9.No. of IQAC meetings held during the year 9

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**

- If No, please upload the minutes of the meeting(s) and Action Taken Report **No File Uploaded**

10.Whether IQAC received funding from any of the funding agency to support its activities during the year? Yes

- If yes, mention the amount **35000**

11.Significant contributions made by IQAC during the current year (maximum five bullets)

IQAC has taken initiative in the development and establishment of quality benchmark for various academic & administrative activities of the college; various committees are restructured as per the requirement. 41 various committees are working in the college and IQAC discuss with all committee coordinators about the progress of working time to time. IQAC has been initiated the system and the processes for achieving a level of targeted Quality. All the HoDs are members of the IQAC and they have implemented and monitor the proposed processes within their departments to maintain the level of desired quality and strives to continuously improve them.

Interacting meetings held with coordinators of various committees to improve academic as well as research activities and chalking out the schedule of curricular and co-curricular activities coordinating with various committees of the college.

Five new MoU were signed in this year for developing teaching learning process and training program. Some old MoU are renewed. College is continuous working with all previously associated organisations.10 guest lectures, 03 value added courses, 04 projects, many internship/training and many social activities conducted under these collaborations/MoUs. Faculty and students exchanged for sharing of knowledge with our collaborative institutions as IIMT Saharanpur, CHS Khurja Bulandshahar, S D College,Muzaffarnagar and Govt (PG) college, Deoband for the quality enhancements of teaching/research activity. More than 20 guest lectures conducted during the year. Many programs related to

improving soft skills and life skills of faculty and students organised.

M.Sc.in Agronomy and M.Sc.in Soil science, 02 programs introduced this year with the initiative of IQAC but MSc Soil Science program could not run due to less admission in this program. Some Audits conducted by internal and external agency/ team members as AAA, Financial audit, Green audit, Energy audit, Environment audit etc. Students satisfaction survey conducted. Suggestions from all members were considered to improve the quality of working. IQAC emphasized to coordinate between all stake holders of the college. Healthy bonding among teaching and non-teaching staff by providing necessary facilities to them. Appreciation awards and cash benefits was provided to all good performers by the recommendations of IQAC.

IQAC motivate to all faculty members, students and staff to involve in innovative works. College contributed directly to the development of the rural sector through NSS, Unnat bharat abhiyan and Rovers-Rangers. College conducted various awareness program/extension activities for saving natural resources, cleanliness program, plantation program in some villages to foster a new dialogue within the larger community on science, society and the environment and to develop a sense of dignity and collective destiny. Monitoring for effective working assured through digital system/ERP. Startup work is in progress with routine. Research and development cell is actively working. Management provide support for research projects and encourage research publication. Financial support provided for attending short term course/conferences/seminars/workshops, for professional membership and for publication/presentation of research papers. Three faculty development program and two PDP were organised, 03 workshop on Entrepreneurship Development, 03 workshop/seminar on IPR and patents, 03 on research methodology were conducted during the year. Two national and one international conference conducted during the year. Feedback from all stake holders on curriculum conducted timely in end of may 2024 and online feedback was performed from students.

College has implemented Outcome Based Education (OBE) in its teaching practices and some value added/ certificate courses conducted for skill development of the students. Outcomes are evaluated at each and every step and the corrective actions are taken to fill these gaps. IQAC members visit each department once a semester to review the course files of all subjects and other relevant documents. For a clear understanding of the Outcome Based Education, the college has implemented ERP software through which all monitoring system are carried out. Innovation and entrepreneurship are critical drivers of economic growth and

societal development. By nurturing an entrepreneurial spirit, we empower our students to shape a better future through their innovative ideas and solutions.

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
To introduce new PG programme	M.Sc. Agronomy and M.Sc. Soil science introduced in this session
FDP/PDP/Conferences/Seminars/Workshops/Training programs/ Guest lectures/Orientation/Induction Programs/Webinar to be organized	Three faculty development program and two PDP were organised, 03 workshop on Entrepreneurship Development, 03 workshop/seminar on IPR and patents, 03 on research methodology were conducted during the year. Three national and one international conference conducted during the year. More than 20 guest lectures were conducted. 03 training programs for teaching staff and four training programs for non-teaching staff on various module of ERP were conducted.
Emphasize on conducting certificate courses to fulfill the requirement of industry	Some certificate courses are already part of Curriculum of B.Sc. and B.Com. as per NEP-2020 guidelines and some new certificate courses conducted with the collaboration of our associates as Personality Development with IIMT Saharanpur, Improving Interview Skills with IIA Muzaffarnagar, Awareness on environment with HIMADRI Rishikesh etc. 11 certificate courses are introduced by many departments at college level.
Monitoring of working and coordination among various	41 various committees are working in the college and IQAC

committees	discuss with all committee coordinators about the progress of working time to time. IQAC has been initiated the system and the processes for achieving a level of targeted Quality.
Representation in various state level or district level committees of Government/NGO	The college is a member of 2 state level committee related to NEP-2020 guidelines up-gradation and is member in 1 state level committee of NAAC. The college is member in 2 regional level committee and is member in 2 district level committee of UP government or District administration.
AQAR preparation and uploading on NAAC portal	AQAR prepared and uploaded on NAAC portal timely
Feedback based quality improvement programs and activities	IQAC focus on the report of feedback committee after analyzing the feedback from various stakeholders like students, parents, employers and alumni members. IQAC ensures the implementation of the recommendation with immediate effect for quality improvement. IQAC support the Training and placement Cell which organized various activities related to placement for students as PDP, career counselling and preparation of competitive examinations etc.
Various audit for maintaining and improving quality	Academic administrative audit, financial audit, energy audit, environmental audit, green audit, ISO etc conducted by Internal and external committees
Development of Infrastructure and facility	On the recommendation of IQAC, Management built a new building/block for students and poly house for agriculture

	department
More collaborations and collaborative activities for quality improvement	Four new MoU were signed in this year for developing teaching learning process and training program. Some old MoU are renewed. College is continuous working with all previously associated organisations. 10 guest lectures, 03 value added courses, 04 projects, many internship/training and 16 social activities conducted under these collaborations/MoUs. Faculty and students exchanged for sharing of knowledge.
Focus on patents registration and grant.	15 patents are registered and granted by the faculty members during the year

13. Whether the AQAR was placed before statutory body? Yes

14. Whether institutional data submitted to AISHE	
Year	Date of Submission
2022-23	15/02/2024
15. Multidisciplinary / interdisciplinary	
The college is working as a multidisciplinary college including UG and PG program from the Arts, Science, Commerce, Management,	

