Shri Ram College has been achieved NAAC A++ Grade in 2022 which indicates the quality working and the college has adopted a well-defined system of feedback where Student Satisfaction Survey (SSS) is conducted on yearly basis for receiving overall feedback from the students. A Student Satisfaction Survey is an essential part of any feedback system of a college. SSS helps college to formulate policies, plan strategies and implement student friendly practices throughout the year. All students studying in the college during 2022-23 were informed by Class Coordinators for this survey. Participation was voluntary, the survey was conducted offline and complete confidentiality was maintained. This survey was conducted from 20 May 2023 to 10 June 2023 among all students.

The survey was conducted by the team of teachers nominated by the Principal of SRC through a structured questionnaire, finalized by the IQAC as usual as in the last year. The motto of SSS is regular up-gradation the quality of education in the campus. Teaching work was performed in hybrid mode (through online and offline) and syllabus was covered properly by the faculties.

Respondents were asked to rate the importance of work and satisfaction for Institutional operations and services using a five-point, MCQ-type form consisting of 20 questions.
