Introduction

The World Environment Day programme was organized by the Department of Biosciences, Shri Ram College, Muzaffarnagar, in association with the Institution's Innovation Council (IIC), Shri Ram College. The event was conducted with the objective of promoting environmental sustainability, ecological awareness, and community participation. The activity aligns with the vision of the Ministry of Education's Innovation Cell (MIC) to encourage responsible citizenship, sustainable development practices, and social innovation among students.

World Environment Day is celebrated globally on 5th June every year to promote environmental awareness and encourage sustainable practices. To commemorate the occasion, the Faculty of Biosciences, Shri Ram College, organized a series of activities. The event aimed to sensitize students and staff about environmental conservation, sustainable development, biodiversity protection, and the importance of maintaining a clean and green environment.

The programme witnessed enthusiastic participation from faculty members and students, reflecting their commitment towards environmental stewardship and social responsibility.

Programme Highlights

1. Plantation Drive

The programme commenced with a plantation drive within the college campus. Various saplings of shade-giving, ornamental, and medicinal plants were planted by faculty members and students.

The plantation activity symbolized the institution's commitment towards environmental conservation and enhancement of green cover. Participants also pledged to nurture and protect the planted saplings.

2. Campus Cleanliness Campaign

A cleanliness drive was conducted in different areas of the college campus. Students and faculty members actively participated in cleaning pathways, gardens, lawns, and common areas.

The campaign emphasized:

- Proper waste disposal.
- Segregation of biodegradable and non-biodegradable waste.
- Reduction of plastic usage.
- Maintenance of a clean and healthy environment.

The activity reinforced the message that environmental protection begins with individual responsibility.

3. Address by Principal – Dr. Prerna Mittal

Dr. Prerna Mittal emphasized the urgent need for environmental protection and sustainable development. She highlighted the importance of tree plantation, conservation of natural resources, and responsible environmental behavior. She encouraged students to actively participate in environmental initiatives and contribute towards creating a greener future.

4. Address by Dean – Dr. Vinit Sharma

Dr. Vinit Sharma discussed the role of educational institutions in fostering environmental consciousness among young minds. He stressed the significance of collective efforts in addressing environmental issues and promoting sustainable living practices.

5. Address by Head, Faculty of Biosciences – Dr. Vipin Kumar Saini

Dr. Vipin Kumar Saini elaborated on the scientific importance of biodiversity conservation and ecosystem balance. He motivated students to participate in environmental research, awareness campaigns, and community-based sustainability initiatives.

6. Address by Head, Department of Agriculture – Dr. Nayeem

Dr. Nayeem also highlighted the importance of sustainable agricultural practices for environmental protection. He discussed soil conservation, water management, organic farming, and the role of agriculture in maintaining ecological balance.

The programme was successfully coordinated with active support from faculty members: Mr. Vikas Kumar, Mr. Sachin Kumar, Ms. Tanu Tyagi, Mr. Mohd. Salman, Ms. Divya. Their guidance and motivation contributed significantly to the success of the event.

Students from the Department of Biosciences and Department of Agriculture participated enthusiastically in all activities. Their active involvement in plantation, cleanliness drives, and awareness programmes demonstrated a strong commitment towards environmental sustainability and social responsibility.

7. Outcomes of the Programme

The programme successfully:

- Increased environmental awareness among students and faculty.
- Promoted plantation and green campus initiatives.
- Encouraged cleanliness and responsible waste management.
- Strengthened understanding of sustainable development practices.
- Fostered environmental responsibility among participants.
- Enhanced student engagement in community and environmental service activities.

8. Conclusion

The celebration of World Environment Day at Shri Ram College was highly successful and impactful. Through plantation, cleanliness, and awareness, participants gained valuable insights into environmental conservation and sustainability. The programme reinforced the institution's commitment to creating a green, clean, and environmentally conscious campus.

The event concluded with a collective pledge by all participants to protect the environment, conserve natural resources, and contribute actively towards a sustainable future.

विविधता के संरक्षण तथा प्राकृतिक संसाधनों की सुरक्षा में भी महत्वपूर्ण भूमिका निभाते हैं। उन्होंने विद्यार्थियों से अधिक से अधिक पौधे लगाने एवं उनके संरक्षण का आह्वान किया।

कार्यक्रम के अंतर्गत एग्रीकल्चर विभागाध्यक्ष डॉ. नईम अली ने पर्यावरण के प्रमुख घटकों वायु, जल एवं मृदा के महत्व को विस्तार से समझाया। उन्होंने बताया कि इन प्राकृतिक संसाधनों का संरक्षण मानव

जीवन, कृषि उत्पादन तथा सतत विकास के लिए अत्यंत आवश्यक है। उन्होंने विद्यार्थियों को पर्यावरणीय संतुलन बनाए रखने हेतु जिम्मेदार नागरिक बनने का संदेश दिया।

कार्यक्रम के दौरान विद्यार्थियों ने पौधारोपण के साथ-साथ पर्यावरण संरक्षण से संबंधित विभिन्न गतिविधियों में भाग लिया तथा पृथ्वी को हरित एवं स्वच्छ बनाने का संकल्प लिया।