Education, Agriculture stream and vocational studies. College offers various Add-on/certificate courses to meet the demand of industry and students are encouraged to opt for these courses for their ability Enhancement and Skill Enhancement. These courses are being run by interdisciplinary department in the college. We look forward to further breaking down the silos of disciplines to inculcate holistic education for our students to make them better prepared for real life Challenges which are seldom met by uni-dimensional solutions. Our college is unique in terms of our understanding of curriculum and holistic learning. In most of the program, Elective courses are offered to the students as per NEP-2020 guidelines. The College offers multidisciplinary and interdisciplinary courses to the students of B.Sc and B.Com program, allowing them to choose their subjects and courses from different areas. The science and commerce program includes three major courses, one minor, one open electives and one skill course that students can choose from based on their interests. The students have the liberty of choosing open electives from other programmes to discover their interests during their learning journey, and this would enable them to forge their own path. Students can choose any online course from Government online platform as NPTEL, Swayam etc for skill development. This gives students the chance to claim a variety of skills, both technical and practical. In this regard, One program was organized to orient faculty and staff. Further, the admission process was streamlined with respect to the NEP. Open electives offered the students to get the opportunity to explore subjects outside their primary area of study, enhancing their intellectual versatility. This not only enriches their academic experience but also equips them with a more comprehensive and adaptable knowledge base.

16.Academic bank of credits (ABC):

Academic bank of credits (ABC) is a good initiative of government for maintaining the data base of students and this will enable student mobility across higher education institutions in India and will also enable a seamless integration of skills and experiences into a Credit based system. The ABC platform will allow students to register with a Unique ABC ID, an interactive dashboard, and the option to begin a choice-based credit transfer mechanism. It is mandatory for all students studying in the institution, regardless of their course. In this regard, college has notified that all students must mandatorily create an ABC ID. The college faculty guided the students for it and provides the facility of computer system with internet. Most of the students have been registered on ABC portal. .The college is involved in

managing the faculty and checking the credits earned by the students during their learning journey. The college follows the bylaws of NEP 2020 and offers students the opportunity to open their accounts and make multiple entries and exits during their higher education tenure. This actively works towards decreasing the drop-off rate, and when students do discontinue their course, they can readily return to ensure its completion. This is proposed by the management after analyzing the rules of NEP, The ethos at our college involves creating the most favourable environment for a student to thrive and build character, which helps in the creation of professionals with the best technical and emotional intelligence. 25 add-on / certificate courses are offered to students as per the demand of society or industry for the benefits of students.

17.Skill development:

A world where students don't just learn; they explore, evolve, and transcend the realms of conventional education. Since our inception, we have been transforming the landscape of higher education, one innovative step at a time. Our focus on skill development has been at the core of this transformation, enabling students to excel in the society. Skill Development is an inseparable component of education. In order to make the students ready for the job market and build their core competencies to face real-life challenges they must have the required knowledge, skills, and abilities both professionally and life skills. The College with a massive frame organizes events and programmes to foster a sense of teamwork, inventiveness, inquisitiveness, reliability, assertiveness, and sympathy in faculty and students. The college is in talks with prominent organizations that work in the domain of skilling the students and continuously strives to create a skilling ecosystem. All of this lays a strong foundation for future academic and career success. Under the guidance of IQAC, some departments have conducted 3 FDPs , 2 PDP and 5 training programs to upgrade the knowledge of faculty and develop the skills necessary to perform effectively. 11 value added/ certificate courses are being offered by the college to students by almost all departments. The college has taken the initiative to conduct seminars, workshops, and guest lectures to sensitize the students and develop their leadership qualities, communication skills, creativity, professionalism, and so on. Students and teachers alike are encouraged to upscale their skill sets by engaging in research programmes. There are many extra curricular and co-curricular activities that are set up with the sole purpose of teaching students directly and indirectly. In

addition to professional development, steps have been taken to set up welfare programmes for both teaching and non-teaching staff. These programmes aim to improve their efficiency, social standing, health, and economic and non-economic advancement. The overall auditing of the assessment procedure and the evaluation of staff and students ensure that College is a constantly evolving organization.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college faculties are teaching mostly in English and Hindi languages. As per the guidelines of affiliated university, It is allowed to attempt the examination paper in the English language as well as in Hindi. Some papers are in curriculum as Indian tradition, culture and society ;environment and ecology; soft skills; environmental sciences , entrepreneurship development ; human values etc. The College always promoted the use of Indian language, culture and value system. Many events are organized to improve language and communication skills of the students. The College conducted many activities on commemorable days. Various initiatives by cultural committee like Hindi Diwas, Hindi dramatics, Indian Culture and Society, aim at inculcating a sense of pride and respect towards one's motherland. There are multiple events being organised like Diwali Mela, Holi celebration, Eid Milan, Onam celebration etc for promoting respect for Indian culture amongst the students. Bilingual teaching perspectives from Indian knowledge system are adopted. Students are also encouraged to participate and represent the college in events of such nature that enhance integration of Indian Knowledge systems organised by other colleges and institutions. The study of Indian Languages contributes to the greater cause of unearthing the ancient Indian knowledge and converging its outcomes with the modern requirements leading to prosperity of the society and nation at large. Study of indigenous languages not only leads to the prosperity of the nation but also makes the individual person culturally rooted and betters his/her expressiveness. Progress is made in one's own language (the mother tongue), as it is the foundation of all progress. Without the knowledge of the mother tongue, there is no cure for the pain of heart. Various kinds of knowledge like arts and schools of thoughts and others which are infinite, should be taken from all countries, but be propagated in one's mother tongue.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The OBE is student-centered teaching learning approach which

