

INSTITUTION'S INNOVATION COUNCIL (IIC)

SHRI RAM COLLEGE, MUZAFFARNAGAR

DEPARTMENT OF BIOSCIENCE & DEPARTMENT OF AGRICULTURE

Date: 29.11.2025

NOTICE

This is to inform all students that the **Institution's Innovation Council (IIC)**, Shri Ram College, Muzaffarnagar, in collaboration with the Department of Bioscience and Department of Agriculture, is organizing a Workshop on "Animal Welfare in Modern Agriculture" on **06 December 2025** at the SRC Auditorium.

The workshop aims to create awareness about the importance of animal welfare in modern agricultural practices, ethical livestock management, sustainable farming techniques, and the role of scientific innovations in improving animal health and productivity. The programme will provide students with an opportunity to interact with experts and gain practical knowledge about contemporary approaches to animal welfare

Interested students are requested to register their names with **Ms. Saba Rana** on or before **04 December 2025**.

Dr. Vipin Kumar Saini

Head
Department of Biosciences

Dr. Purna Mittal

Principal

Activity Report

WORKSHOP ON "ANIMAL WELFARE IN MODERN AGRICULTURE"

Date: 06-12-2025

The **Institution's Innovation Council (IIC)**, **Shri Ram College, Muzaffarnagar**, in collaboration with the **Department of Bioscience** and the **Department of Agriculture**, organized a **Workshop on "Animal Welfare in Modern Agriculture"** on **06 December 2025** at the **SRC Auditorium**. The workshop was conducted with the objective of creating awareness among students about the importance of animal welfare in sustainable agricultural practices, ethical livestock management, and scientific approaches to improving animal health and productivity. The programme provided participants with an opportunity to understand the significance of animal welfare in ensuring food security, environmental sustainability, and responsible farming.

The workshop commenced with the traditional **lamp-lighting ceremony**, followed by the formal welcome of the dignitaries. The programme was graced by **Dr. Ashok Kumar, Director, Shri Ram College**, **Dr. Prerna Mittal, Principal, Shri Ram College**, **Dr. Vipin Kumar Saini, Head, Department of Bioscience**, and **Dr. Nayeem Ali, Head, Department of Agriculture**. Their presence motivated the students to actively participate in the technical sessions and gain practical insights into modern agricultural practices.

The **Welcome Address** and **introduction of the resource person** were delivered by **Ms. Umara Rehmani, Assistant Professor, Department of Agriculture**. She welcomed the dignitaries, faculty members, and students and highlighted the significance of organizing workshops on emerging agricultural issues. She also introduced the distinguished resource person, **Prof. Rajbir Singh, SVPuat, Meerut**, and briefly outlined his academic contributions and expertise in the field of animal science and livestock management.

The technical session was conducted by **Prof. Rajbir Singh**, who delivered an informative and engaging lecture on **"Animal Welfare in Modern Agriculture."** He explained the concept of animal welfare and emphasized the importance of providing animals with proper nutrition, clean housing, timely veterinary care, and stress-free management practices. He discussed the internationally accepted principles of animal welfare, ethical treatment of livestock, disease prevention, biosecurity measures, and the role of scientific innovations in improving livestock

productivity. He also highlighted the relationship between animal welfare, food quality, public health, and sustainable agricultural development through practical examples and recent advancements in the field.

An interactive **question-and-answer session** followed the lecture, during which students actively participated by asking questions related to livestock management, animal health, dairy farming, poultry production, and welfare regulations. The resource person addressed each query in detail and encouraged students to adopt scientific knowledge, ethical practices, and innovative approaches in the field of agriculture and animal husbandry.

Dr. Prerna Mittal, Principal, Shri Ram College, emphasized that awareness of animal welfare is essential for future agricultural professionals. She encouraged students to combine scientific knowledge with compassion and ethical responsibility while working in the agricultural sector.

