

Permission letter

To

The Director

SRC, Muzaffarnagar

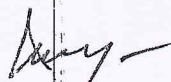

Subject: Permission for conduct the Students Training on "Entrepreneurship Development Awareness program"

I am writing this letter to allow for conduct the "Entrepreneurship Development Awareness program" from 16 Jan. to 17 Jan. 2024. This will be beneficial for students to boost their knowledge. Kindly approved us for the same.

I believe small steps will be useful for Agriculture students and this is one of them.

Thank you

श्री राम कॉलेज मुजफ्फरनगर में आयोजित कराया गया, दो-दिवसीय उद्यमिता जागरूकता विकास कार्यक्रम-

श्री राम कॉलेज के कृषि विभाग और राष्ट्रीय उद्यमिता और लघु व्यवसाय विकास संस्थान भारत सरकार के सहयोग से दो दिवसीय प्रशिक्षण कार्यक्रम आयोजित कराया कराया गया।

महाविद्यालय स्तर पर उद्यमिता जागरूकता कार्यक्रम 16-17 जनवरी 2024 को उद्योग एवं वाणिज्य विभाग, भारत सरकार के अंतर्गत स्टार्टअप उत्तर प्रदेश द्वारा "उद्यमिता जागरूकता कार्यक्रम" का आयोजन किया गया। उत्तर प्रदेश के श्री राम कॉलेज मुजफ्फरनगर में 16-17 जनवरी 2024 को कृषि विभाग स्तर पर इमोवेशन एंड एंटरप्रेन्योरशिप डेवलपमेंट कैंपस (IEDC) के सहयोग से कार्यक्रम का आयोजन कराया गया।

इस मौके पर डॉ. अशोक कुमार निदेशक, डॉ. प्रेरणा मित्तल प्रिंसिपल श्रीराम कॉलेज डॉ. विनीत शर्मा डीन एकेडेमिक्स, विभागाध्यक्ष डॉ.नईम के द्वारा दीप प्रज्वलित कर और पुष्प गुच्छ प्रदान कर मुख्य अतिथि श्री भुवन तिवारी कोडिनेटर निसवर्ड और और मुख्य प्रशिक्षक विनय कुमार का स्वागत किया गया। जिसमें B.Sc.Ag.(HONS) के B.Sc.Ag.(HONS) के 1,2,3 वर्ष के छात्र-छात्राओं के द्वारा पंजीकरण कराया | पंजीकरण लिए निस्वर्ड लिंक msme.com और pmegp.com जिस लिंक पर छात्र छात्र -छात्राओं ऑनलाइन पंजीकरण किया गया | सभी पंजीकृत प्रशिक्षुओं को सम्बोधित करते हुये कोडिनेटर श्री भुवन तिवारी द्वारा आवत कराया गया कि शिक्षा से हम नौकरी तो कर सकते हैं | लेकिन उत्थान के लिए कोई न कोई कौशल होना

जरूरी हैं। कोई भी उद्यमिता आरंभ करने पूर्व आवश्यक मुख्य निवेश इकट्ठा कर एक सुनयोजित कार्यक्रम के अंतर्गत उद्यम चलाया जा सकता है। इसके लिए भारत सरकार द्वारा मुद्रा योजना आदि कार्यक्रम में पंजीकरण करने के उपरांत से आवश्यक पूंजी लोन के रूप में मिल सकती है। इसके साथ लोन सब्सिडी पर 15- 35% की छूट भी प्रदान की जा सकती है।

कार्यक्रम में प्रशिक्षक श्री विनय कुमार द्वारा छात्रों को विभिन्न प्रकार की योजनाओं में पंजीकरण कराने के लिए प्रशिक्षण दिया। उन्होंने अवगत कराया कि सरकार प्रदत्त योजनाओं का लाभ उठाते हुए हम उद्यम प्रारंभ करना चाहिए।

उन्होंने प्रश्नोत्तरी के समय छात्रों प्रभात पांडेय, हर्ष कुमार, प्रियंका कुमारी, कुमार, उज्जवल राज, ओसामा रहमत आदि के द्वारा जानना कि कृषि में भी उद्यम प्रारंभ किया जा सकता है कि नहीं। जिसके उत्तर में उन्होंने बताया कि जैविक जैविक खेती, दूध उत्पादन, वर्मीकम्पोस्ट, शरूम उत्पादन, प्राकृतिक खेती आदि विषयों पर कम लागत पर उद्यम प्रारंभ किया जा सकता है।

कार्यक्रम के दूसरे दिन श्री भुवन तिवारी ने सरकार द्वारा चलाई गई विभिन्न प्रकार की योजनाओं के बारे में बताते हुए प्रशिक्षक को अवगत कराया कि किसी भी उद्यम को चलाने के लिये एक विचार होना जरूरी है। उसके बाद आवश्यक पूंजी पूंजी को दो भागों में विभाजित किया जाना चाहिये। पूंजी का एक भाग उद्यम को प्रारंभ करने में और पूंजी के दूसरे भाग को सुरक्षित कर लेना चाहिये। साथ ही उन्होंने बताया कि उद्यम में प्रयोग होने वाले किसी भी निवेश को पहले से ही नियोजित कर इकट्ठा कर लेना चाहिये। उसके बाद ही उद्यम को प्रारंभ करना चाहिये। जिससे पूंजी व निवेश के अभाव में उद्यम बंद करने की स्थिति न बने।

इसलिए उद्यम में उत्पादित उत्पाद के विपणन की व्यवस्था भी पहले बना लेनी चाहिये। जिससे उत्पादित उत्पाद का उत्पादन व विवरण चलता रहे।