orients the entire educational system for the learners to successfully do at the end of their learning experiences in any course/ program. The term "outcome" is the core concept in OBE and sometimes used interchangeably with the terms competency, standards, benchmarks, and attainment of targets. The desirable outcomes at the end of any course (subject) or educational program are in the form of Knowledge, Skills and Attitudes. The College is bound to follow the curriculum of Maa Shakumbhari University Saharanpur which have introduced the Learning Outcome based Curriculum Framework which focuses on defining the goals and objectives of every course being offered to the students. With numerous choices being available to students in the CBCS it becomes vital to layout the objectives of the course and what the student is going to learn by the end of this course, this enables the student to make informed career choices by selecting the courses which are aligned to the students' career objectives. Hence, the college gives outcome-based education (OBE) to the students and focuses on performance-based education under NEP 2020. This is an attempt to measure educational efficiency using outcomes rather than inputs like the amount of time students spend in class. The students are given an orientation on the offered courses and course content/layout. The college offers an education that is student- oriented by developing or redesigning the curriculum, selecting instructional resources, implementing teaching techniques, and conducting evaluations. skills to think, content to process, and teacher instruction to student demonstration. Some important aspects of outcome-based education courses are defined with defined objectives, with each semester taking a multidisciplinary approach. Each programme is defined as a specialisation or discipline degree, and it includes co-curricular and extra-curricular activities that help students reach predetermined goals and earn a degree. For example, an M.Sc. in biotechnology or microbiology Program outcomes (POs) are therefore what students are expected to be able to do by the time they graduate. PO's are expected to be in line with graduate attributes. Program Educational Objectives are made based on what graduates are expected to do and accomplish in their careers, especially in the first few years after they graduate. So, program specific outcomes (PSOs) are made for each programme. Attainment of programme outcomes are also being monitored by the concerned authority in the college. Finally, Outcome-Based Education Graduate Attributes

1. Problem analysis: identify, develop, investigate literature, and analyse current problems to obtain justified findings utilizing general scientific and humanities ideas.
2. Develop solutions for natural sciences and humanities challenges that fit the defined

demands while considering public health and safety, cultural, socioeconomic, and environmental factors. 3. Investigate societal issues that can't be solved by studying contemporary computing tools. 4. The graduate and society: use context-informed reasoning to evaluate society, health, and practice. 5. Environment and sustainability: understand how solutions affect society and the environment and exhibit an understanding of the need for sustainable development. 6. Ethics: Follow professional ethics and practice norms. 7. Individual and team work: Work well alone and in varied teams and interdisciplinary environments. 8. Communication: Understand and produce good reports on complicated activities with the general sciences, the humanities, and society at large. They present themselves well and can give and receive directions. 9. Project management and finance: Use science and management ideas to manage projects and work in diverse teams. Lifelong learning: recognize new ideas and lifelong learning in the broadest context of technological development.

20.Distance education/online education:

The college offers regular degree courses and do not offer distance education/online related degree programme. Online education are being provided to students for their courses by the expert faculty members. Online teaching and learning make students more responsible for their own education. ICT helps students get ready by letting them explore, assess, share, and present information in a fairly organised way. Modern learners are good with technology, so using ICT in their everyday learning makes them feel and look good. Students are encouraged to learn without going to physical classes by using mobile apps like whatsapp, PPT, websites, videos, value- added courses, skill development courses, etc. Using ICT to teach and learn is part of the education system today. ICT-based education helps, improves, and uses information delivery in the best way possible. The Faculty created E-Content, which can be accessed not just by our own students but also globally. Faculty lectures are made available through Youtube and notes are provided through google classroom for the benefit of students. The College library also subscribes to INFLIBNET, DELNET, e books which provide unparalleled access to innumerable resources at the click of a button. Textbooks, reference books, research journals, and a lot of supplementary reading materials can be accessed very easily. The classrooms have LCD screens and Wi-Fi, which makes it easy for teachers to upload their lessons and materials and encourages them to do so. This helps online classes and learning go

smoothly.

Part B	
CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
College prepares its own Academic Calendar based on the University Academic Calendar and department make their plan of action accordingly. In the end of session, academic committee monitors the progress report of all the proposed events and conducted events. College has a course file system wherein lecture plans, student's performance, course coverage status, assignments; test papers are maintained by the concerned individual faculty. The Dean Academics./HoDs inspected these files time to time and report to Principal/Director. Report (MDPR) is also submitted to Dean Academics which contains the detail of number of lectures delivered and course coverage status. The reasons for deviation, if any, are mentioned by subject teacher. Practical, assignment, project, field work, dissertation along with industrial visits and study tours are conducted to support the curriculum. Academic	

reviews and feedbacks on curriculum delivery are collected from stakeholders which are compiled and analyzed by a duly constituted committee feedback committee. Suggestions to the Principal or IQAC Coordinator for quality enhancement may be given through the suggestion box, which is outside the IQAC and some main places where any of the stakeholders may drop suggestions. Faculty class coordinators and mentors are also available for the help of students.

Link for Additional information	http://srcmzn.com/IQAC_2023-24-1.1.1.aspx

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The academic calendar is prepared in the beginning of academic session by the Academic committee which includes the proposed dates of internal and external theory and practical examinations and it is notified to the students and staff. Department plan their activities related of co-curricular, extracurricular, community, cultural and sports etc. Sessional examination, University Examinations, evaluation is based on the affiliating university Calendar. College has made number of provisions for continuous assessment and internal evaluation, which may be through conducting home assignments, tutorials, presentation, unit test, sessional examination depending on the departments as per the university curriculum for the concerned program. A duly constituted Examination Committee work on the assessment process for internal and external examination and evaluation. All faculty members maintain a format/record of student's performance. The Gap Analysis is done to find the root cause for poor performer and actions are planned accordingly. The action will vary for each subject i.e., schedule the improvement and remedial classes, Special Assignment, Continuous Assessment, etc.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

College offers 15UG and 11PG program affiliated to the university and 20 certificate courses are also being run based on industry requirement. Some program already include many courses which are related to issue such as civic sense and responsibility, gender issues, environment and sustainability Professional Ethics, Human Values, Environment and Sustainability into the Curriculum. For examples- a) Gender Issues: Gender Sensitization program are conducted for awareness of gender equity and mutual respect among the genders; b) Environmental Issues: Issues related to climate change and environmental education and foundation courses on EVS is in almost all the disciplines and also some part is in the syllabi of B.Ed., B.Sc. Agriculture & MJMC; c) Human Values: Human value paper is in the curriculum of B.Ed., M.Ed., B.Sc , B.Com, B.Sc. (Ag). d) Sensitization: Sensitization for Human Rights is also addressed by events of group discussions, essay competitions etc; e) Professional Ethics: In B.Com, M.Com and M.Ed. program, Professional ethics are integral part of curriculum. The curriculum of UG/PG programs inculcates Human Values and Professional Ethics in students. Apart from these, NSS, Rover/Ranger, ICC, cultural, Sports committees of the college actively conducted activities on these topics and address cross-

cutting issues at community level.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The mentors/ faculty class coordinators are assigned to all students who analyze their result and classroom performance on regular basis as continuous internal evaluation and categorize students in Slow Learners and Advanced Learners.