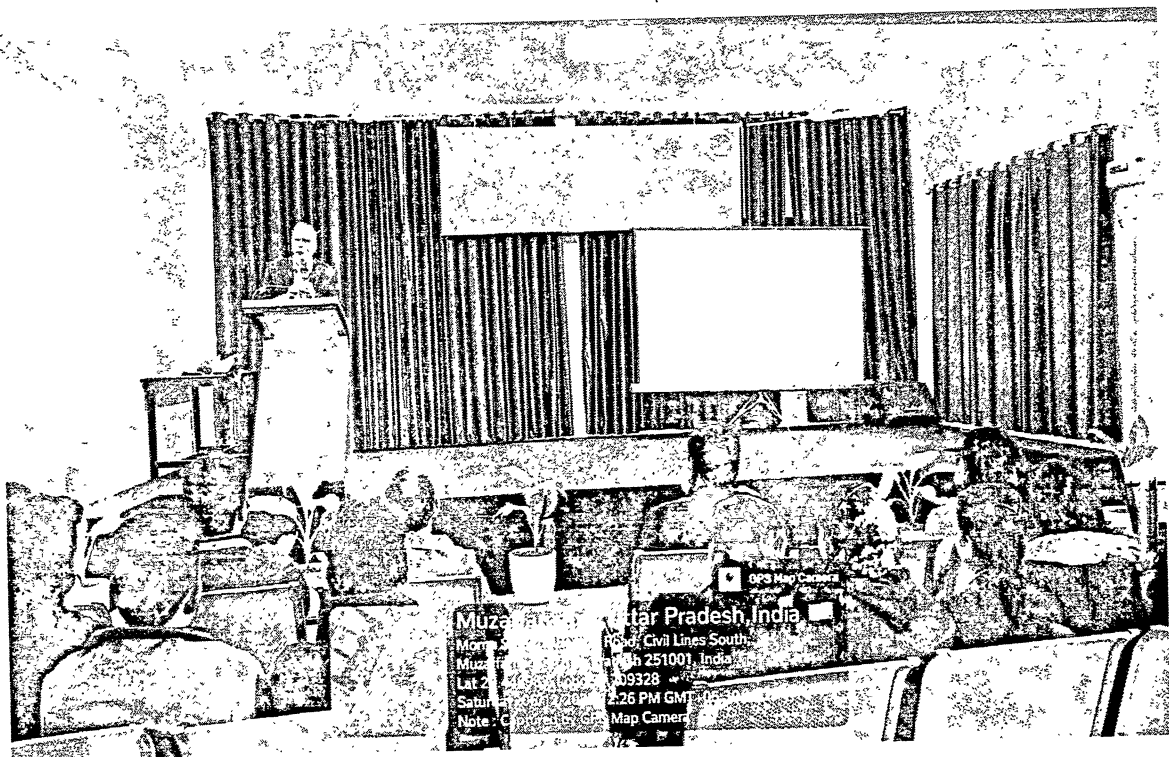

After that, **Dr. Ashok Kumar, Director, Shri Ram College**, appreciated the collaborative initiative of the Institution's Innovation Council (IIC), the Department of Bioscience, and the Department of Agriculture. He stated that such workshops bridge the gap between classroom learning and practical applications, helping students understand current challenges and advancements in modern agriculture.

Programme Outcomes

1. Developed awareness about **animal welfare** and **ethical livestock management**.
2. Enhanced knowledge of **modern agricultural practices** and **animal healthcare**.
3. Improved understanding of **sustainable farming** and **food safety**.
4. Encouraged scientific and practical approaches towards **animal husbandry**.
5. Promoted interaction with experts and strengthened **professional learning**.

The programme concluded with a **Vote of Thanks** delivered by **Mr. Vikas Kumar Tyagi, Associate Professor, Department of Bioscience**. He expressed sincere gratitude to the resource person, dignitaries, faculty members, students, and the organizing team for their valuable support and enthusiastic participation. He appreciated the efforts of **Ms. Umara Rehmani** for effectively coordinating the workshop and acknowledged the contributions of all faculty members and volunteers who ensured the successful conduct of the programme.
