Report

The Agriculture Department of Shri Ram College organized a seminar on the subject of increasing the income of farmers on the occasion of Kisan Diwas. The program was conducted by the Chief Guest Mr. Ashok Baliyan, Chairman, Peasant Welfare Association, Director of the institution Dr. Ashok Kumar, Principal Dr. Prerna Mittal, Dean of Agriculture Department Dr. Vineet Kumar and Head of Department Dr. Naeem.

Dr. Ashok Kumar told that National Farmers Day in India, also known as Kisan Diwas, is celebrated every year on 23 December to commemorate the birth anniversary of the 5th Prime Minister of India, Chaudhary Charan Singh. This day pays respect and tribute to the farmers who are considered the backbone of the country. This day is celebrated to express gratitude to the farmers who lay the foundation of the country's economy. India celebrates National Farmers Day, also known as Kisan Diwas, to honor the lifeline of the country i.e. farmers. Revered as the food providers, India, as an agricultural economy, depends largely on its farmers, making them crucial to the country's growth and prosperity. National Farmers' Day is an important reminder of the need to honour the contributions of farmers, address their concerns and enhance their quality of life.

Shri Ashok Balyan informed that Chaudhary Charan Singh, often referred to as the "Champion of Farmers", played a key role in empowering farmers during his tenure as Prime Minister from 1979 to 1980. He introduced landmark reforms such as the Debt Redemption Bill of 1939, which freed farmers from exploitative moneylenders and implemented policies that significantly advanced agricultural self-reliance in India. His contribution to land reforms in Uttar Pradesh transformed the agricultural landscape. In honour of his legacy, his memorial in New Delhi has been named Kishan Ghat. The theme of this year's Kisan Diwas is "Empowering Food Providers for a Prosperous Nation." This theme emphasizes the importance of providing resources and opportunities to farmers to ensure sustainable agricultural development and national prosperity.

Dr. Prerna Mittal told the students that Kisan Diwas serves as a platform to discuss important issues such as fair pricing, climate resilience, sustainable agricultural practices and access to modern agricultural technologies. It also raises awareness about government initiatives aimed at improving the livelihood of farmers and increasing their role as a major contributor to the economy.

Dr. Naeem told the students that humble tribute to former Prime Minister Bharat Ratna Chaudhary Charan Singh ji, a true well-wisher of the poor and farmers, on his birth anniversary. His dedication and service to the nation will continue to inspire everyone.

During this program, Dr. Vineet Kumar Sharma, Dr. Vikrant Kumar, Dr. Anjali Jakhar, Dr. Praveen Malik, Dr. Abid Ali, Dr. Suraj Singh, Dr. Rajkumar and all the students were present.
