

REPORT ON ONE-DAY WORKSHOP ON CLOUD COMPUTING

A one-day workshop on Cloud Computing was organized by the Department of Computer Science on 28/10/25 at Shri Ram College, Muzaffarnagar. The workshop aimed to provide students with fundamental knowledge of cloud technologies, their applications, and future career opportunities in the field.

The workshop commenced with the traditional lamp-lighting ceremony and a welcome address by the Head of the Department. The resource person for the workshop was Sachin Chaudhary from Digital Byte Academy, a cloud computing expert and industry professional. The speaker introduced the participants to the concept of cloud computing and explained how it has transformed the way organizations store, manage, and process data.

During the technical session, various cloud service models such as **Infrastructure as a Service (IaaS)**, **Platform as a Service (PaaS)**, and **Software as a Service (SaaS)** were discussed in detail. The participants learned about the advantages of cloud computing, including scalability, flexibility, cost efficiency, data security, and remote accessibility.

The resource person also demonstrated the working of popular cloud platforms such as Amazon Web Services (AWS), Microsoft Azure, and Google Cloud Platform. Live demonstrations were conducted to show how cloud resources can be deployed and managed effectively.

A special session was dedicated to emerging trends such as cloud security, serverless computing, artificial intelligence integration, and cloud-based application development. Students actively participated in discussions and asked questions regarding cloud certifications, career prospects, and industry requirements.

The workshop concluded with an interactive question-and-answer session, where participants clarified their doubts and gained valuable insights from the expert. The event proved highly beneficial for students and faculty members, enhancing their understanding of modern cloud technologies and their practical applications.

The workshop ended with a vote of thanks delivered by a faculty member, expressing gratitude to the resource person, organizing committee, and participants for making the event successful.

Outcomes of the Workshop

- Enhanced understanding of cloud computing concepts.
- Knowledge of cloud service and deployment models.
- Exposure to leading cloud platforms and services.
- Awareness of cloud security challenges and solutions.
- Understanding of career opportunities and certifications in cloud computing.
- Hands-on experience through demonstrations and practical examples.

Total Participants: 172

Venue: Shri Ram College Auditorium

Date: 28/10/25

Coordinator: Sanjay Kant

Resource Person: Sachin Chaudhary, Digital Byte Academy
