Shri Ram College, Muzaffarnagar
Department of Agriculture

Date: **19/09/2024**

To,
The Director
Shri Ram College
Muzaffarnagar

Subject: Request for permission to organize an Educational Tour to Dehradun for B.Sc. (Agriculture) students

Respected Sir,

With due respect, it is most humbly submitted that the Department of Agriculture proposes to organize an **Educational Tour to Dehradun (Uttarakhand)** for the students of **B.Sc. (Agriculture)** as a part of their academic curriculum.

The main objective of the tour is to provide practical exposure and firsthand knowledge to the students by visiting reputed agricultural and forestry research institutions such as **Forest Research Institute (FRI), ICFRE**, and other relevant educational centers. This tour will help students to correlate theoretical knowledge with practical field experience and enhance their understanding of agriculture, forestry, and allied sciences.

The proposed tour is planned for **01 day on 28 Sep 2024**, and approximately **50 students** will participate under the supervision of accompanying faculty members. All necessary arrangements regarding discipline, safety, and academic relevance will be ensured.

Therefore, I kindly request you to grant permission for organizing the above-mentioned educational tour. I shall be highly obliged for your kind approval and support.

Thanking you.

NOTICE

Date: 22/09/2024

Subject: Educational Tour to Dehradun for B.Sc. (Agriculture) Students

All the students of **B.Sc. (Agriculture)** are hereby informed that the Department of Agriculture is organizing an **Educational Tour to Dehradun (Uttarakhand)** as a part of the academic programme.

The educational tour aims to provide practical exposure to students through visits to reputed institutions such as **Forest Research Institute (FRI), ICFRE**, and other agriculture- and forestry-related research centers.

Details of the Tour:

- **Place of Visit:** Dehradun (Uttarakhand)
- **Duration:** 01 day
- **Proposed Dates:** 28/09/2024
- **Eligible Students:** B.Sc. (Agriculture)
- **Number of Seats:** 50

Interested students are required to **register their names** with Dr. Parveen Malik on or before **27/09/2026**. Participation will be confirmed on a **first-come, first-served basis**. Students must ensure discipline and follow all instructions during the tour.

For further details, students may contact Dr. Parveen Malik.

Report on Educational Tour to Dehradun

Date & duration: 28/09/2024 (1day)

Course/Class

B.Sc. (Agriculture)

Objectives of the Tour

The educational tour was organized with the following objectives:

- To provide practical exposure to students beyond classroom teaching
- To familiarize students with agricultural research institutions and allied sectors
- To enhance knowledge of hill agriculture, forestry, and biodiversity
- To develop observational skills and scientific temperament among students

Number of Participants

A total of __ **B.Sc. (Agriculture) students** participated in the educational tour, accompanied by faculty members.

Faculty Accompanying

The tour was supervised by the following faculty members:

- Dr. Mohd. Nayeem Ali
- Dr. Parveen Malik

Institutions/Places Visited

During the tour, students visited the following important institutions and locations:

- Forest Research Institute (FRI), Dehradun
- Indian Council of Forestry Research and Education (ICFRE)
- Local agricultural and horticultural farms
- Botanical gardens and biodiversity-rich areas
- Other educational and research centers relevant to agriculture

Activities Undertaken

- Interaction with scientists and experts at research institutions
- Observation of forest species, nursery practices, and conservation techniques
- Study of hill farming systems, agroforestry, and soil conservation methods
- Field demonstrations and guided tours at various institutes
- Group discussions and note-taking by students

Learning Outcomes

The educational tour helped students to:

- Gain first-hand exposure to advanced research in forestry and agriculture
- Understand the importance of sustainable agriculture and biodiversity conservation
- Relate theoretical knowledge with practical field applications
- Improve teamwork, discipline, and leadership qualities

10. Student Feedback

Students expressed great enthusiasm and satisfaction regarding the tour. They found the visit highly informative and beneficial for their academic and professional development.

11. Conclusion

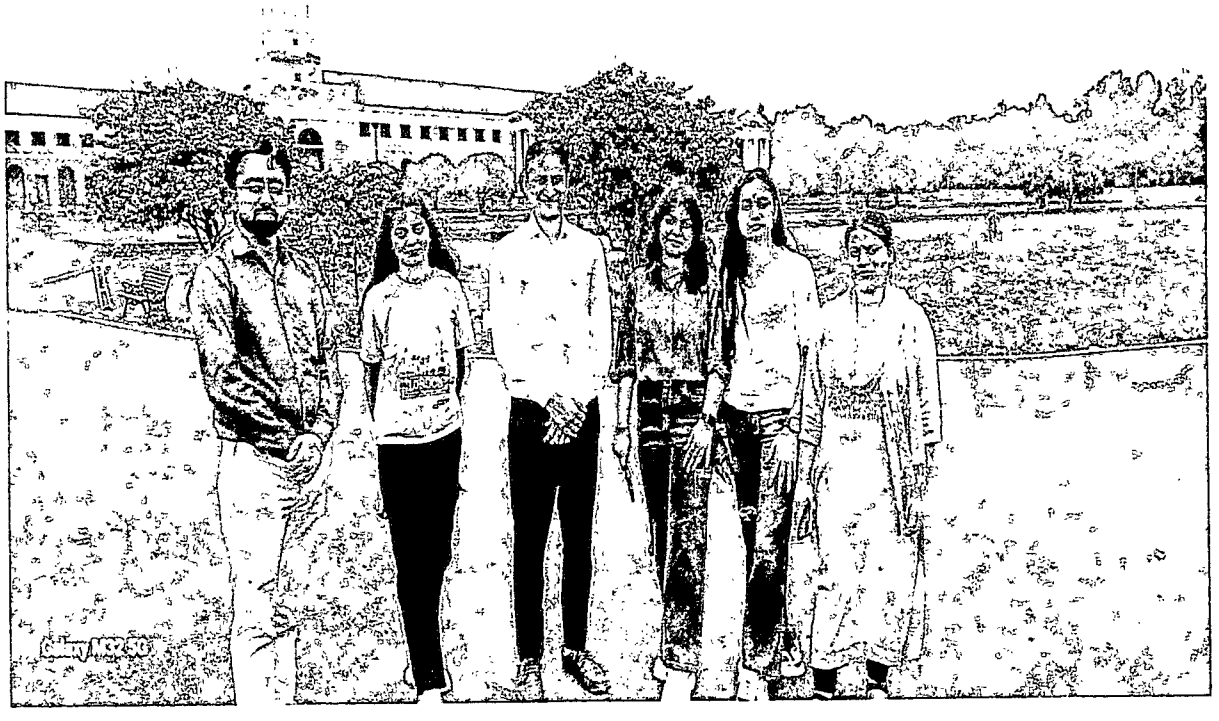

The educational tour to Dehradun was highly successful and achieved its intended objectives. It proved to be an effective learning experience that enriched the academic knowledge of B.Sc. (Agriculture) students and motivated them towards research and sustainable agricultural practices.