Programs for advanced learners – Teachers organize class seminars/presentation and give an opportunity to their students to make digital presentations and oral presentation related with their subject. The coaching of Competitive exam preparation and career counseling is also being provided by the college. They are introduced to use recent advanced techniques of knowledge management, such as e-Content, e-Book and e-Library etc. They are encouraged to take part in Conferences, workshops, and seminars to gain knowledge on advanced topics. They are motivated to take competitive exams. and participation in many training and placement activities.

Programs for slow learners-Teachers do their personal counseling and conduct remedial /tutorial classes with an aim to improve the academic performance; teachers provide the lecture-scripts, question banks and notes to the students. Institution organizes parent-teachers meet, where teachers share all the problems regarding the student's performance and parents are suggested to spend more time assisting their wards in studies and monitoring their activities.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Various methods as experiential and participatory learning are adopted to ensure that the students are active participants rather than the passive listeners as project work, group discussions, role plays, debates, quizzes, news analysis, field / farm visits, laboratory session, seminars and educational games, etc. which help the students to get a clear understanding of the topic as these activities allow for direct verbal questioning and answering with the teacher. Various assignments and projects are also assigned to students in groups to encourage group learning, team work and familiarize them with environment etc. College aims at building learning environment by participating in rich experiential content of teaching through experimentation, demonstration, educational visits, organizing exhibitions and presenting papers. Interactive lecture method supports the teachers to lay the seed of understanding among their pupils and introduce them to the topic and its content. The college is well equipped with the tools of latest technology which ensure ICT enabled teaching for better visual interpretation of the lessons. The facility of digital library provides access to e-books and e-journals to broaden the knowledge of the learners. Productive use of educational videos and access of non-print material makes the students adapt to the emerging educational trends.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Institution has issued separate Laptop/PC to each department with the printer and has sufficient computer labs with internet connection with 100 Mbps. Most of the classrooms are well-equipped with ICT tools. Smart class rooms are available in every block. Wi-Fi is free for the students, faculty and staff members. Staff is well familiar with all the latest ICT tools. Network Resource Center with computers is made available for the students and teachers. Teachers are conducting online classes through Zoom app, Google meet, Google classroom and you-tube channels. All departments use PPT and multimedia to simplify the syllabus in a more meaningful way. Inflibnet membership is regularly upgraded and Shodh-Ganga, Shodh-Sindhu and allied e-resources are provided free of cost. Institution has created its online repository. Library of the college consists of good number of educational CDs and DVDs. The recorded video lectures of teachers are uploaded on the you-tube channel and E-content developed by teachers is uploaded on the college website which can be verify on https://drive.google.com/drive/folders/1LNyug2f0V5mKgQVi6_l4bCaD9JC_-ArF The college has been associated with IIT-Bombay as a local chapter to provide students and teachers additional online courses. ICT resources in the college helped the teachers to be more competent.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The internal evaluation system is transparent and decentralized at department level with examination committee. The assessment work is carried out by the concerned subject faculty. Relevant methods such as peer evaluation, assignments, tutorials, surprise test, mid-term examinations, project work, internship, presentation etc. are experimented in the internal assessment. Unit tests/tutorials are conducted periodically in some programs in which internal examination are not prescribed by the university and internal marks are not submitted to university as per curriculum. There is at least one internal test per semester in UG program and two internal tests per semester in PG program. The evaluation reports are prepared within the stipulated time and communicated to the students in the classroom as well as displayed on the notice board. The answer books are shown to the students. Question papers for all tests and assignment are linked with course outcomes (COs). Students are provided question bank also for their preparation. Most of the departments arrange parent's teachers meet in which students performance is discussed. To encourage students in co-curricular/extra-curricular activities, extra marks are assigned who successfully complete the two years of NSS with camp, or achieved outstanding performance in cultural/sports activities conducted by the university.

Link for additional information	http://srcmzn.com/IQAC%202023-24/2.5.1.pdf

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The exam committee executes internal/external exams. All external examination related grievances are addressed directly to the committee. However, if any grievance occurs related to internal examination, student needs to apply to the exam committee through the head of department. At initial level, HoD discusses problem with the concerned teacher and solves issue at primary level. Internal supervisors and internal flying squads are deputed for smooth conduction of the internal exams also. Mentor Mentee Scheme also helps students to pause before going to the exam committee with any grievance. It has also reduced stress and anxiety of the

students. All the mechanism to deal with examination related grievances is transparent, time bounded and efficient. Students' Internal exam marks are displayed on the notice board and their queries are handled properly till they get satisfied. The unit tests and pre semester answer books are shown to the student on a scheduled day after assessment. If there are any mistakes or complaints regarding assessment, they are clarified on the very day. The students have the freedom to use the suggestion box to put suggestions to be considered for internal examination reforms. Hence there is very little scope for grievances regarding evaluation.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Program Outcomes, Program Specific Outcomes and Course Outcomes are framed and finalized by the teachers of concerned departments. In most of the syllabus, course outcomes are mentioned with concerned subject. After consultation with faculty members, experts and educationists, the College has developed its own objective system of measuring the attainment of COs POs and, PSOs as much as possible. The POs/PSOs/COs of all the programmes are published at college website: <http://www.srcmzn.com> and made available for all the stakeholders. It is the duty of the HoDs to discuss and share it with faculty members, then faculty members make the students and other stakeholders aware of these COs, POs and PSOs.

Programme Outcomes is defined as the broad statements that describe the practical and professional accomplishments which the programme aims at, and these accomplishments are to be attained by the students by the time they complete the particular programme of study. Programme Specific Outcomes (PSOs) is the specific skill requirements and accomplishments to be attained by the students at micro level.

Course Outcomes are defined as direct statements that describe those essential and specific disciplinary knowledge, abilities and

aptitude that students should possess after qualifying a particular course.

Upload COs for all Programmes (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Attainment of programme outcomes and course outcomes are evaluated by a specific mechanism on the basis of result of students and success in the future. Employers' survey and Alumni's survey is also considered to find the obtained result regarding the attainment. The process of measurement and evaluation of the students are monitored by the Principal and IQAC of the college. The examination Committee deals with the effective implementation of the evaluation reforms regarding the attainment of learning outcomes. The committee initiates some innovative steps like, Unit tests, Surprise class tests, Field Survey, Educational excursions, Practical Work, Seminars etc. The college also tries to attain the educational outcomes by conducting various activities, such as cultural participation, unity and discipline building exercise, various competitions for comprehensive participation and exposure, organizations of scholarly lectures for cognitive development, health awareness programs for physical fitness, because studies have shown that equipping individuals with life skills help them to make informed decisions, solve problems, think critically and creatively, communicate effectively, build healthy relationships, empathize with others, and manage their lives in a healthy and productive manner. Thus the attainment of program and course outcomes are sought to be fulfilled through conventional and innovative activities and efforts.

