A collection of various electronic devices and peripherals, including laptops, desktop computers, printers, a scanner, a camera, a microphone, and various cables, arranged on a red table. The items are laid out in a grid-like fashion for documentation. In the top left is a yellow overhead projector. Next to it is a black printer. To the right is a black desktop tower. Further right is a white flatbed scanner. In the top right is a blue printer. On the left side, there is a silver laptop with a blue screen. Next to it is a black external device, possibly a power supply or a small PC. In the center, there is a black monitor on a stand, a black keyboard, and a black mouse. To the right of the monitor is a black smartphone. Further right is a blue laptop with a blue screen. In the bottom left, there is a black external device. Next to it is a black external device. In the bottom center, there is a black external device. To the right of the center, there is a black external device. Further right is a black external device. In the bottom right, there is a white external device. A black camera is also visible on the right side. A black microphone is in the bottom center. Various cables are scattered around the devices. The background is a plain, light-colored wall. The date and time '2021/6/25 14:59' are visible in the bottom right corner.

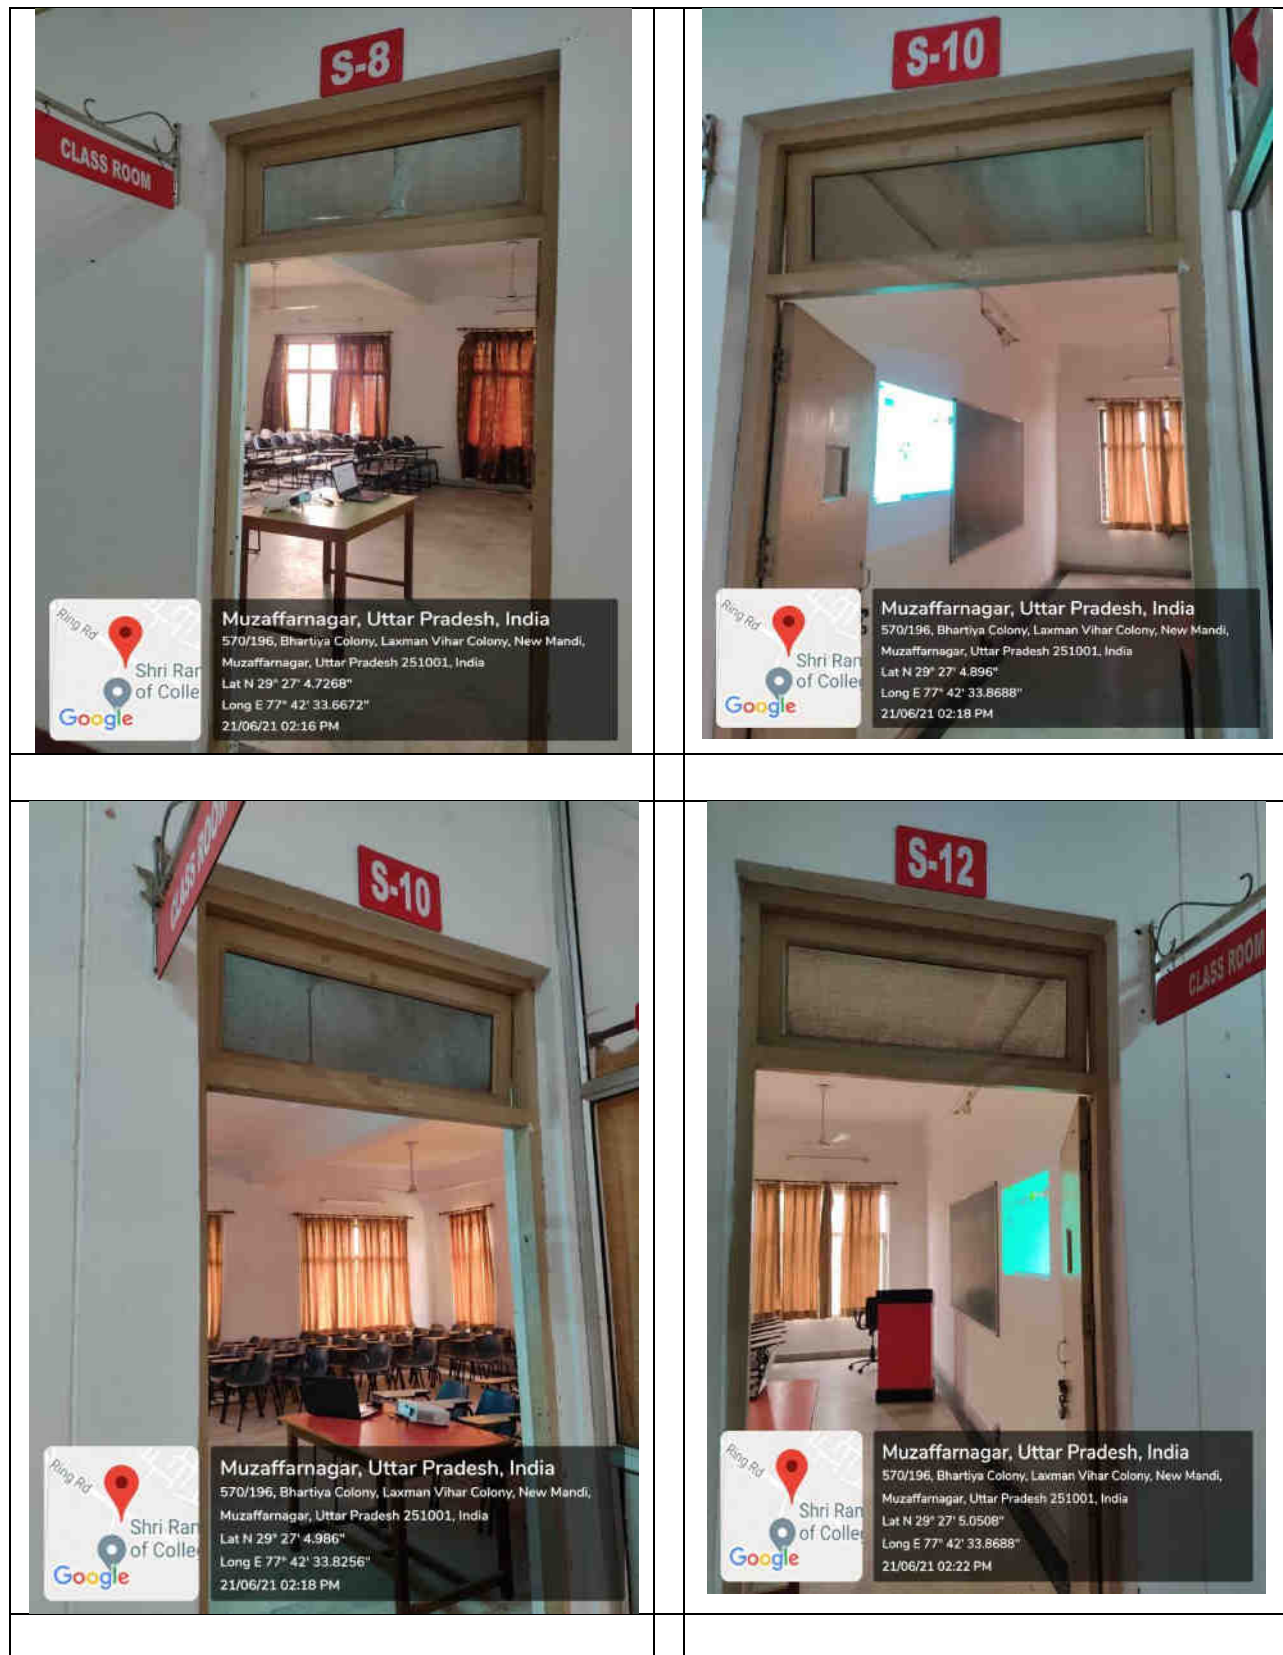

Classrooms Photographs With ICT Tools

 A photograph of Classroom T-13. The room is viewed through an open doorway. Inside, there are rows of black chairs and a wooden table with a laptop on it. A red sign above the door reads 'T-13'. A 'CLASS ROOM' sign is on the wall to the left.
