Action taken report on Stakeholders' Feedback

The feedback analysis report 2019-20 was sent to the Management Committee. The observations made by the Management indicate that feedback process of the college was robust and foolproof and has been conducted with the utmost care. The feedback form/questionnaire is also well designed. The Management Committee has given some observations about the feedbacks on curriculum and education system. The Action Taken Report is given as follows:

S.N.	Observations of Feedback	Action Taken
1.	The employers feel that students are weak in Developing practical solution to work place problems, Ability to manage leadership qualities and Innovativeness and creativity.	1. The observations made by the employers have been taken into consideration some of the observations were also pointed out in the last year's feedback and we made efforts for improvement which were seen in those variables. This Year employers have also pointed out weakness in general communication skills, the HoDs have been asked to conduct more programs on developing practical skills for solutions to work place problems. 2. The Coordinator, IQAC has already informed the affiliating university through a letter about the feedbacks given by alumni, faculty and students.
2.	Although Alumni's feedback is on a higher side but still, they give a poor opinion about syllabus suitable from the point of view of social accommodation/adjustment and syllabus helpful in knowledge/cognitive development.	
3.	Although Faculty's feedback is on a higher side but still, they give a poor opinion about faculty members given enough freedom to give ideas on the curriculum development.	

4.	<p>The students feel there are weak points in syllabus regarding syllabus is applicable/relevant to real life situations and extent of coverage of course is applicable as per course objectives.</p>	<p>The university has been requested to incorporate the suggestions given by these stakeholders.</p> <ul style="list-style-type: none"> a. The Alumni has opined that syllabus should be suitable from the point of view of social accommodation/adjustment and syllabus should be designed so as to be helpful in knowledge/ cognitive development. b. Faculty members have shown concern that they should be given enough chance to give ideas on the curriculum development. c. Students feel that syllabus should be applicable/relevant to real life situations and extent of coverage of course should be more applicable as per course objectives.