3.2 - Innovation Ecosystem**3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge**

The College put all the efforts to provide a conducive environment for developing creativity and promotion of innovativeness. An Innovation Center is developed and Intellectual Property Rights and Entrepreneurship Development Cell is functional in the college. The Centre will offer opportunities to augment your theoretical knowledge through a practice-based curriculum thereby making you more competitive for the job market. It also gives you an opportunity to connect your innovative work with real-world problems/industry needs and will also lead to the creation of market-ready projects .Many workshop/seminar (03 on IPR, 02 on Entrepreneurship Development 03 on Research methodology) are organized. Students are provided with the opportunities to

directly interact with outstanding entrepreneurs excelling in their field. Product service training is provided for creating awareness on development, production, marketing and promoting the products. The sole objective of this Centre is to facilitate students to convert their ideas into Technological Innovations. Shri Ram Technologies and Shri Ram Enterprises (college start-ups) are running. Students are encouraged to gain hands-on experience and better industrial exposure. Financial support provided for exhibiting talents of developing workable models through contests/ competitions of idea generation. Students are provided with an opportunity to acquire knowledge and learn skills for commercializing and marketing their products. The entrepreneurs or experts of this subject from local areas and outside are invited to address the students and inspire them.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The students and teachers through NSS, ICC, rover-rangers, women cell, and mentoring & counseling cell etc participate in various community development programme. The NSS unit continuously works

in the surrounding areas and neighboring villages. The College has also adopted villages of Bahadarpur and Kheriviran for developing them as Model Sports Villages. The College has been worked in some villages under the Unnat Bharat Abhiyan, a scheme of Government of India.

Many activities on community and extension work and awareness of environment, health, cleanliness and other social issues are being organized like girl's education, Sex Education, Surrogacy Organ Donation, women empowerment, adult education, tree plantation, voter awareness campaign, swachh bharat abhiyan, beti bachao - beti padhao, digital India, vittiya saksharata abhiyan, health and hygiene, rallies of awareness regarding population day, aids day, run for unity, blood donation camps, tree plantation, anti-drug-addiction, alcohol campaign etc. The objective is to encourage the students to volunteer towards being sensitive for social issues and take challenges of making aware the people from illiterate and lesser privileged section of the society. These programmes not only help the students in their holistic development but also infuse in them leadership, equality, feeling of oneness and cooperation and the idea of giving back to society.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

College has developed one new building this year with adequate infrastructure facilities for effective teaching and learning. College is spread over an area of 3.1704 hectare (31704 sq.mt.) of land. There are 7 academic blocks with adequate facility. There are Eleven departments running classes in 106 classrooms, 62 laboratories. 01 auditorium, 02 multipurpose hall, 01 seminar hall, 01 media center, sufficient girls common room and 02 well stocked libraries with huge number of books and proper support system and other facilities are existing in the college. Total built-up area 26324sq. mt. All the departments have required

facilities, offices, faculty rooms, furniture, ICT tools and internet with 100mbps connectivity. The College has a Computer Center having state-of-the-art computing facility and 5 computer labs containing more than 575 computers with necessary software. There are three hostels, two for boys and one for girls, with adequate space. College has one canteen and one cafeteria to fulfill the need of food and snacks of students and staff. The built-up area of canteen is 241.5 sq.mt. Cafeteria is of 659.20 sq.mt. containing a lawn with built-up area of 100 sq.mt. There is ample of parking space. The college has a big play-ground measuring 12500 sq.mt.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institution has well equipped facilities for sports (both indoor & outdoor) and cultural activities. The institution has gymnasium and yoga center apart from Badminton Court, Volley Ball Court, Cricket Pitch, Table Tennis facilities and indoor hall for carom & chess. The institution organizes kabaddi, kho kho and various track & field events on the ground available in the institution, which draw active participation from students. Institution has exclusive Physical Education Department that provides technical training of various sports. Many students have excellent track record of participation and winning matches at International, National, Zonal, University and Inter-University levels. Many of our students have represented in the affiliating university teams at different levels and secured university rank in examination. College has plenty of equipment necessary for all indoor and outdoor sports. The College organized annual sports meet and inter collegiate tournaments. The Cultural Committee organized various competitions, debates, drama, mehendi, rangoli, best of waste, poster making, dance and music competitions etc. College also organizes Annual Function on a grand level and provides opportunities and stage to students to showcase their talent. Auditorium, conference hall, multipurpose hall and yoga hall are available for organizing various academic and cultural activities.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Two fully functional central libraries. are available with total area of 8324 Sq.ft.. The libraries have reading rooms, open shelf

book section, reference section, digital library section, and periodical section and provide open access to all the facilities, i.e., books, magazines, journals, newspapers. ERP is used for the automated library functions. The library has more than 52000 books including reference books and text books. Library has also developed a repository and archives. The library maintains CD/DVD of important projects/materials. Library has got its own reprographic facility which has been installed in the both libraries. The library has developed a digital section where computer terminal with internet connection and wi-fi are available for all visitors. The library is having active membership of DELNET and provides e-journals and e-books on various subjects. Separate computer terminals are provided to the library users for searching the books on Online Public Access Catalogue (OPAC) in the library. User can access OPAC on his own desktop/smart phone. College also provides e-learning facility to the readers. Library has good number of CD/DVD collection of important materials.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The college has well established mechanism for upgrading and deploying Information technology infrastructure. College has provided IT infrastructure at par with the latest available technology. Technical staff is appointed for maintaining hardware and Information Technology infrastructure. Institution frequently updates its IT facilities through various systems. The classrooms are given advanced equipments and other essential facilities like complete surveillance system, high speed internet, LCD projectors, designed furniture etc. The college has sufficient number of computers and laptops with access to internet that are updated with latest versions of essential software. The computers are connected with high speed internet and antivirus facility. Various modules of ERP as fee, office, academics, library, administrative etc are operable in the college. College has dynamic website with various interactive links. College website is regularly updated by website manager. The steps like installation of anti-virus periodically, formatting of computers on the basis of corrupt operating system and replacing of hardware of old computers to new computers are taken by a committee for maintaining and utilizing computers. For major disorder and damage, computer technicians and

service providers are hired for the up-keeping and replacement. The Wi-Fi facility is provided free to all over campus for all stake holders.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

