Action taken report on Stakeholders' Feedback

The Feedback Analysis Report 2017-18 was sent to the Management Committee. It was observed by the Management that the feedback process of the college is exhaustive and has also been done with the utmost care. The feedback form/ questionnaire is also will design. The Management has given certain observations about the curriculum and education system for which actions taken are illustrated in following table.

S.N.	Observations of Feedback	Action Taken
1.	The employers feel that students are weak in Developing practical solution to work place problems, Innovativeness and creativity, General communication skills, Creative in response to workplace challenges and Planning and organization skill.	The observations made by the employers have been taken into consideration some of them were also pointed out in the last year feedback for which we made efforts and improvement was observed in those variables. This Year employers have also pointed out weakness in general communication skills, The HoDs have been asked to conduct more programs on for improvement in the communication skills.
2.	Although Alumni's feedback is on a higher side but still, they gave a poor opinion about the syllabus is helpful in knowledge/cognitive development, syllabus is helpful in moral development and syllabus is helpful in developing national coordination.	Coordinator, IQAC has written a letter to the university informing about the feedback given by alumni and requesting them to incorporate the suggestion.
3.	Although Faculty's feedback is on a higher side but still, they give a poor opinion about "faculty members given enough freedom to give ideas on the curriculum development".	A letter has been sent to university by IQAC suggesting them that the ideas and opinions can be invited from the faculty members also while setting up the syllabus.

4.	The students feel there are weak points in syllabus regarding Depth of the Course, Content including project work is sufficient as per the need of Industry, Syllabus is applicable/relevant to real life situations and Syllabi address the course objectives of various courses.	A letter has been sent to university informing them about the relevant points of feedback given by students.
