Academics Committee

Policy

The main objective of the academics committee is to oversee the academic affairs of the college and make recommendations to the Principal about academic affairs and strategic priorities. The members of the committee sit together at regular intervals of time to develop the ways and means to ensure that quality teaching-learning process should remain the topmost priority. This Committee also formulates the guidelines, rules and regulations of all Academic affairs of the College. The Academic Committee is formed with the chairmanship of Principal.

- Members of the committee give their suggestions and directions for the smooth running of the college in academic aspect.
- Review the academic and other related activities of the college.
- Review the students and faculty development programs.
- Visualize and formulate perspective plans for the development and growth of the college.
- Prepare and review Academics Calendar and Class Routine for the college.
- Review and update the College Prospectus.
- Draft Concise Leave Rule for the teaching and non-teaching staff of the College.
- Decide the introduction of Students Uniform in the College.
- Promote research and extension activities in the college campus.
- Plan for sustaining the quality of education, quality improvement and accreditation of the college.
- Keep vigilance on the attendance of teachers and regularity in taking the classes.
- Review student's attendance/malpractices in examinations.
- Oversee the internal examinations/evaluation/recording.
- Take disciplinary action to the students for violation and disobedience to the college rule.

Research & Publication Committee

Policy

The main objective of Research & Promotional Cell is to explore new avenues of knowledge, encourage and promote research culture at the College. The research and teaching should go hand in hand for knowledge accumulation. The committee encourages faculty members to undertake and pursue their research and publish their findings. They are also encouraged to participate and present papers at conferences, seminars, symposia and workshops. The Committee is to organize regularly research oriented Faculty Development Programs, workshops, Management Development Programs, Seminars & conferences in the College. This committee deliberates all important issues relevant to research at the college level, which include research clusters, college research seminars, research infrastructure; research funding, research productivities. The committee shall meet once every quarter during the Academic year.

Objective

- To foster Innovation and Research that will lead to competitive development.
- To establish our college as a Centre for Excellence in Innovation, through an interdisciplinary approach.
- To create opportunities for students to build their Academic Profile for a successful career.
- To enhance productivity in our youth and channel their intellect to improvise and invent for the benefit of society.

Role and Responsibilities

- Organizing National and International Conferences.
- Organizing Short Term Training Programs and workshops.
- Establishing linkages with other Institutes / Labs / Organizations for projects.
- Arranging seminars on paper presentation techniques for faculty and students, designed to meet national and international standards.
- Inculcate the concept of research among students & staff by arranging paper presentation competitions.
- Encourage publication of research articles by sending deserving entries to journals.
- Identifying members of the faculty who have are orientation towards research activities.

STRUCTURE OF THE ORGANIZATION