SRC received the Best Infrastructure Award by Federation of World Academics Higher Education Summit. The College has well defined maintenance policy. Many committees are working for the utilization and maintenance of the physical, academic and support facilities. A Maintenance Manager has been appointed to look after such work. Annual physical stock verification of all laboratories equipment, office equipment, furniture, computers, library conducted by a constituted committee. Also new purchase is listed in the record and if there is any write-off, its process is well documented in stock register. The College also appoints supervisory staff for a continuous upkeep and maintenance work throughout the year that provides on the spot guidance to the work force engaged on contract for the purpose. Construction, maintenance and repairing of buildings, library, classrooms, electrical appliances and other physical infrastructure as communication services, security guard, office expenses, travelling allowances, CCTV surveillance etc. are being handled by the principal. Shri Ram College has rich physical facilities such as Hostel, Canteens, Play Ground and Transportation. This transport facility is governed by a transport committee headed by a senior faculty member. The college has network administrator, website manager and other personnel to check and update the college website.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Students participate in various Organizing Committees (NSS, Cultural, Sports, Mess, Anti ragging, Discipline, IQAC etc) that work towards organizing various co-curricular, extracurricular and

extension activities . Many outreach programmes, awareness programmes, Blood donation camps, Health checkup camps, Tree plantation programmes are undertaken by faculty members in association with students. Students join hands with faculty members and class teachers to ensure overall development of the college. The class representatives are invited to IQAC to express their view points to improve quality in the college. They help in organising different cultural programme, intercollegiate/ interdepartmental competitions, celebration of Commemorable days, sports' activity, exhibitions, Annual function and maintain discipline in the college. Hostel, mess and canteen committee is also managed with students' involvement. College exhibitions highlight different social, academic and cultural issues through charts, models and excellent craft work by the students. They are actively involved in bringing to the forum the problems faced by students, so as to facilitate speedy redressal of grievances. Students' council is active and Alumni association is registered and students put forward their suggestions and different issues related to the academic and administrative affairs of the college to the Head of the institution and to the IQAC.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alumni association is active and conducts the alumni meet every year and also take their feedback for betterment. 'Shri Ram College Puratan Chhatra Samiti' registered as alumni association under Societies Registration Act-1860 on 15-05-2013 with a registration no. 1268/ 2013-14 and it was renewed in 2023 under rules and regulations. Its main function is to establish active contacts with the graduated students and keep them in connections with their members. Various programmes on personality development, career counseling, soft skills development, higher study, social welfare and self defense etc are organized by college, in which the alumni contribute. Some of the alumni, who have passed competitive examinations, also offer their services for coaching on competitive exams. The alumni of the college also help in the placement and training of the students. The Alumni Association also receives some financial contribution from the graduated students in terms of registration fees etc. which is deposited to the College accounts, the College in turn supports and facilitates the Alumni Meets. Alumni also counsel the students about future prospects in various fields of employment and further growth. Alumni remain an integral part of the Institution.

GOVERNANCE, LEADERSHIP AND MANAGEMENT	
6.1 - Institutional Vision and Leadership	
6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution	
The progressive administration of the college is the result of smart leadership and the complete reflection of vision and mission. The college functions under the academic authority of the affiliating, Maa Sakumbhari Univ. Saharanpur. The IQAC constituted as per norms, meets regularly to formulate broad policies of governance of the institution. ERP is being used for e-governance. The administration gives all support to keep its faculty members updated with the latest trends in higher education and motivates every member to update their professional skills. The leadership in college includes Principal, Heads of the departments, Programme Coordinators, Committee Coordinators and the members of various committees. Class representatives are appointed in every class to cultivate the quality of leadership, to enhance inner strength and to make them self-reliant. All the staff and faculty members are involved to achieve the vision, mission and objectives at all levels for planning and setting the responsibilities. The college leadership maintains regular and active interaction with all stakeholders during the academic session. Mentoring of the students is also a part of the governance of the institution. The student centric approach and the quest for excellence of the institution help it to achieve its mission.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.	
The College administration is run in a committee structure through	

which the decision making is decentralized. The Principal constitutes various committees for different academic and administrative activities at College level, such as IQAC, HR, Examination, Student Welfare, Discipline, Scholarship, Grievance Redressed, Anti Ragging, Research and development etc that help make flow of hierarchy and leadership effective for monitoring the implementation of various policies. Regular meetings of these committees are held and policies are formulated from time to time for implementation of the strategic plans. Principal along with the HoDs and committee coordinators is responsible for academic and administrative functioning of the college. Almost all the faculty members are part of these committees. Conveners are free to make plans and give a final shape after discussion with and approval of the Principal. IQAC, Proctorial Board, Cultural Committee, Mess and Students Welfare Committee are the best example of participative management where students along with teaching, non-teaching staff, are working for effective administration of the college. Class Representatives play a vital role to maintain the discipline and decorum of the classes, taking the complaints, grievances and issues of the students forward to the knowledge of the authorities of the college.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institutional perspective plan involves the following:

- Teaching, Learning and Innovation
- Improvising the infrastructure to provide learning facilities.
- Disseminating best practices for Teaching and Learning by incorporating creative ideas
- Focus on innovation, creativity and start-ups Research Development
- Establishment of research amenities to encourage and cultivate the research culture among the Learner community.
- Focus on consultancy and research with collaboration of others.
- Industry Interaction
- College has developed some new MoU/Linkage with many industries/organizations and organized many expert talks/training by the industrial experts.
- Activity as per strategic plan

College always believes to provide quality education to its students and tries its level best to produce socially responsible and innovative students. IQAC plans some activities on priority

bases and suggest to the Principal, then Principal take action for improving the quality of college. Analysis of the achievements was perform to do better next time. Accreditation is based on the outcome-based education and quality work, and the college adopted outcome-based education model and implemented it properly. The outcomes are measured at each and every step and the gaps are filled immediately. Program outcomes, program specific outcomes, course outcomes are displayed on the website for all stakeholders.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Management body of the institute is the apex governing body and the Chairman of this body is the Vice- president of the college. There are various subordinate bodies in the institute such as Management Committee, Finance committee, Trustee, etc. The general body approves and monitors the policies and plans as per administrative manual of the college. The Principal, Dean IQAC and coordinators of various committees discuss the academic progress of the college and give suggestions to the Management for the upgradation of teaching- learning process. Principal pays special attention for smooth functioning of academic and administrative activities. Head of the all departments and Office Superintendent help him in this matter. More than 35 committees are working for monitoring and facilitating several activities organized in the college as Academics, IQAC, HR, Student Welfare Committee, Cultural Committee, Admission Committee, GRC, Proctorial Board, etc. College has a HR department and HR policy include all service rules, procedures and recruitment. Grievance Redressal Cell address the complaints and grievances for faculty, Staff and students to resolve them. Student welfare committee and ICC are working for the betterment of students. Academic committee resolves the problems related to academics and maintain the transparency in all matters.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

