

Indian Industries Association
&
Shri Ram Group of Colleges
joint initiative to established a

Centre for Innovation

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

INDIAN INDUSTRIES ASSOCIATION (IIA)

And

SHRI RAM GROUP OF COLLEGES (SRGC), MUZAFFARNAGAR

Preamble

SRGC has taken initiative to bridge the gap between Institutions and industries in order to provide an environment to the students to give shape to their innovative ideas at SRGC and thus become an Entrepreneur. In this regard IIA and SRGC entered into MOU to establish a centre as IIA - SRGC Centre of Innovation at SRGC. IIA (Indian Industries Association) is an apex body of Micro, Small and Medium Enterprises in the service of MSME Since 1985. IIA is endeavoring to inculcate a culture of Entrepreneurship among the people of nation and Shri Ram Group of Colleges is moving forward to produce more entrepreneurs from its place.

Objectives of the MOU

The objectives of the MOU are:

- Enhancement of capability at our Centre's end.
- Testing & Implementation at Institute level First: Establishment of Testing Centre/ Labs.
- Establishment of an Ideal Incubation Centre
- Bridging the gap of Institutes and Industries.
- Creation and Promotion of technology,
- Project Formation,
- Encouraging the Entrepreneurial spirit,
- Research and Development

Specific Activities includes:

IIA Side

- Submission of Industrial problems to the steering Committee
- Mentoring and industry testing
- Industry giving the project will be contributing a token sum of Rs. 50,000/- to the Innovation Fund initially.

- Any Further funds requirement may be requested from the Industry depending upon preliminary reports.
- Arrange Industrial visits for students of SRGC

SRGC Side

- Documentation and then presentation of individual projects initially in an abstract form stating details about Investment, Required Equipments, Sources, Innovative Aspects & Feasibility.
- Equipment purchased in the centre may be used for testing in Institute depending upon preliminary reports.
- Survey for existing techniques and market trend.
- Preparation of project report
- Execution of identified project at SRGC innovation centre and labs.
