Employers' Feedback

Employers are important stakeholders for an educational institution who provide final placement to the graduating students. They give opportunity to the talent of college to flourish in a real-life situation on-the-job work. Therefore, employers' feedback is very-very important that helps us knowing about the students' quality and scope to develop their personalities.

Shri Ram College, Muzaffarnagar conducts a feedback from the employers every year to know their opinion on curricula and the college. The feedback form consists of 12 items covering various aspects of students' personalities and syllabi of the course. The opinion is given through 5-point Likert scale where the scale is divided into five points from 5 to 1. (5 denotes satisfied, 4 denotes partially satisfied, 3 denotes neutral, 2 denotes partially dissatisfied and 1 denotes dissatisfied).

In the year 2015-16 the employers were asked to give their opinion on 12 different aspects assigning each item a score from 5 to 1. After analyzing the entire feedback received from the employers' average scores were calculated.

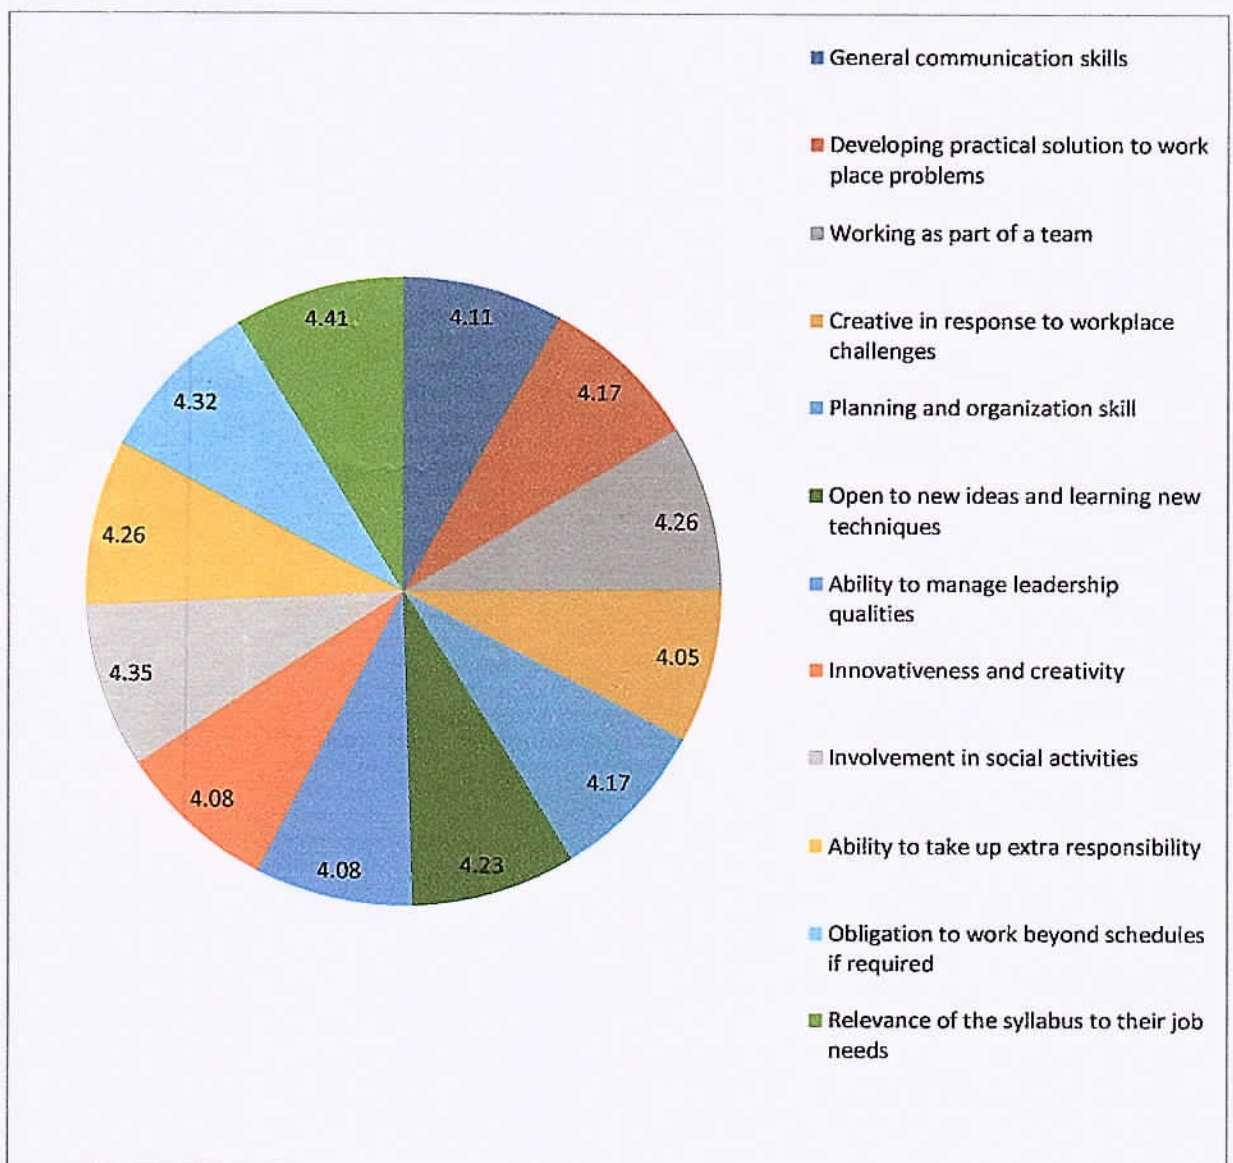

Following bar chart presents a summary of feedback (in percentage) for each item from the employers and the average scores are given in the next table and pie chart.