डॉ. शब्बीर अहमद ने ऑनलाइन सेमिनार की उद्यमिता से संबंधित बुनियादी ज्ञान, कौशल और दृष्टिकोण प्रदान किया और छात्रों के साथ एक उद्यमी के लिए पांच संसाधनों को साझा किया, अर्थात् सूचना, लोग, भौतिक संसाधन, धन और समय। डॉ. शब्बीर अहमद ने छात्रों के साथ विशिष्ट उद्यमियों की सफलता की कहानियाँ और उद्यमियों द्वारा सामना की जाने वाली आम समस्याओं को साझा किया।

डॉ. प्रेरणा मित्तल ने उद्यमिता के विकास के लिए सरकारी योजनाओं और विभिन्न पहलुओं और उसमें होने वाले उतार चढ़ाव के बारे में बताया। डॉ. प्रेरणा मित्तल छात्रों को उद्यमियों के लिए अवसरों की पहचान करने के तरीके के बारे में जानकारी जानकारी दी। उन्होंने कहा कि "उद्यमिता एक यात्रा है और आप इस प्रक्रिया के दौरान एक उद्यमी बन जाते हैं"।

अंत में कृषि विभाग के विभाग अध्यक्ष डॉ. तारा ने उद्यमिता, नवाचार और स्टार्टअप स्टार्टअप को बढ़ावा देने के लिए उद्यमी के निर्माण के लिए किया गया। उद्यमिता जागरूकता कार्यक्रम का फोकस उद्यमिता पर सरकारी नीतियों/योजनाओं के बारे जागरूकता पैदा करना, युवाओं के बीच जागरूकता पैदा करना, स्टार्टअप की सफलता की कहानियों पर चर्चा करना, छात्रों को उनकी उद्यमिता यात्रा के लिए सलाह देना है। इस अवसर पर डॉ. गिरेन्द्र गौतम, डॉ. रवि गौतम, डॉ. वीक्रांत कुमार, डॉ. प्रवीन मलिक, डॉ. अंजलि जायसवाल, डॉ. सुहैल सरदार, डॉ. राजकुमार, डॉ. सूरज सिंह, आबिद अहमद मौजूद रहे।

About Shri Ram College...

Shri Ram College (SRC) is a bastion of academic excellence, offering a diverse range of undergraduate and postgraduate programs spanning numerous disciplines, including Engineering, Architecture, Pharmacy, Management, and more. Rooted in a dedication to fostering quality education, SRC provides students with a rich tapestry of learning opportunities. Led by the visionary Dr. S.C. Kulshreshtha, SRC is committed to equipping students with the skills needed to navigate real-world challenges.

Under the Shri Ram Charitable Trust, SRC endeavors to make quality education accessible by offering it at affordable fees. The institution boasts a faculty comprising highly qualified academicians, bureaucrats, and industrialists, enriching the learning environment with their expertise.

SRC's holistic approach extends beyond academia, emphasizing the development of well-rounded individuals capable of thriving globally. Through experiential learning and industry engagement, students emerge as socially responsible leaders. As a beacon of educational innovation, SRC cultivates thought leaders poised to shape the future. In its corridors, the spirit of inquiry, innovation, and inclusivity thrives, laying the foundation for a brighter tomorrow built on knowledge, integrity, and service to society.

About Seminar...

The seminar on Innovative Pedagogy and Research Methodology brings together educators, researchers, and policymakers to explore cutting-edge teaching and learning approaches. This premier event focuses on innovative pedagogy, research methodologies, and technology-enhanced learning. Keynote addresses, paper presentations, and panel discussions will facilitate knowledge sharing and collaboration. The seminar aims to enhance participants' understanding of best practices in teaching, learning, and research. It will also provide a platform for networking and identifying opportunities for future collaboration. By attending this seminar, participants will gain insights into innovative pedagogical approaches, research methodologies, and the role of technology in enhancing education.

Objectives of the Seminar

The primary objective of the seminar on Innovative Pedagogy and Research Methodology is to provide a platform for educators, researchers, and policymakers to share knowledge, experiences, and best practices in teaching, learning, and research. The seminar aims to explore innovative pedagogical approaches and their applications in teaching and learning, discuss research methodologies and their significance in educational research, and examine the role of technology in enhancing teaching and learning. Additionally, the seminar seeks to facilitate networking and collaboration among participants, and identify best practices in teaching, learning, and research for future implementation, ultimately enhancing the quality of education and promoting excellence in research.

Concept Note

This research explores contemporary trends, challenges, and opportunities in research methodology. It aims to analyze current practices, technological advancements, and innovative techniques shaping research across disciplines. Key challenges include ethical considerations, data privacy, and methodological biases. Opportunities lie in the integration of AI, big data analytics, and interdisciplinary approaches, enhancing the robustness and relevance of research outcomes. The study will review literature, conduct surveys, and engage with experts to provide a comprehensive understanding of the evolving landscape, offering recommendations to optimize research processes and address emerging challenges effectively.

Theme of the Seminar

Innovative Pedagogy and Research Methodology

Sub- Themes

- Navigating Methodological Biases in Research
- Research in the Digital Age: Tools and Techniques
- Data Privacy and Security in Research: Challenges and Solutions
- Mixed Methods Research: Trends and Future Directions
- Collaborative Research: Methodological Frameworks and Practices
- Ethnographic Research: Trends and Methodological Challenges
- Case Study Research: Contemporary Methods and Applications
- Systematic Reviews and Meta-Analyses: Methodological Innovations Innovative Approaches in Research Methodology
- Ethical Challenges in Modern Research
- Leveraging Big Data in Research: Methods and Applications
- Interdisciplinary Research: Methods and Best Practices
- The Role of AI and Machine Learning in Research Methodology
- Quantitative vs. Qualitative Methods: Trends and Insights
- Enhancing Research Quality Through Advanced Analytical Techniques

Innovative Pedagogy and Research Methodology

Date of Program: 30 Jan. 2024

Venue: Auditorium, Shri Ram College

Department of Basic Science of Shri Ram College organized a National Seminar on Innovative Pedagogy and Research Methodology on 30th January, 2024

The first session was started with the lamp lightening by all chief guest & resource persons. The session was compered by Dr. Rishabh Bhardwaj, Co-convenor of the event gave an introduction to the Seminar. Dr. Pooja Tomar, HoD, Basic Science gave a brief introduction of our college. Further Dr. Vineet Kumar Sharma addressed the quorum regarding the topic of discussion.

