WORLD ENVIRONMENT DAY

Activity Report

Date: 05/06/2025

On **05 June 2025**, **World Environment Day** was organized by the **Department of Bioscience, Shri Ram College, Muzaffarnagar**, in collaboration with the **Institution's Innovation Council (IIC), Shri Ram College, Muzaffarnagar**. The programme commenced with the traditional **lamp-lighting ceremony** by Dr. Ashok Kumar, Director, Shri Ram College; Dr. Perna Mittal, Principal, Shri Ram College; Dr. Girendra Gautam, Director, Shri Ram College of Pharmacy; and Dr. Vipin Kumar Saini, Head, Department of Bioscience.

Dr. Vijay Kumar, Professor, Horticulture Department, CCRD, MZN, delivered an insightful and impactful lecture focused on "**Ecosystem Restoration through Sustainable Horticulture**." He highlighted the alarming rate of soil degradation and the loss of native plant species due to rapid urbanization. In his address, he explained how simple agricultural and horticultural practices, such as growing native trees, practicing organic kitchen gardening, and conserving local flora, can act as powerful tools against climate change. He urged the students to move beyond theoretical knowledge and actively participate in plantation drives, emphasizing that every individual's contribution to greening their surroundings is vital for restoring the ecological balance.

Dr. Perna Mittal, Principal, Shri Ram College, warmly greeted the students on the occasion of World Environment Day. She appreciated the **Poster Making Competition** for successfully promoting creativity and environmental awareness among students. She stated that such activities encourage meaningful discussions on environmental conservation and inspire students to become responsible citizens committed to protecting nature.

Dr. Ashok Kumar, Director, Shri Ram College, delivered an awareness speech on World Environment Day. He said that our planet is facing serious environmental challenges such as **climate change, deforestation, pollution, and loss of biodiversity**, which threaten not only nature but also human health and well-being. He encouraged everyone to adopt environmentally responsible practices and work collectively towards protecting the planet for future generations.

At the end of the programme, **Dr. Vipin Kumar Saini**, Head, Department of Bioscience, expressed his heartfelt gratitude to the dignitaries, faculty members, student coordinators, and participants for their valuable support and enthusiastic participation. He appreciated the efforts of the organizing committee and encouraged everyone to continue adopting sustainable practices and inspiring others to contribute towards environmental conservation.

Outcomes of the Programme

1. Enhanced awareness about **environmental conservation** and **sustainable development**.
2. Encouraged students to adopt **eco-friendly practices** in their daily lives.
3. Promoted **creativity** and environmental awareness through the **Poster Making Competition**.
4. Strengthened students' understanding of **climate change** and **biodiversity conservation**.
5. Motivated students to actively participate in **environmental protection initiatives**.

The student coordinators for the programme were **Aakansha Sharma, Shamsheer, Aliza, Suhani, and Aastha Tomar**, who coordinated effectively with the faculty members **Mr. Ankit Kumar, Mr. Vikas Kumar, Ms. Disha Sharma, Ms. Saba Rana, Mr. Mohd. Salmaan, and Ms. Zehra Husaini** for the successful conduct of the programme.
