been done with the utmost care. The feedback form/ questionnaire is also will design. The Management has given certain observations about the curriculum and education system for which actions taken are illustrated in following table.

S.N.	Observations of Feedback	Action Taken
1.	The employers feel that students are weak in ability to manage leadership qualities, Innovativeness and creativity, developing practical solution to work place problems, Creative in response to workplace challenges and Planning and organization skill.	The observations made by the employers have been taken into consideration some of them were also pointed out in the last year feedback but score has improved a bit this year. HoDs have been informed through a separate notice that they should organize more and more events on development of creativity and leadership qualities. HoDs have also been instructed to seek opportunity to sign MoUs with industries and NGOs.
2.	The alumni feel there are weak points in syllabus regarding syllabus helpful in knowledge/cognitive development and syllabus suitability from the point of view of social accommodation/ adjustment.	A letter has been sent to the university informing them regarding syllabus offering more opportunities for collective deliberations and syllabus suitability from the point of view of social accommodation/ adjustment.
3.	Although Faculty's feedback is on a higher side but still, they give a poor opinion about "faculty members given enough freedom to give ideas on the curriculum development".	Letter has been sent to university suggesting them that the ideas and opinion should be invited from the faculty members while setting up the syllabus.

4.	The students feel there are weak points in syllabus regarding Depth of the Course, Content including project work is sufficient as per the need of Industry and Curriculum is containing learning value in terms of Knowledge & Concepts manual skills analytical abilities and Broadening perspectives.	The suggestions have been sent to the university by the IQAC regarding the Depth of the Course and Content including project work as per the need of Industry, Curriculum is containing learning value in terms of Knowledge & Concepts, manual skills, analytical abilities and Broadening perspectives, Extent of Coverage of course as per course objectives and Course content is relevant with additional source material.