In the first session, Dr. Indu Gautam very appropriately discussed the relation with different examples from real life making us understand how to thread and unthread, critically analyze the arguments and hypothesis of research. Dr. Mohd. Aarif indicated the paramount role of training the students with respect to reviewing research, writing research proposals, documenting project discussions held with mentor, to increase their employability and credibility. Dr. Suchi Mittal provided valuable insights into time management through prioritizing and scheduling work. He also talked about better organization of emails into folders for easy and immediate retrieval.

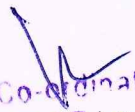

In next session, Dr. Anju Walia focused on importance of understanding students and managing communication with them effectively. She emphasized on importance of having the right attitude together with knowledge and skills. Following her Dr. S.N. Chauhan focused on inclusion of case studies and practical aspects when teaching in the classroom. He told the faculty to draft case lets and get them converted to an article. He emphasized on the potential areas which provide scope for conducting patentable research which will have commercial appeal. He mentioned working on neglected tropical diseases, niche areas such as pediatric and geriatric dosage forms, and enhancing patient compliance by reducing dose, dosing frequency, side effects, and size of dosage form, providing non-invasive routes for peptide delivery, etc.

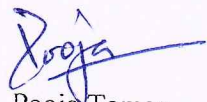

Further the last session was handed over to the main speaker of the session Dr. Mohit Sharma. He shared his knowledge about how to determine the variables, its relationship and types based on the review of literature. He even explained how to identify the test that should be applied for research with examples.

The session was an interactive one. Dr. Rahul Arya summarized the Seminar. The vote of thanks was delivered by Dr. Pooja Tomar.

The session concluded with the National Anthem by all present members.

Overall, this Seminar was an interesting, interactive and a useful session for all the participants. It was attended by 150 participants. The discussion and explanations done by the renowned experts of research helped to understand Research methodology in a simpler way.

About Shri Ram College...

Shri Ram College (SRC) is a bastion of academic excellence, offering a diverse range of undergraduate and postgraduate programs spanning numerous disciplines, including Engineering, Architecture, Pharmacy, Management, and more. Rooted in a dedication to fostering quality education, SRC provides students with a rich tapestry of learning opportunities. Led by the visionary Dr. S.C. Kulshreshtha, SRC is committed to equipping students with the skills needed to navigate real-world challenges.

Under the Shri Ram Charitable Trust, SRC endeavors to make quality education accessible by offering it at affordable fees. The institution boasts a faculty comprising highly qualified academicians, bureaucrats, and industrialists, enriching the learning environment with their expertise.

SRC's holistic approach extends beyond academia, emphasizing the development of well-rounded individuals capable of thriving globally. Through experiential learning and industry engagement, students emerge as socially responsible leaders. As a beacon of educational innovation, SRC cultivates thought leaders poised to shape the future. In its corridors, the spirit of inquiry, innovation, and inclusivity thrives, laying the foundation for a brighter tomorrow built on knowledge, integrity, and service to society.

About Conference...

The Conference on Emerging Trends of Intellectual Property Rights is a premier event that brings together experts from academia, industry, and government to discuss the latest developments and trends in intellectual property rights. The conference provides a platform for stakeholders to share knowledge, experiences, and best practices in IPRs, with a focus on promoting innovation, creativity, and economic growth. The event features keynote addresses, panel discussions, paper presentations, and workshops, offering a unique opportunity for networking and collaboration among participants. By attending the conference, delegates will gain insights into emerging trends and challenges in IPRs, and contribute to shaping the future of intellectual property rights.

Objectives of the conference...

Here's an objective for the Conference on Emerging Trends of Intellectual Property Rights in 150 words: The primary objective of the Conference on Emerging Trends of Intellectual Property Rights is to provide a platform for stakeholders to discuss and analyze the latest developments and trends in IPRs, with a focus on promoting innovation, creativity, and economic growth. The conference aims to facilitate dialogue, collaboration, and knowledge sharing among policymakers, practitioners, academics, and industry experts, with the goal of identifying best practices, challenges, and opportunities in IPRs. Specifically, the conference seeks to enhance understanding of emerging trends and challenges in IPRs, examine the impact of IPRs on innovation and creativity, and provide recommendations for future research and policy development.

Concept Note

The Conference on Emerging Trends of Intellectual Property Rights aims to provide a platform for experts to discuss and analyze the latest developments and trends in IPRs. The conference will explore emerging trends, policy and practice, enforcement and litigation, and the intersection of IPRs and technology. Renowned experts will deliver keynote addresses, followed by panel discussions, paper presentations, and workshops. The conference seeks to facilitate dialogue, collaboration, and knowledge sharing among policymakers, practitioners, academics, and industry experts. The expected outcomes include enhanced understanding of emerging trends and challenges in IPRs, identification of best practices, and recommendations for future research and policy development.

Two-Days Conference
On
Emerging Trends of Intellectual Property Rights

Dated : 13th-14th October, 2023

Venue: Auditorium, Shri Ram College

A two-day National Conference on Intellectual Property Rights was organized by Department of Basic Science, Shri Ram College, Muzaffarnagar on 13th & 14th October, 2023. This conference aims to share experiences on how to convert research and projects into patent, to commercialize patented works and to bring long term benefits to the nearby colleges on par with top class universities.