Feedback from Faculty

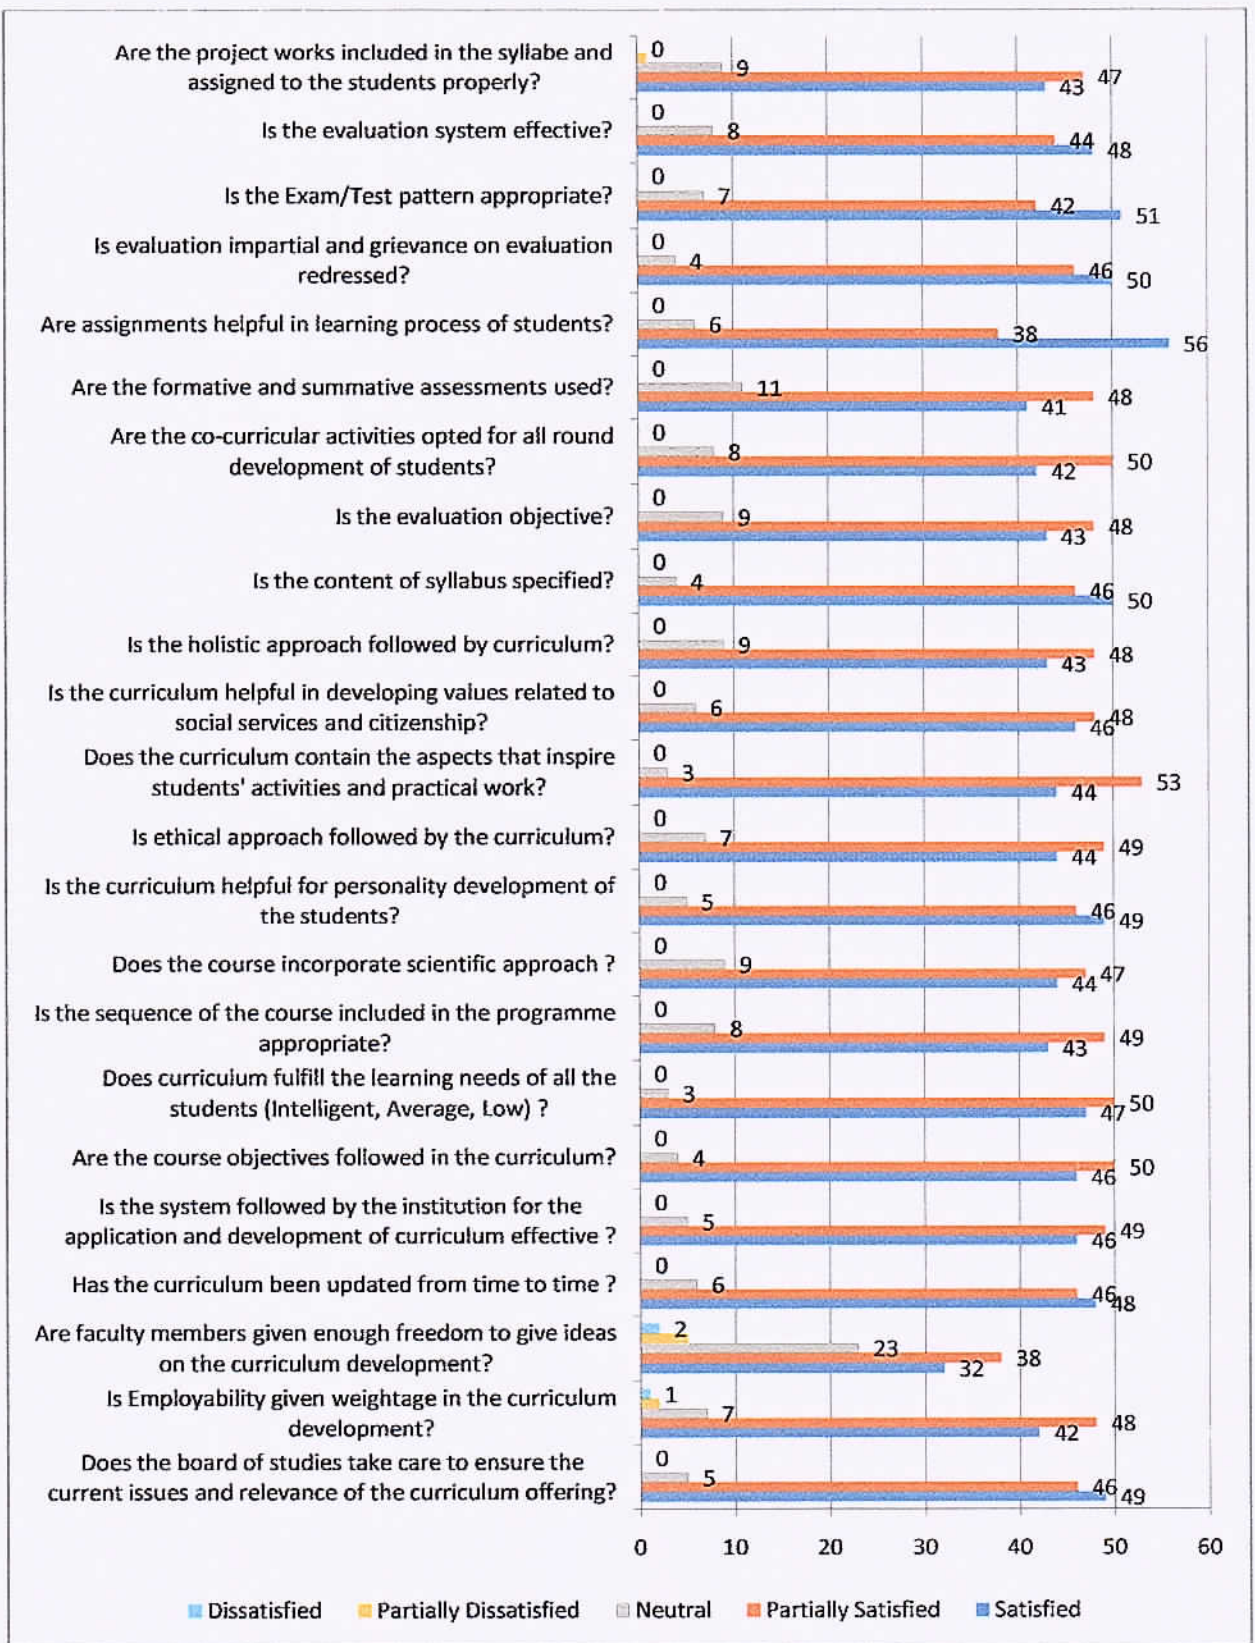

Teachers are the backbone of an educational institution as their relationship with student is direct and they are their real guardians within the campus and guides and mentors beyond the campus. They are the medium through which the curriculum is delivered to the students. Therefore, they become the most important stakeholders of college and their feedback is bit more valuable than that of other stakeholders.

Shri Ram College, Muzaffarnagar conducts faculty feedback every year to know their opinion about the Curriculum and Evaluation. The feedback form consists of 23 items covering various aspects. The opinion is given through 5-point Likert scale where the scale is divided into five points from 5 to 1. (5 denotes satisfied, 4 denotes partially satisfied, 3 denotes neutral, 2 denotes partially dissatisfied and 1 denotes dissatisfied)

The respondents are asked to give their opinion on 23 different aspects giving each item a score from 1 to 5 as per the table given below which presents the feedback of teachers on the Curriculum and Evaluation and their average score are given to each item of the feedback.