The College provides the many welfare measures to their employees. Some of them are as follows: Scholarship is provided to the ward of teaching and nonteaching staff for study in our college. Study leave, duty leave, medical leave, and maternity leave are sanctioned to staff as per policy. Financial assistance to Faculty for research and academic development. A MBBS doctor is available for medical treatment of employees and students. Yoga and physiotherapies are arranged for Faculty and staff to prepare themselves for creative activities through spiritual & holistic development. Psychologist is available on demand for the students and staff. Sport facilities are provided to encourage sports activities among faculty members and staff. Free Uniform are provided to all teaching staff and nonteaching staff. Refreshment

to staff is complementary. Employee engagement activities such as festival celebration, get together parties are being arranged by the college in order to provide coherent and conducive environment. Annual increment in salary is implemented as per HR policy. Internal complaint committee and GRC has been formed as per the Sexual Harassment Act to protect the employee from harassments of any kind. Guidelines are provided for proper action and also for protecting the aggrieved employee.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The College has a well-defined and structured performance appraisal system. HR department is authorized for doing the process and IQAC suggest to the Principal for timely conducting the performance based appraisal.

(A) For Teaching Staff: The self-appraisal format (finalized by IQAC) is filled by the faculty member himself/ herself then verified by Head of the Department at first level. The filled format endorsed by HoD is sent to the Principal through Dean Academics. At final level the Principal or Principal's nominee evaluates the appraisal for promotion/ incentive and then it is sent to the Chairman/Secretary of Management Committee for their final approval. All academic and administrative activities and the feedback from students concerning the faculty are considered by the concerned HoDs.

(B) Non-Teaching: The performance appraisal of non-teaching staff, on various parameters, is also done by the constituted committee and then by the Principal based on the quality, quantity and nature of their work, their enthusiasm, skill sets and efficiency.

After the appraisal process is completed, it is communicated to the concerned faculty or staff member with suggestion for betterment.

Feedback from student play also significance role in appraisal system.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

College has established a mechanism for conducting internal and external audits of the financial transactions every year to ensure financial compliances. The College constitutes a committee for internal audit and appoints an auditor for external audit every year. The internal committee checks the receipts, bills, vouchers, payment slips etc. on regular basis. If any deviation is observed, the Committee In-charge keeps a note of it and informs the deviations to the Office Superintendent. The Office Superintendent gets it corrected with the concerned person and the deviation is

removed. The internal auditors also ensure that their suggestions have been implemented. An external audit is conducted at the end of every financial year by a qualified Chartered Accountant. The Auditor thoroughly checks and verifies the annual income and expenditure with all financial records including books of accounts and also checks whether the compliances are done as suggested in the report of internal audit and submitted to the authorities. After the audit is completed, the report is sent to the office for review and clarifications. Being fully satisfied the audited statements/ reports as Balance Sheet, Income-Expenditure statement and Profit and Loss Account are signed by the Secretary and the Chartered Accountant.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Main source of funds of College is the tuition fee collected from the students. Deficit, if any, is managed by the contribution made from the parent body Shri Ram Charitable Trust. Some funding is received from industry/ organization for research projects/ proposals or consultancy work; the funds so obtained are utilized for that specific work. The College Management nominates a Budget Committee for managing college budget. This budget generally

addresses the expenditures on salary of staff, academic and physical expenditure. In case of any extra need where the financial expense is required, a proper demand note in writing with justification is originated from the concerned person/department that goes to the Principal through HoD and then it goes to the Management for final approval. A finance committee is also constituted for smooth functioning and monitoring of the income and expenditure. Internal and External Auditors are appointed by the Management Committee for financial audits every year. The Internal Audit Committee scrutinizes the financial data and statements on regular basis and keeps on giving suggestions to correct the procedures or shortfalls, if found any, in the process. The finance committee makes every effort possible to make error free work.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC took an initiative for collaboration with many other institutions, organizations, NGO and industries for improving the quality of the academics and for the benefits of students as for training/ projects/ consultancy work and industrial visit. Many value added courses, guest lectures and social activities were conducted under these collaborations. Faculty members and students were sent under exchange program with educational organizations as IIMT Saharanpur, CHSC, Khurja, S D College, Muzaffarnagar and Govt PG College, Deoband for the quality enhancements of teaching/research activity etc. IQAC has taken initiative in the development and establishment of quality benchmarks for various academic & administrative activities of the college. Interactive meetings were conducted with Coordinators of various committees to improve academic as well as research activities and chalking out the schedule of curricular and co-curricular activities. Training program for teaching staff and non-teaching staff are conducted by the consultation of IQAC. Feedback conducted from all the stake holders for better quality achievement. AAA, Internal and External Financial Audit, Green audit, Energy audit, Environment audit conducted by experts/professionals. Student's Satisfaction Survey

are also conducted for knowing lacuna and to remove our drawbacks.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC has fostered innovation and creativity in the college by improving the work culture of teaching, nonteaching staff and students through exhibitions, group discussions, poster presentation and study tours etc. IQAC has a system of taking feedback from all stake holders. IQAC motivated the faculty members to organize conference/ seminars/ workshops/ FDPs and increase research extension activity etc. As a result international and national workshops/seminars were organized. IQAC organized the meetings with committees' coordinators, students' representatives and teachers as per need to upgrade and monitor the teaching & learning process. Electronic Media and Social media platforms like Whatsapp, Google Classroom, Zoom app, Google meet etc. were extensively used for students for online teaching and delivery of educational content. Academic Administrative Audit and monitoring of students attendance are the two good examples of reviewing and implementing teaching learning reforms. The teachers have to submit their academic work detail and based on their performance, college conduct performance-based appraisal system which helps scrutinizing the teacher's work for an academic year. Short attendance notices are circulated and displayed; also such students are personally informed. IQAC decide the bench marks for each criteria as per NAAC guidelines and efforts to achieve it.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The College adopts a policy of gender equity and due care is taken of girl students and women faculties. Women grievance cell and internal complaint committee are working in the college for doing awareness among girls and women. Fee concession up to 100% for meritorious girls is determined through a Talent Search Expedition test. The entire campus is covered under CCTV cameras for Women Security and sufficient Security staff for proper safety is available. Internal Complaint Committee monitors the sensitive issues of the women and girls to ensure their vibrant presence and participation. Women cell of the college organizes important activities through collaborations as gender awareness, legal awareness, health and hygiene among the students. The College adopts mentor-mentee system to solve the academic and personal problems. In this scheme the mentor follows the development of the mentees by providing personal counselling at the different stages. The personal problems of the girl students; discussed within the committee members; are kept confidential. College organizes lectures of eminent personalities on gender equity. There is common room for girls which has the essential amenities like woman attendant, sanitary pads, bed, toilets. College has separate

Girls' hostel .