The programme was started with registration at 08:30 am on 13th October, 2023 at Shri Ram College. The inaugural programme was started at 9.30 am with a Saraswati Vandana followed by welcome by presenting bouquets to the speakers and guests by Dr. Pooja Tomar in Auditorium of Shri Ram College.

In the welcome address, Dr. Vinit Kumar Sharma highlighted the importance of this conference and appreciated the participants for their interest shown to attend this programme. Dr. Purna Mittal, Principal, Shri Ram College in his felicitation message emphasized the significance of the intellectual properties and urged the participants to focus more towards new inventions and contribute to the growth of the country.

Dr. Aditya Gautam convened this session. Their study was titled Publicity Rights In The Modern Era: Determinants And Challenges Under IPR, and it explored celebrity rights exclusions under copyright law. He discussed Indian judicial tendencies as well as worldwide trends. He completed the presentation by introducing the concept of sui generis legislation and remedies at various levels, such as injunctions and cease-and-desist orders.

Following that, Mr. Atul Raghuvanshi gave a presentation. In his presentation titled Emerging Trends in Digital Copyright Law, he highlighted in depth the need for laws for copyright, which they built on by presenting the brief history of copyright law and treaties. Furthermore, he discussed the scope of copyright law in digital space, which they substantiated by providing examples of software misuse. He finished by discussing the benefits of WIPO digital rights management and the future of copyright law in digital space. The judges questioned

the team about Section 79 of the IT Act and any court precedents that supported it. The team highlighted how under the specified provision internet services are not liable.

Dr. Mohd. Arif spoke sequentially on the topic Copyrights of Composite Creations: Individual Rights Versus Collective Rights. The talk began by identifying composite creations, which included literary work, musical work, and sound recordings. He defined the phrases by citing several portions of the Copyright Act. He elaborated on elements of the Copyright Amendment Act 2012 in the second half of the presentation, including the addition of various. He also considered the infringement of composite creations copyright. Finally, the

presentation was ended by distinguishing between composite and collective rights. The judge inquired of the team regarding the effect of Section 31(D) of the Copyright Amendment Act of 2012 on the rights to composite creations.

The team responded to the query by describing the legislative intent about composite creations and the mechanism for fixing royalty. Following that, Dr. R.P. Singh presented on Internet Piracy and Education Under the Doctrine of Fair Dealing. He emphasized on the relationship between education and digital piracy and why digital piracy is more prevalent in developing nations than in developed ones, stating that the resources on pirated websites are valuable to a huge number of students from underprivileged communities. He also provided an overview of the notion of fair use as defined in Section 52 of the Copyright Act.

On the Second day of the International Conference on Emerging trends of IPR, the programme began after a summary representation of previous day of conference by Dr. Manoj Kumar Mittal, Associate Professor, Department of Basic Science. He welcomed all the speakers & guests present in Auditorium.

Following that Shri. Debapriya Mukherjee, Turnit India Education Pvt. Ltd, Bangalore discussed The Role of Intellectual Property Rights in The Music Industry. His study objectives were to identify IPR of music creators and to investigate how IPR may be preserved in the music industry. He also addressed issues such as the importance of intellectual property rights (IPR) in the music industry and the rights of artists and album creators. He touched on the breadth of protection, individual artist protection, and the term of protection conferred. The presentation continued with an overview of music industry laws; trademarks, patents, and copyrights were discussed individually under this heading. The presentation closed with the observation that, despite the existence of regulations and standards, there is still a gap between the requirements and application of protection laws in the music industry. He suggested that there should be separate IP rules for the music industry, and that artists rights should be strengthened.

In the next session, Dr. Suchi Mittal, Associate Professor, S. D. College, Muzaffarnagar, as a resource person, spoke about the Role Of Intellectual Property in Food Security. She began the presentation by introducing food security and the role of IPR in food security. She then reviewed the causes of food insecurity, such as population growth, climate change, and urbanization. Furthermore, policies to combat food insecurity were considered, including recommendations such as the use of technology and aspects of sustainable agriculture. She elaborated on the right to food in light of the TRIPS agreement and its role in defining standards. She also identified a lack of research and a lack of drive to revise procedures as the main difficulties in the Indian scenario. The researchers drew parallels between patent rights and breeder's rights not only in Indian legislation, but also in international treaties and how plant genetic resources are preserved.

And finally Dr. Poonam Sharma, Principal, Shri Ram College of Law presented her view on "Copyright Ability Of AI". She emphasized on the moral rights of copyright ability of AI. The objectives put forward by the presenter was that ownership and authorship should be redefined, interference of human should be more in the process of AI's creations.

Title: The Role of Bio-entrepreneurship in Global Healthcare Transformation

Date: 20th Feb to 21st Feb 2024

Days: 2 Days

Time: 10:00 AM

Venue: SRC Auditorium

The Faculties and Students at Shri Ram Colleges participated in a 2-day national seminar on The Role of Bio-entrepreneurship in Global Healthcare Transformation. The seminar started in the SRC Auditorium on 20th Feb 2024. Over 140 people, including students and teachers, attended the session to celebrate about convergence of biology, businesses and innovations. In this seminar, they gain knowledge of how the students can turn their innovative idea into a successful business and become bioentrepreneurs and can transform the healthcare sector.

Day 1

Date: 20th Feb 2024

Welcome Speech by Dr. Vipin Kumar Saini

A warm welcome to our distinguished guests, speakers and participants to this seminar on bio-entrepreneurship, a field that is rapidly reshaping the world around us. At the intersection of biology and business, bio-entrepreneurship offers a unique opportunity to harness the power of scientific discovery for societal and economic benefit.

