

INSTITUTION'S INNOVATION COUNCIL (IIC)

SHRI RAM COLLEGE, MUZAFFARNAGAR

DEPARTMENT OF BIOSCIENCES

Date: 27.10.2025

NOTICE

This is to inform all students that an **Awareness Program on "Cancer: Causes and Remedies"** will be organized by college **Institution's Innovation Council (IIC)** and **Department of Bioscience, Shri Ram College, Muzaffarnagar**, in collaboration with **UNICEF** and the **District Hospital, Muzaffarnagar** on **07 November 2025** at **10:00 AM** in the **SRC Auditorium**.

The programme aims to create awareness about the **causes, risk factors, early warning signs, preventive measures, timely diagnosis, and available treatment options for cancer**. It will also emphasize the importance of **early detection, healthy lifestyle choices, and regular health screening**, while encouraging students to dispel myths associated with cancer through scientific knowledge and expert guidance.

Date: 07 November 2025

Time: 10:00 AM onwards

Venue: SRC Auditorium

All students and faculty members are encouraged to attend the programme and actively participate in the awareness session.

Dr. Vipin Kumar Saini

Head
Department of Biosciences

AWARENESS PROGRAM ON CANCER: CAUSES AND REMEDIES

Session 2025-2026

Proposed Schedule

Date of Event: 07/11/2025

Time	Programme	Dignitaries
10:00 am – 10:30 am	Welcome of Guests & Lamp Lighting Ceremony	Dr. Ashok Kumar, Director, Shri Ram College Dr. Perna Mittal, Principal, Shri Ram College Dr. Vipin Kumar Saini, Head, Department of Bioscience, Shri Ram College
10:30 am – 11:00 am	Welcome Address & Introduction to the Programme	Mr. Ankit Kumar, Assistant Professor, Department of Bioscience
11:00 am – 11:30 am	Address on Cancer Awareness and Prevention	Ms. Tarannum, UNICEF
11:30 am – 12:00 pm	Address on Early Detection and Treatment of Cancer	Dr. Satakshi, District Hospital, Muzaffarnagar
12:00 pm – 12:30 pm	PowerPoint Presentation Competition on the theme "Cancer: Causes and Remedies"	By Students
12:30 pm – 1:00 pm	Prize Distribution Ceremony	Dr. Ashok Kumar, Director, Shri Ram College Dr. Perna Mittal, Principal, Shri Ram College Dr. Vipin Kumar Saini, Head, Department of Bioscience, Shri Ram College
1:00 pm – 1:30 pm	Vote of Thanks & Valedictory Programme	Mr. Vikas Kumar Tyagi, Associate Professor, Department of Bioscience

Activity Report

Awareness Program on "Cancer: Causes and Remedies"

Date: 07/11/2025

An Awareness Program on "Cancer: Causes and Remedies" was organized by the Department of Bioscience, Shri Ram College, Muzaffarnagar, in association with the Institution's Innovation Council (IIC), UNICEF, and the District Hospital on 07 November 2025 at the SRC Auditorium. The programme was conducted with the objective of creating awareness about the **causes of cancer, early warning signs, preventive measures, timely diagnosis, and available treatment options**. It also emphasized the importance of adopting a healthy lifestyle, encouraging regular health screening, and eliminating common misconceptions associated with cancer.

The programme commenced with the **traditional lamp-lighting ceremony**, followed by the formal welcome of the dignitaries. The event was graced by **Dr. Perna Mittal, Principal, Shri Ram College, Muzaffarnagar, Dr. Ashok Kumar, Director, Shri Ram College, Muzaffarnagar, Dr. Vipin Kumar Saini, Head, Department of Bioscience, Ms. Tarannum from UNICEF, and Dr. Satakshi from the District Hospital**, along with faculty members and students from different departments. Their presence added significance to the programme and motivated students to participate actively.

Delivering the keynote address, **Ms. Tarannum (UNICEF)** highlighted the growing burden of cancer and stressed that **awareness, early detection, vaccination, and healthy lifestyle choices** are among the most effective ways to reduce the risk of cancer. She encouraged students to become ambassadors of health awareness by sharing accurate information within their families and communities and emphasized the importance of regular medical check-ups and avoiding tobacco and other harmful habits.

Dr. Satakshi from the **District Hospital** delivered an informative session on the **common types of cancer, warning signs, available screening methods, and modern treatment facilities**. She explained that timely diagnosis significantly improves treatment outcomes and encouraged students to seek medical advice whenever unusual symptoms persist. She also addressed several common myths related to cancer and emphasized that many forms of cancer are preventable and treatable when detected at an early stage.

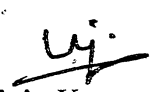

As part of the awareness programme, a **PowerPoint Presentation Competition** on the theme "**Cancer: Causes and Remedies**" was organized. Students presented informative and well-researched presentations covering topics such as **cancer prevention, risk factors, healthy lifestyle practices, early diagnosis, and recent advances in cancer treatment**. The activity provided an excellent platform for students to enhance their presentation, communication, and scientific thinking skills while spreading awareness about cancer prevention.

The **Prize Distribution Ceremony** was conducted after the successful completion of the **PowerPoint Presentation Competition**. The presentations were evaluated on the basis of **subject knowledge, scientific content, presentation skills, clarity of ideas, and overall performance**. **Lavisha Choudhary (B.Sc. Biotechnology II Year)** secured the **First Prize**, **Anjali Dagar (B.Sc. Microbiology II Year)** received the **Second Prize**, and **Muskan Saifi (M.Sc. Biotechnology)** was awarded the **Third Prize**. The dignitaries congratulated the winners and appreciated the enthusiastic participation of all the students, encouraging them to continue spreading awareness about cancer through scientific knowledge and community engagement.

Outcomes of the Programme

1. Enhanced awareness about **cancer prevention and early detection**.
2. Improved understanding of **risk factors, screening, and healthy lifestyle practices**.
3. Encouraged **scientific thinking and health awareness** among students.
4. Strengthened students' **presentation and communication skills** through the PowerPoint Presentation Competition.
5. Promoted collaboration among **IIC, the Department of Bioscience, UNICEF, and the District Hospital** to create greater awareness about cancer prevention.

The programme concluded with a **Vote of Thanks** delivered by **Mr. Vikas Kumar Tyagi, Associate Professor, Department of Bioscience**. He expressed his sincere gratitude to the **Principal, Director, Ms. Tarannum (UNICEF), Dr. Satakshi (District Hospital), faculty members, participants, and students** for their valuable support and cooperation. He also appreciated the dedicated efforts of the organizing committee, including **Ms. Saba Rana** for event coordination, **Mr. Ankit Kumar** for the welcome address and stage management, **Dr. Bushra Aquil** for coordinating the lamp-lighting ceremony, **Mrs. Shalini Mishra** for anchoring the programme, **Mr. Mohd. Salmaan** for photography, and **Ms. Tanu Tyagi, Mr. Sachin Kumar, Ms. Divya Patiyal, and Mr. Vikas Kumar Tyagi** for maintaining discipline and ensuring the smooth conduct of the programme. He congratulated all the participants and encouraged them to continue promoting awareness about cancer and preventive healthcare in society.
