Department of Agriculture
Shri Ram College, Muzaffarnagar

Date: 15-08-2024

To
The Director
Shri Ram College
Muzaffarnagar

Subject: Permission for Conducting RAWE Programme

Respected Sir

I am writing to seek your kind permission to conduct the *Rural Agricultural Work Experience (RAWE)* programme for the final year students of B.Sc. (Agriculture) as part of their academic curriculum, as mandated by the university.

The RAWE programme aims to provide hands-on experience and exposure to real-life rural agricultural settings. Through this initiative, students will interact directly with farmers, agricultural institutions, and allied sectors to enhance their practical knowledge, problem-solving abilities, and extension skills.

We propose to initiate the programme in selected villages and with the collaboration of Krishi Vigyan Kendras (KVKs), NGOs, and local agricultural departments. All necessary precautions and arrangements regarding student safety, supervision, and coordination will be duly taken care of.

We kindly request your approval to proceed with the planning and execution of this essential academic activity.

Thanking you in anticipation.

NOTICE

Date: 27-08-2024

Subject: Conduction of RAWE Programme for Final Year B.Sc. (Ag.) Students

All the final year students of B.Sc. (Agriculture) are hereby informed that the **Rural Agricultural Work Experience (RAWE)** programme will be conducted from **05- September-2024** as a part of the academic curriculum.

The RAWE programme is a compulsory component designed to provide practical exposure to rural agricultural practices, extension work, and real-life farming situations. During this period, students will be placed in selected villages/centres under the supervision of faculty members.

Students are directed to attend the orientation session scheduled on 05-September-2024 at Department of Agriculture. Detailed guidelines, schedule, and group allocations will be shared during the session.

Attendance in the programme is mandatory. For any queries, students may contact the RAWE Coordinator.

The Rural Agricultural Work Experience (RAWE) is a vital part of the B.Sc. Agriculture curriculum aimed at providing students with real-life exposure to rural settings and farming practices. It bridges the gap between theory and practical knowledge by enabling students to interact with farmers, understand rural issues, and learn modern agricultural techniques.

The RAWE program was successfully organized in 07 villages of District Muzaffarnagar, under the supervision and guidance of departmental faculty. A total of students participated and were divided into 7 groups. Each group was assigned specific village and each student was assigned specific households and farmers for continuous interaction.

The students carried out the following activities:

- Village and household survey
- Detailed survey of economic status, literacy level, landholding pattern, cropping system, and income sources
- Crop production and management observations
- Livestock and allied enterprise assessment
- Participatory rural appraisal
- Interaction with farmers and SHGs
- Identification of key constraints in agriculture
- Organization of awareness and extension programs

The students performed well in both individual and group activities. Particularly commendable was the initiative shown by students in organizing farmer meetings and awareness campaigns on soil health, pest management, and government schemes. Their discipline, curiosity, and willingness to engage with rural communities were noteworthy.

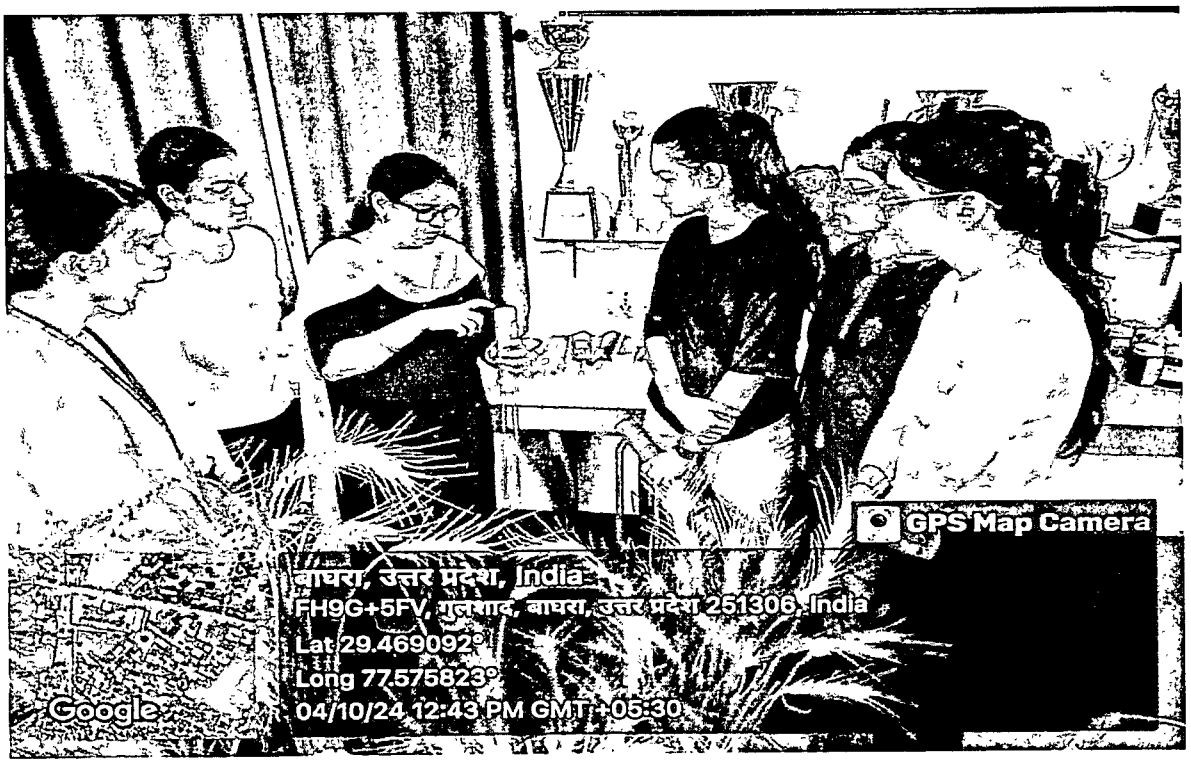

Outcomes and Observations

- Students gained first-hand experience in dealing with real-life farming issues.
- Enhanced understanding of extension systems and rural dynamics.
- Stronger connection developed between students and farming communities.
- Identified gaps in knowledge transfer and adoption of modern techniques.
- Developed problem-solving and team collaboration skills.