The anchor of the event Mr. Vikas Kumar, welcomes our guest for Lamp Lighting and Inauguration of the Ceremony.

The anchor invited the speaker 1 for bestowing his thoughts on us.

Dr. Pragati (Associate Professor, MS College, Saharanpur)

The Speaker emphasised on our theme of the convergence of Biology and Business:
Speakers emphasized the importance of fostering collaborations between scientists and entrepreneurs to translate research findings into tangible products and services. The seminar highlighted the need for a strong entrepreneurial ecosystem to support the growth of bio-entrepreneurial ventures.

Dr. Dinesh Pawar (Associate Professor, CCS University, Meerut)

Our next speaker had tremendous knowledge on Innovation in Drug Discovery and Development:

The speaker explored the latest advancements in drug discovery and development, with a focus on personalized medicine and precision healthcare. Speakers discussed the potential of genomics, proteomics, and other emerging technologies to accelerate the development of targeted therapies.

Dr. Rakesh Kumar (Associate Professor, Vijay Singh Pathik Govt. B.G. College, Kairana)

Speaker was invited to throw some light on Medical Devices and Diagnostic Technology development:

The speaker showcased the rapid advancements in medical devices and diagnostic technologies. Attendees learned about innovative solutions for disease diagnosis, treatment, and monitoring, as well as the potential impact of these technologies on patient outcomes.

Day 2

Date: 21st Feb 2024

Dr. Satyendra Kumar (Professor, D.A.V. College, Muzaffarnagar)

Our last topic Global Health Challenges and Solutions was discussed:

The speaker addressed the pressing global health challenges, such as infectious diseases, rare disorders, and access to healthcare in underserved regions. Speakers discussed the role of bio-entrepreneurship in developing affordable and accessible healthcare solutions, particularly in developing countries.

Dr. Aabha Vashishtha (Head, Department of Biotechnology, IAMR Ghaziabad)

Our last speaker inspired us all with some success stories:

The speaker featured inspiring success stories and case studies of bio-entrepreneurial ventures that have made a significant impact on healthcare. These examples demonstrated the potential of bio-entrepreneurship to drive economic growth, create jobs, and improve patient outcomes.

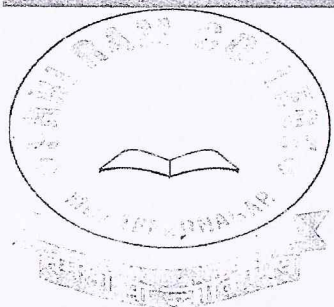

Conclusion

The concluding remarks were given by Mr. Ankit Kumar (Assistant Professor, Department of Bioscience) on the seminar "The Role of Bio-entrepreneurship in Global Healthcare Transformation" provided valuable insights into the potential of this emerging field to revolutionize healthcare. Attendees gained a deeper understanding of the opportunities and challenges facing bioentrepreneurs, as well as the importance of fostering collaborations between scientists, entrepreneurs, and investors. By leveraging the power of biotechnology and business, bio-entrepreneurship can play a critical role in addressing global health challenges and improving the lives of people worldwide.

Workshop on
“Intellectual Property Rights; (IPR): Challenges and Future Prospects”

Report

Date: 8-12-2023

Department of Commerce organized incredible 3-days Workshop on “Intellectual Property Rights; (IPR): Challenges and Future Prospects” for 2023–2024 Session, from December 04, 2023 to December 06, 2023. Nineteen faculty members attended in this informative Workshop. Dr. Ashfaq Ali worked as a coordinator. Dr. S.C. Kulshreshtha, the Honorable Chairman of the Shri Ram Group of Colleges in Muzaffarnagar, attended the inaugural event and inspired all of the faculties with his experiences. Primary aim of the program was to develop teaching skills by innovative tools which facilitate students learning in the class room. This program is designed to enhance knowledge about Intellectual Property Rights.

Date: 04-12-2023

Speaker: Dr. M.S. Khan, Associate Professor

The workshop started at 10:00 AM in Lecture Theater. The program started with lamp lighting and bouquet presentation to Dr. M.S. Khan followed by a motivational session by Dr. S.C. Kulshreshtha, Founder and Chairman of Shri Ram Group of Colleges, Muzaffarnagar. This program introduced attendees about the Intellectual property (IP) which is creations of the mind, such as inventions; literary and artistic works; designs; and symbols, names and images used in commerce.

Speaker: Dr. Girendra Gautam, Director, SRCP

In continuation of the training session, the second day session started at 10:00 AM in the Lecture Theater. The speaker of the day was welcomed with Tilak and Bouquet. Attendees learned that Intellectual property rights (IPR) are the rights granted to individuals over their original creative works such as inventions, literary and artistic work, designs and symbols, names, and images in commerce. These legal rights are granted through patents, copyrights, trademarks, geographical indications, etc.

Date: 06-12-2023

Speaker: Dr. Naeem, HOD, Agriculture

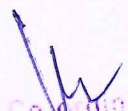

The third day began at 10:00 AM as a continuation of the previous session. A Bouquet and Tilak were used to welcome the day's speaker. He told that the intangible nature of intellectual property presents difficulties when compared with traditional property like land or goods. Unlike traditional property, intellectual property is "indivisible", since an unlimited number of people can in theory "consume" an intellectual good without its being depleted.

Interactive Sessions and Q&A:

Throughout the training session, total 19 faculty and 143 students actively participated in interactive sessions. The Q&A sessions provided opportunities for clarification and deeper exploration of key topics, fostering a dynamic learning environment. In Q&A session more than 20 participants got answer of their query.