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The faculties and students are regularly encouraged for 3Rs of waste management, i.e., Reduce, Reuse and Recycle the waste to keep the campus clean and eco-friendly. Regular maintenance of drinking water tap, RO water filter, and drainage and water pipelines is kept by the college support staff. The solid waste is regularly collected through different types of dustbins placed at various locations then this waste is disposed to dustbins of Nagar Palika. The college has its own vermi-compost unit where organic waste is converted into biofertilizer by the vermi-composting plant. Partial waste recycling system is maintained on the campus by utilizing the sewage water to watering the nearby trees. Plant of waste water treatment has been working with Japan's Tafguard Technology in the campus. The boards with meaningful slogans are

displayed to bring environmental consciousness. The E-waste management committee is authorize to decide selling the non-working laboratory equipment, computers, monitors, printers and batteries etc. as scrap materials for safe recycling or place them in an 'E-Museum' of the college for the students. The college has set up bins in washrooms for incineration of used sanitary napkins to keep the hygiene of the washrooms used by the girl students.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The College has maintained an unbiased system for recruiting faculty and admitting students. Ensuring fairness and equality in educational institutions is crucial for fostering a diverse and inclusive environment. College has recruited faculty not only from Uttar Pradesh but also from other part of country like Orissa, Uttarakhand, Haryana, Rajasthan etc. An unbiased recruitment process has encouraged a diverse faculty, which bring various perspectives, teaching methods, and experiences that enrich the learning environment for students. By focusing on qualifications and merit rather than race, religion, caste, or gender, the college promotes equal opportunities for all candidates, ensuring that the best individuals are chosen for teaching roles. More than 35 % faculties and non-teaching staff are female and belongs to different religion like Hindu, Muslim, Jain and Sikh. As far as religion is concerned there is no bar or restriction for faculty and students on the basis of religion. College has no discriminations among these. College has developed a welcoming atmosphere for students from all backgrounds which enhanced their educational experience and facilitated collaboration among diverse groups, leading to innovative ideas and solutions. College provides equal opportunities to students irrespective of cast, religion and gender including rich and poor fellows.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

College takes initiatives, following its Vision and mission, in organizing various events and programmes for moulding the students and staff to become nice human beings and responsible citizens by sensitizing them to their moral and constitutional obligations. The students undergo a compulsory paper on the "Bhartiya Sanskriti evam Rashtriya Gaurav" at Under Graduate level across disciplines to create awareness of and sensitizing the students to obligations as a part of strengthening the democratic values of the country. Voter's Awareness programs are organized to educate the students and general public about the value and power of votes, voting rights. Many cultural and sports events are organized which highlighting the importance of Indian war for independence, sacrifices made by the martyrs and great souls, power of democracy, sanctity of constitution. Various days and events are celebrated addressing the motive of spreading awareness of being respectful for the constitutional obligations. NSS activities, Unnat Bharat and many other activities as road safety awareness, awareness of right to education, right to information, women's right, saving girl child, are also conducted. The college spreads feelings of national responsibility and patriotism through the various programmes organised on regular basis.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Shri Ram College believes that celebrating special days and occasions gives us a chance and develop an emotion of connecting ourselves with our values of humanity, patriotism, sacrifice and welfare, commonly shared with all those who have been long gone before us. Celebrating such commemorative days creates a feeling of joy and provides us with the perfect opportunity to engage in the happiness as Republic Day, Shaheed Divas, World Cancer Day, National Science Day, International Women's Day, World Forestry Day, World Environment Day, International Yoga Day, National Mathematics day, Independence Day etc. Celebration and events like dancing, singing, fiesta, foods, games and laughter make the person feel relaxed and create a sense of belongingness with one another. National and International days are the occasions to take a chance of creating awareness and educating the general audience on various issues of concern, mobilizing resources to address problems at national and global level and celebrating and reinforcing social ethos and human values. College believes that all these days and occasions set the center for universal human experiences such as love, sadness, joy, reverence, success and sacrifice. Many activities are conducted with the collaboration of

some social organization as Science exhibition, Tech fair, Fashion show etc. Many festivals are celebrated for making the harmony among the staff.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

College is continuously working many activities with keeping in mind the benefits of Society, environment, staff and all stake holders. Many activities to save environment using solar power plant, waste water treatment using Tafeguard technology, Rain water harvesting system, waste management system, Bio gas plant, Dairy farm, regularly enhancing greenery and medicinal plants. College help financially to poor students and conduct many activities for donation to poor peoples. Many audits are conducted to maintain the quality of the work: link of various audits

http://srcmzn.com/IQAC_2023-24-7.2.1.aspx

Some of the activities may be considered as "Best Practices", which may be as under:

Best Practice 1:

Advancing green energy through solar panel installation for sustainable electricity generation at Shri Ram College, muzaffarnagar.

Evidences of this activity can be seen through the link:

<http://srcmzn.com/IQAC%202023-24/7.2.1/1.%20Advancing%20Green%20Energy%20Through%20Solar%20Panel.pdf>

Best Practice 2:

Integrated approaches to waste water management, waste solid management, green campus enhancement through various awareness programs and activities

Evidences of this activity can be seen through the link:

<http://srcmzn.com/IQAC%202023-24/7.2.1/2.%20Integrated%20Approaches%20to%20Waste%20Management.pdf>

Best Practice 3:

TSE (Talent search expedition) for meritorious and economically weaker students.

Evidences of this activity can be seen through the link:

7.3.2 - Plan of action for the next academic year

Shri Ram College believes in continuous growth therefore some more PG program and professional program are planning to introduce in the next session. College is also planning to achieve Autonomous status from UGC then we will work as Autonomous College. Feedback system is also in planning to be conducted in online mode to save time and paper. IQAC is interested to achieve 100% satisfaction level of all stake holders. College administrative is also planning to provide more facilities to faculties and staff. College working should be in more effective and in automatic mode using more technical uses. College is interested to increase collaborations/MoU's with international organization. The main aim of the college to make the identity at the National and International level.
