Date: 24th November 2023

Time: 10.00am to 12.30 noon

A guest lecture was organized by Department of Teacher Education on "Right to Education Act, 2009: Barriers and Challenges" for the students of B.Ed and M. Ed on 24th November, 2023. The speaker was

Co-ordinator

Chairman

Dr. Mandeep Sharma, who is presently the Assistant Professor, Faculty of Education, Deewan Institute of Management Studies, Meerut.

He began his lecture with a brief introduction of Rights and why do children need rights. Then he talked in brief about history of RTE Act and its process of coming into existence in 2009. He discussed the recommendations given under different sections of this act regarding infrastructure of the school, teacher-pupil ratio, eligibility criteria for recruitment of teachers and School Management Committee.

After discussing the RTE Act he moved towards its implementation and talked about how this act is being manipulated by school managements. He also discussed about 'No Detention Policy' the meaning of which is completely distorted by the teachers. No Detention Policy does not mean that child can not be failed but, it was formulated with the intension of evaluating the child on the basis of CCE (Continuous Cumulative Evaluation). But teachers are not skilled enough to carry out CCE in a proper way.

Since he attends workshops conducted to discuss issues and challenges in implementation of the act at the field level. He shared many of his experiences witnessed during the workshops and visit to schools where this act was getting manipulated and distorted especially by private schools.

He mentioned that government is putting their effort to bring all children in school to achieve Universalisation of elementary education. But it can't be possible without participation of parents into education system. Although most of the schools have School Management Committees and parents are recruited as member of the committee but he discussed the reality of these SMCs.

Finally in discussion session students shared their school experiences about corporal punishment which is completely prohibited under RTE Act. Students also asked about the steps taken by the government for connecting curriculum to the real life utilization by including more practical components.

The lecture was ended with an important message that India has many strong policy documents but still the result is negligible because there are manipulations for personal benefits at implementation level. He requested the students to contribute at their own level in changing the present scenario, as they the youth and he believes that only youth has the potential to bring change in the mindset of the society.

A Report

On

Republic Day

Shri Ram College celebrated the 75th Republic Day with great enthusiasm and patriotic fervor on January 26, 2024. The event took place in the Shri Ram College B Block, bringing together students, faculty members, and staff to honor the spirit of the Indian Constitution and its values.

The celebration commenced with the hoisting of the national flag by the chief guest, Dr. S.C. Kulshrestha, founder and chairman of Shri Ram Group of Colleges, Muzaffarnagar, followed by the singing of the national anthem. Dr. S.C. Kulshrestha addressed the gathering, emphasizing the importance of unity, democracy, and responsibility as citizens of India.

On this occasion Dr. Kulshrestha delivered a heartfelt speech to commemorate the significance of Republic Day and its importance for the youth of the nation. His speech resonated with the themes of unity, integrity, and patriotism. Here are some key excerpts from his speech:

“On this day in 1950, India became a republic. Our Constitution, the longest written Constitution in the world, was adopted, laying the foundation for our democracy. As we celebrate Republic Day today, let us not only salute the ideals of justice, liberty, and equality enshrined in it but also reflect on the role we, as citizens, play in shaping the future of our nation.”

It is your responsibility to contribute meaningfully to the development of India, whether through innovation, education, or social activism.”

“Today, as we stand united under the tricolor, let us pledge to serve the nation with integrity and honor. Our collective efforts will determine the future of India, and the youth will play a decisive role in this journey.”

The speech was well-received by the students, who felt inspired to contribute positively to society.

On this occasion, following the Chief Guest’s speech, Dr. Perna Mittal, the Principal of SRC, addressed the gathering. Her speech focused on the importance of the Republic Day in the context of SRC’s values.

“Republic Day is a reminder of the sacrifices made by our freedom fighters and the struggle to establish an independent republic. But it is also a reminder of our responsibility to preserve and protect the values that make India what it is today.”

“At SRC, we aim to nurture the minds of future leaders who will take forward the vision of a progressive, inclusive, and equitable society. I urge all of you to think about how you can contribute not only in your respective fields but also in making a positive difference in the lives of others.”

Dr. Mittal’s address focused on the empowerment of youth and their crucial role in the nation’s future, motivating the students to pursue excellence and contribute towards the progress of the country.