Title : Exploring Research Methodology: Foundations for Academic Success

On September 30, 2023, Dr. Manoj Dhiman and Minakshi Kakran conducted a seminar on research methodology attended by 35 enthusiastic students. Fine art Department invite the honourable guest Mohd. Arif as chief guest he session aimed to provide participants with a comprehensive understanding of research design, data collection methods, and analytical techniques. emphasized the importance of formulating clear research questions and selecting appropriate methodologies, while Minakshi Kakran highlighted practical aspects, including ethical considerations and effective data presentation.

At a distinguished gathering, Mr. Manoj Dhiman had the honor of presenting a gift to the esteemed guest, Mr. Arif Mohammad, in a gracious display of respect and appreciation. This thoughtful gesture underscored the deep regard and goodwill shared between the host and the guest, enhancing the event's significance. The seminar included engaging activities such as group discussions on case studies, hands-on exercises in survey design, and a brainstorming session where students collaborated to develop research proposals. These activities encouraged active participation and allowed students to apply theoretical concepts to real-world scenarios. Overall, the seminar fostered a collaborative learning environment, equipping students with essential skills for their future research endeavors.

Acknowledgments

First of all, I am indebted to the GOD Almighty for giving me an opportunity to excel in my efforts to complete this workshop successfully.

I am extremely grateful to Prof. Sunita Sharma, Dean, Faculty of Education, Maa Shakumbhari University, Saharanpur for always encouraging and supporting to conduct these kinds of programs.

I feel honored and privileged to offer my gratitude to Hon'ble Chief Guest Dr. S.C. Kulshrestha, Chairman, Shri Ram Group of Colleges, Muzaffarnagar and Prof. Ashok Kumar, Director, Shri Ram College, Muzaffarnagar for gracing the inaugural session. My heartfelt gratitude to Dr. Alok Gupta, Director, Shri Ram Group of Colleges, Muzaffarnagar and Prof. Surendra Pal, Dept. of Education, D.A.V. College, Muzaffarnagar, Dr. Preeti Garg, Professor, Dept. of Education, D.A.V. College, Muzaffarnagar, Dr. Suvita Kumari, Dept. of Education, D.A.V. College, Muzaffarnagar, for thier support in conducting the workshop. I express and acknowledge the technical support received from Mr. Nishant Rathi, Head, Dept. of Computer Application

I express my heartfelt acknowledgment to all the resource persons who have visited and delivered their lectures.

I feel special by acknowledging the support received from Dr. Ankur Sharma, Co-Convenor of the programme and Mr. Praveen Kumar, Assistant Professor, Dept. of Computer Application while whole duration of the workshop.

I would like to acknowledge the Support of Guest Faculties, Faculties of other departments and M.Ed students who have helped throughout the workshop.

I will be failing in duty if I do not acknowledge the support of Faculty members, Research Scholars, Students and staffs during workshop.

Thanking You

Inaugural Session:

The 5 Days National Workshop on Research Methodology was organized by the Faculty of Education, Shri Ram College, Muzaffarnagar from 05th -09th June, 2024.

The Inaugural programme of the Workshop was held on 05th June, 2024. Dr S.C. Kulshreshtha, Hon'ble Chairman, Shri Ram Group of Colleges, Muzaffarnagar graced the occasion as the Chief Guest and Prof. Sunita Sharma, Dean, Faculty of Education, Maa Shakumbhari University, Saharanpur, as the Guest of Honor. Dr. Preeti Aggarwal, Professor, Dept. of Education, D.A.V. College, Muzaffarnagar, delivered the keynote address. The programme was attended by a host of dignitaries, invitees, resource persons, participants from within and outside the State besides faculties and students from the college.

The inaugural function commenced with the felicitation of the Chief Guest followed by the welcome address from the Principal Shri Ram College, Muzaffarnagar, Dr Prerna Mittal. While warmly welcoming the gathering he highlighted on importance of research in enhancement of quality education. He then pointed that the present day educational system is full of many changes and challenges thereby necessitating the importance of organizing such a Workshop to develop awareness and inculcate scientific temper on the teaching fraternity to enable them to equip the young minds thereby indirectly contributing towards the development of the nation.

This was followed by an introductory speech on the Workshop from Dr Munendra Kumar, Convener, the workshop. In his introductory speech he emphasized that research and development are the catalyst for creativity and innovations and they play a crucial role in the context of higher education. Keeping in mind the dynamic change of society and the significance of Research and Innovation as important parameters for quality and academic excellence, the Cell organized this workshop to expose the participants to the fundamentals of scientific research methodologies and Techniques and to inculcate scientific temper on all participants.

Dr. Preeti Aggarwal, Professor, Dept. of Education, D.A.V. College, Muzaffarnagar, in her key note address emphasized on the importance of inculcating the skills of empirical observations and the analytical capabilities of the participants. Dr. Suvita Kumari, Professor, Dept. of Education, D.A.V. College, Muzaffarnagar, corroborated that action based research should be under taken in consultation with the community so as to ensure productivity of the research. She also suggested that such innovative action based research is the need of the hour.

This was followed by the inaugural address from the Chief Guest, Dr S.C. Kulshreshtha, Hon'ble Chairman, Shri Ram Group of Colleges, Muzaffarnagar. The inaugural address set the ball rolling by making some well pointed thoughts on field based research which is the need of the hour. Further he noted that though a huge quantum of research work has been carried out in the country, its quantity is negligible when compared to that of developed countries. In his speech he emphasized that the State and all stakeholders should take up the challenges of initiating such field based projects especially in the rural areas. While expressing his happiness and pride over the role played by Shri Ram College, Muzaffarnagar in imparting education to the society, he also highlighted that the college has played a vital role in uplifting the welfare of students from all backgrounds. He also pointed out that the college ensures that there are equal opportunities for both the girls and boys students in all activities besides encouraging students' project and research to ignite their creativity thinking. He further congratulated the Research Innovation and Publication Cell and IQAC of Shri Ram College, Muzaffarnagar for organizing the programme.

