

Awareness Program on Code of Conduct

Report

An Awareness Program on Code of Conduct was organized on 10-02-2026 by the Department of Computer Application, Shri Ram College with the objective of creating awareness among students and faculty members regarding institutional rules, ethical values, responsibilities, and professional behavior.

The program started with a welcome address by the department coordinator, who highlighted the importance of maintaining discipline, integrity, and mutual respect within the institution. The participants were informed about the significance of following the Code of Conduct for creating a healthy, safe, and positive academic environment.

During the session, various aspects of the Code of Conduct were discussed, including professional ethics, academic discipline, and respectful communication, responsible use of resources, and maintaining dignity and respect among students, teachers, and staff members.

The resource person explained the importance of ethical behavior, honesty, teamwork, and accountability in personal as well as professional life. Special emphasis was given to maintaining a harassment-free environment, following institutional policies, avoiding unfair practices, and promoting equality and inclusiveness.

The participants were also made aware of their rights and responsibilities, including proper classroom behavior, attendance rules and responsible use of technology, social media ethics, and the importance of representing the institution positively.

An interactive discussion session was conducted where students actively participated and shared their views regarding discipline, values, and responsible conduct. Their queries related to institutional rules and ethical practices were addressed by the speakers.

The program concluded with a vote of thanks to the resource person, organizing committee, faculty members, and participants for their active involvement and contribution in making the awareness program successful.
