Report Summary: One-Day Industrial Trip to NITRA, Ghaziabad Organized by the Fine Arts Department

The Fine Arts Department organized a One-Day Industrial Trip on **1st February 2025** exclusively for Fashion Design students, with the objective of providing practical exposure to textile industry operations and professional practices. The visit was conducted at NITRA, (Northern India Textile Research Association), Ghaziabad, a renowned textile research and development center. Dr. Manoj Dhiman Director, Fine Arts was Coordinating of this trip. Total 45 students are gone to visit research center.

The trip focused on enhancing students' understanding of the following areas:

- **Fabric processing and garment manufacturing techniques**
- **Industry workflow and the functioning of machinery**
- **Professional standards and workplace environment**

All Fashion Design students participated in the visit, as attendance was mandatory. The students were required to submit their consent forms and register with their class coordinators by 27th January 2025.

During the visit, students received guided tours of the production units and labs, observed real-time processes, and interacted with industry experts. The experience provided valuable insights into industrial operations, helping bridge the gap between classroom learning and industry requirements.

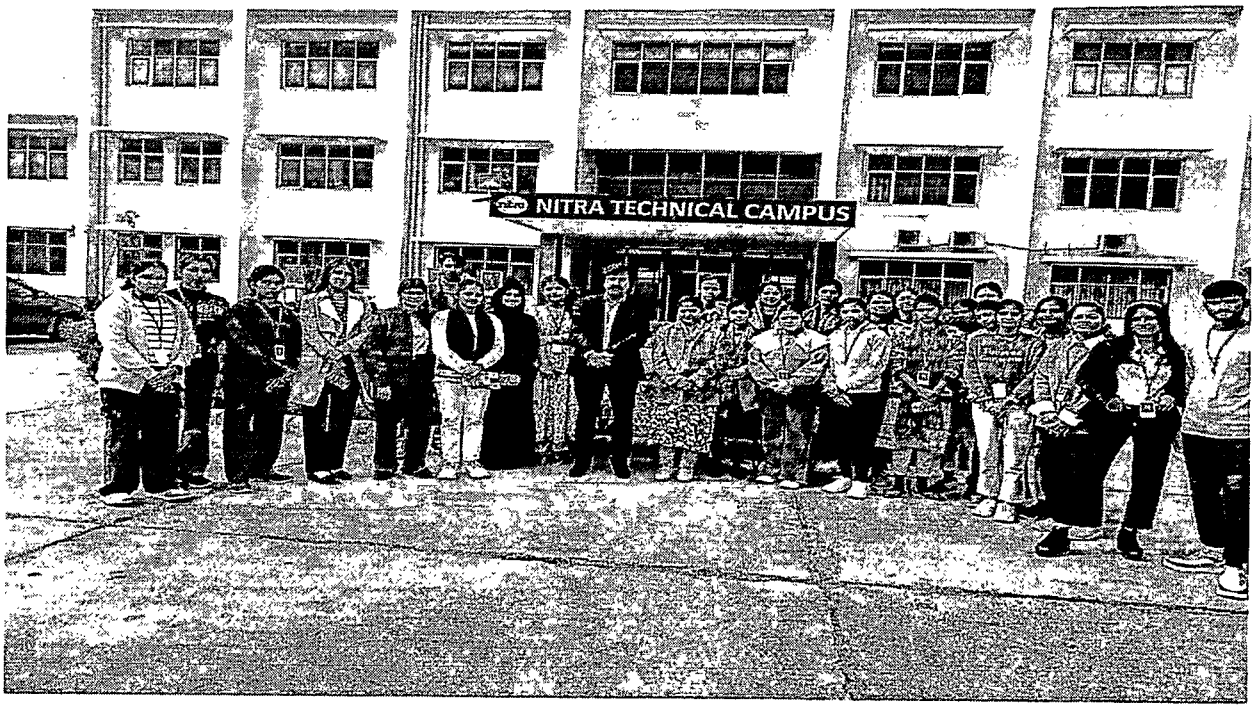

The educational trip proved to be highly informative and beneficial, enriching students with practical knowledge, inspiring career awareness, and strengthening their understanding of textile and fashion production environments.