The programme ended with the vote of thanks delivered by Dr Indira Singh, Joint Convener of the workshop.

The Technical Sessions: A brief summary of the Technical sessions of the 5 days National Workshop on Research Methodology are as follows:

Day1: 5th June 2024

Technical Session I: SubTheme entitled Characteristic of Scientific Method

The Technical Session 1 started at 11.30 AM on the Sub Theme entitled *Characteristic of Scientific Method* and Dr. Alok Gupta, Director, Shri Ram group of colleges, Muzaffarnagar was the resource person.

The resource person noted that modern scientific method is based upon the tenets of positivism. The discussion touched on how positivist philosophy paved a new understanding on the nature of reality and Social Science claimed for them selves on a parallel plane with the natural science as branch of knowledge by following the levels of positivism.

Further, the discussion had touched on the very solid reasons for the obsessive concern with methodology in the social sciences. In natural science there is a clear separation between the researcher and the object of research whereas in the social science there is hardly any such separation. But however, according to Max Weber, "scientific knowledge can never reach its end and is ever evolving and man cannot claim to have reached the final stage of knowledge about reality. Thus scientific research becomes an ever ongoing activity."

Technical Session 2: SubTheme --Hypothesis.

The Technical Session 2 started at 1.30PM on the Sub-Theme entitled *Hypothesis* and Prof Sunita Sharma, Dean Faculty of Education, Maa Shakumbhari University, Saharanpur was the resource person. She elaborated on the different components involved in hypothesis formulation. She stressed on the importance and nature of a hypothesis. Hypothesis is the pivot of scientific research. It is a tool of quantitative studies which must include three key components which are the variables, the population and the relationship between two or more variables. The functions of a hypothesis were elaborated upon as to delimit the field of investigation, to sensitize the researcher to have a realistic approach to the problem and to offer a simple means to collect evidence for verification. Through the course of the session, emphasis was laid on the aims of research which included finding truth, hypothesis testing, theory building and providing a scientific basis for planning, decision making; to name a few. The session concluded with the generalization that a well- crafted hypothesis is the most powerful tool that suggests the best way to perform the research and provides clues to research design.

Day 2 : 6th June 2024

Technical Session I : Sub-theme : Concepts and Conceptualization

On Day 2 the first Session started at 9.30 AM on the sub-theme: Concepts and Conceptualization. The resource person Prof Preeti Aggarwal, Department of Education, D.A.V. (P.G.) College, Muzaffarnagar deliberated on the theme and emphasised that concepts are basic elements of theories and we develop them through a process of definition and theories basically connect concepts to one another in a logical manner. Further she noted that concepts are abstractions that are not made randomly but by a recording of structural properties rigorously selected from the visible traits exhibited by the phenomenon under study.

She further debated that proposition in all sciences are always open to scrutiny and continued research in a scientific manner means that we keep testing earlier statements for their validity. Thus science claims to be a never ending process. This session saw the interaction and involvement of all the participants.

Technical Session 2: Sub-theme: Subjectivity/Objectivity

The second Technical session started at 11.30 AM on the sub-theme: Subjectivity/Objectivity and the resource person was Dr R.P. Singh, Principal, Shri Ram College of Law, Muzaffarnagar. The source person opened the session by bringing out the differences between subjectivity and objectivity in research. He defined Subjectivity as interpretation based on personal opinions or feelings rather than on external facts and evidences. Objectivity however is the ability to perceive or describe something without being influenced by personal emotions or prejudices. Professor Joshi also introduced the concept of value freedom and value relevance. Value freedom is the idea that all biasness should be eliminated from research while value relevance comes into the picture when values are complex and can affect what a researcher chooses to study. He reiterated though that objectivity in Research can be difficult to achieve as values can enter the research process at different stages. The session was a lively one with a lot of interaction amongst the participants and the resource person.

Technical Session 3: Sub-theme: Research Design

This was the last session of the second day and commenced at 1.30 PM. Prof Surendra Pal, Department of Education, D.A.V. (P.G.) College, Muzaffarnagar shared his knowledge on formulation of research design and participants were acquainted with the total sum of techniques of data collection, tool or methods of analyzing data and theoretical or orientation that govern research and the logic of enquiry. He further encouraged the participants to pursue research and projects and for doing so they can identify their own college as there are

a of study and the students' community can infact provide important data for their work.

Day 3 : 7th June 2024

Technical Session I : Sub-theme: Review of Literature

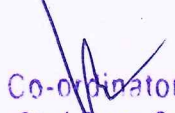

This session started at 9.30 AM with Dr Vipin Kumar Saini, Head, Department of Biotechnology, Shri Ram College, Muzaffarnagar as the resource person. He pointed out that literature review is an integral part of the entire research process that makes valuable contribution to each research step. Amongst others, literature review helps the researcher to gain clarity and focus, to improve methodology and to broaden ones knowledge base. In addition, a proper literature survey helps us gather much needed information on the topic concerned. It gives future research context by illustrating the background on what has been done so far.

Technical Session 2 (11.30 12.30pm) : Preparing Research proposal

The Session started at 11.30 AM and the resource person was Prof Suvita Kumari. She focused on the various prospects of preparing Research Proposal highlighting on the introduction, the background, review of literature and Methodology taking note of the objectives, the techniques to be used for collection of data, and the conclusion and budget. During the deliberations the participants interacted during the entire technical session and evoked enthusiastic responses amongst all the participants. Taking note of the varied suggestions and recommendations that were given by all the resource persons, it is heartening to note that all the participants have benefitted a lot from the Programme.

