Permission letter

To

The Director

SRC, Muzaffarnagar

Subject: Permission for conduct the **"Training on Value Added Milk Product"**

I am writing this letter to allow for conducting the **"Training on Value Added Milk Product"** from 17-22/07/ 2024. This will be beneficial for students to boost their knowledge. Kindly approved us for the same.

I believe small steps will be useful for Agriculture students and this is one of them.

Thank you

Report on Training on Value Added Milk Products

Date: 17 July 2024 – 22 July 2024
Organized by: Department of Agriculture
Institution: Shri Ram College, Muzaffarnagar

A **six-day training programme on "Value Added Milk Products"** was organized by the **Department of Agriculture, Shri Ram College, Muzaffarnagar** from **17th July to 22nd July 2024**. The objective of the training programme was to provide practical knowledge and skill development to students in the preparation and processing of value-added dairy products and to create awareness about entrepreneurship opportunities in the dairy sector.

The training programme focused on enhancing students' understanding of milk processing techniques, quality control, hygienic practices, and the economic potential of value-added dairy products. During the training sessions, students were introduced to various dairy products such as **paneer, ghee, flavored milk, curd, butter, khoa, and other milk-based products.**

Experts and faculty members demonstrated the **step-by-step preparation methods, processing techniques, and storage practices** required for producing these dairy products. Students actively participated in the practical sessions where they learned about **milk pasteurization, fermentation, product standardization, packaging, and preservation techniques.**

The training also emphasized the importance of **quality control, hygiene, and safety measures in dairy processing.** Participants were guided on how value-added dairy products can enhance farmers' income and provide opportunities for **self-employment and small-scale entrepreneurship.**

Throughout the programme, students showed great enthusiasm and actively engaged in hands-on learning activities. The training proved to be highly beneficial in developing practical skills related to dairy technology and food processing.

The programme concluded on **22nd July 2024** with a brief discussion session in which participants shared their experiences and feedback. The training successfully enhanced students' knowledge about **value addition in milk and its role in strengthening the dairy industry and rural entrepreneurship.**

Overall, the training programme was highly informative and provided valuable exposure to students regarding **milk processing, product diversification, and entrepreneurial opportunities in the dairy sector.**