Technical Session 3: Sub-theme: Construction of Questionnaire/Schedule

The last Technical session of the day which started at 1.30pm was on the topic Construction of Questionnaire and Prof Sunita Sharma, Dean Faculty of Education, Maa Shakumbhari University, Saharanpur was the Resource Person. In her participant centric presentation she highlighted on the details of constructing a questionnaire for the use of any research work. In her presentation she further highlighted on the significance of a good questionnaire and its types. This session which was activity based saw the interaction and involvement of all the participants.

Technical Session 1: Sub-theme: Logical and scientific enquiry of research

The first session of the day started at 9.30 AM and Dr. Alok Gupta, Director, Shri Ram group of colleges, Muzaffarnagar was the Resource persons. He introduced the participants briefly on the impact and significance of historical thought. He noted that the ethics of enquiring in research has been a concern in the 19th century, when facts are collected in the hope that Government would use them. Concerns with development and the participation of the citizens are them in drives of the new methodologies of social research in the 21st century. Further he discussed on how social research can be understood against the backdrop of history of evolution of human thought. The Resource Person further enlightened the participants on deductive methods of reasoning and the new Scientific method of inductive method and explained how. Aristotle gave privacy to the faculty of reasoning of the human mind above what is handed down to us by tradition and custom.

Technical Session2: Sub-themes- Qualitative and Quantitative Data

In the following session which started at 11.30 AM, Dr. Alok Gupta continued his lecture where he thoroughly dwelt on the importance of qualitative and quantitative data and the challenges faced by researches and scholars in the field while collecting such types of data. In his very informative lecture the Resource persons enlightened the participants on the difference between qualitative and quantitative data. Qualitative research and techniques deals mainly with field methods which he pointed to the participants would help the researcher to obtain new ethnographic material. On the bases of these material the researcher built theories and test their conceptual ideas to comprehend the social world. On the other hand he pointed that Quantitative data usually involves large samples that generate numerical data and conclusions are based on statistical analysis.

Technical Session3: Sub-theme- Sampling Techniques

The last Technical session of the day started at 1.30 pm and Dr Arvin Panwar, from the S.D. College, Muzaffarnagar gave a detailed presentation on Sampling techniques. In his deliberation she provided the participants with the relevant information on different methods of sampling. Further he enlightened all on the skills of calculating the sample size. In his deliberation he emphasized about sampling theory in statistic and informed all, that sampling theory “devotes itself to providing numerical estimates of the livelihood that the population values be within some defined range of that established from the sample-provided that the sample has been chosen in such a way as to meet the mathematical conditions to justify the computation of the probabilities concerned” This session saw the interaction and involvement of all the participants.

Day 5: 9th June 2024

Technical Session 1: Sub-themes- Statistical Analysis

Transforming one's data gathered from different sources into research findings to be presented in a written form is a major task of a research process. Dr. Saurabh Mittal, Haed, Department of commerce delivered a detailed presentation on how to analyse and present the research findings which have have greatly benefitted all the participants.

Technical Session2: Sub-Themes- Bibliography/References

The second session of the day started at 11.30 and the resource person, Dr. Anu, from the Department of Sociology, Jain Kanya Pathshala (P.G.) College, Muzaffarnagar delivered a very informative presentation on Bibliography/Reference. She highlighted the participants on the efficacies of writing bibliography and references from different journals, books and e-journals etc. Taking note of the varied suggestions and tools that were given it is heartening to note that all the participants have benefitted a lot from the Programme.

Technical Session3 : Sub-themes: Challenges of Research of Research in NER

The third technical session started at 1.30 PM and the resource persons was Prof Preeti Aggarwal, Department of Education, D.A.V. (P.G.) College, Muzaffarnagar . The challenges of research in the context of North Eastern region was dwelt upon with a focus on the importance of theoretical and conceptual framework in research. She also highlighted how challenges can become opportunities especially in the North East context which has scope for much more new research in various fields. In her very informative lecture the Resource Person shared her experiences, problems that he encountered in her career as a student, teacher and researcher. She exhorted the participants to always keep in mind about whatever choices they make, not to be...but to ever seek knowledge and to always be ready to face challenges in their career as teachers.

Valedictory Function: 9th June, 2024

The workshop on Research Methodology which was attended by 89 participants, experts and resource persons ended with a valedictory function on the 9th June 2024 at 1:30 PM.

The valedictory function was graced by Dr S.C. Kulshreshtha, Hon'ble Chairman, Shri Ram Group of Colleges, Muzaffarnagar as the Chief Guest besides a host of other dignitaries and invitees. The programme started with felicitation of the dignitaries followed by a welcome address from Dr. Munendra Kumar, the Convener of workshop. While welcoming everyone to the function, she briefly highlighted about the proceedings of the Five-Days Workshop. He also encouraged all the participants to share their knowledge at their respective institutions

and department and to empower and equipped young minds to face the challenging realities of the competitive world.

Then the IQAC, Coordinator, Dr. Vinit Sharma address the gathering. In his speech he focused on the challenges to conduct Quality Research that would develop creativity and innovation especially in higher educational Institution in India which is one of the largest in the World.

This was followed by feedback from the participants and all of them stressed that the conduct of these programmes is very important in the present day and encouraged the College to organise such workshops in the future for a longer duration to be able to incorporate other themes.

Then the Principal of the College, Dr. Prerna Mittal address the gathering. She emphasized that research is an important tool of education that can bring significant changes in the society especially in the rural areas. While lauding the initiatives of the Faculty of Education to organize such workshop, Dr. Prerna Mittal urged all the participants to take advantage of local situations and conduct quality research that would result in innovations and publications.

After the valedictory address there was distribution of certificates to all participants by the Chief Guest and Principal.

The programme then ended with a vote of thanks from Dr Ankur Sharma, Assistant Professor, Faculty of Education, Shri Ram College, Muzaffarnagar, followed by light refreshment.
